

Non è un quaderno
Non è un'agenda
È un percorso
Un viaggio

Realizzato con Giulio Testi,

Tu non mi fai risolvere,
Speranza lusinghiera;
Fosti la prima a nascere,
Sei l'ultima a morir.
No, dell'altrui tormento
No, che non sei ristoro;
Ma servi d'alimento
Al credulo desir.
(METASTASIO, Demetrio, A. 1, SC. 15).

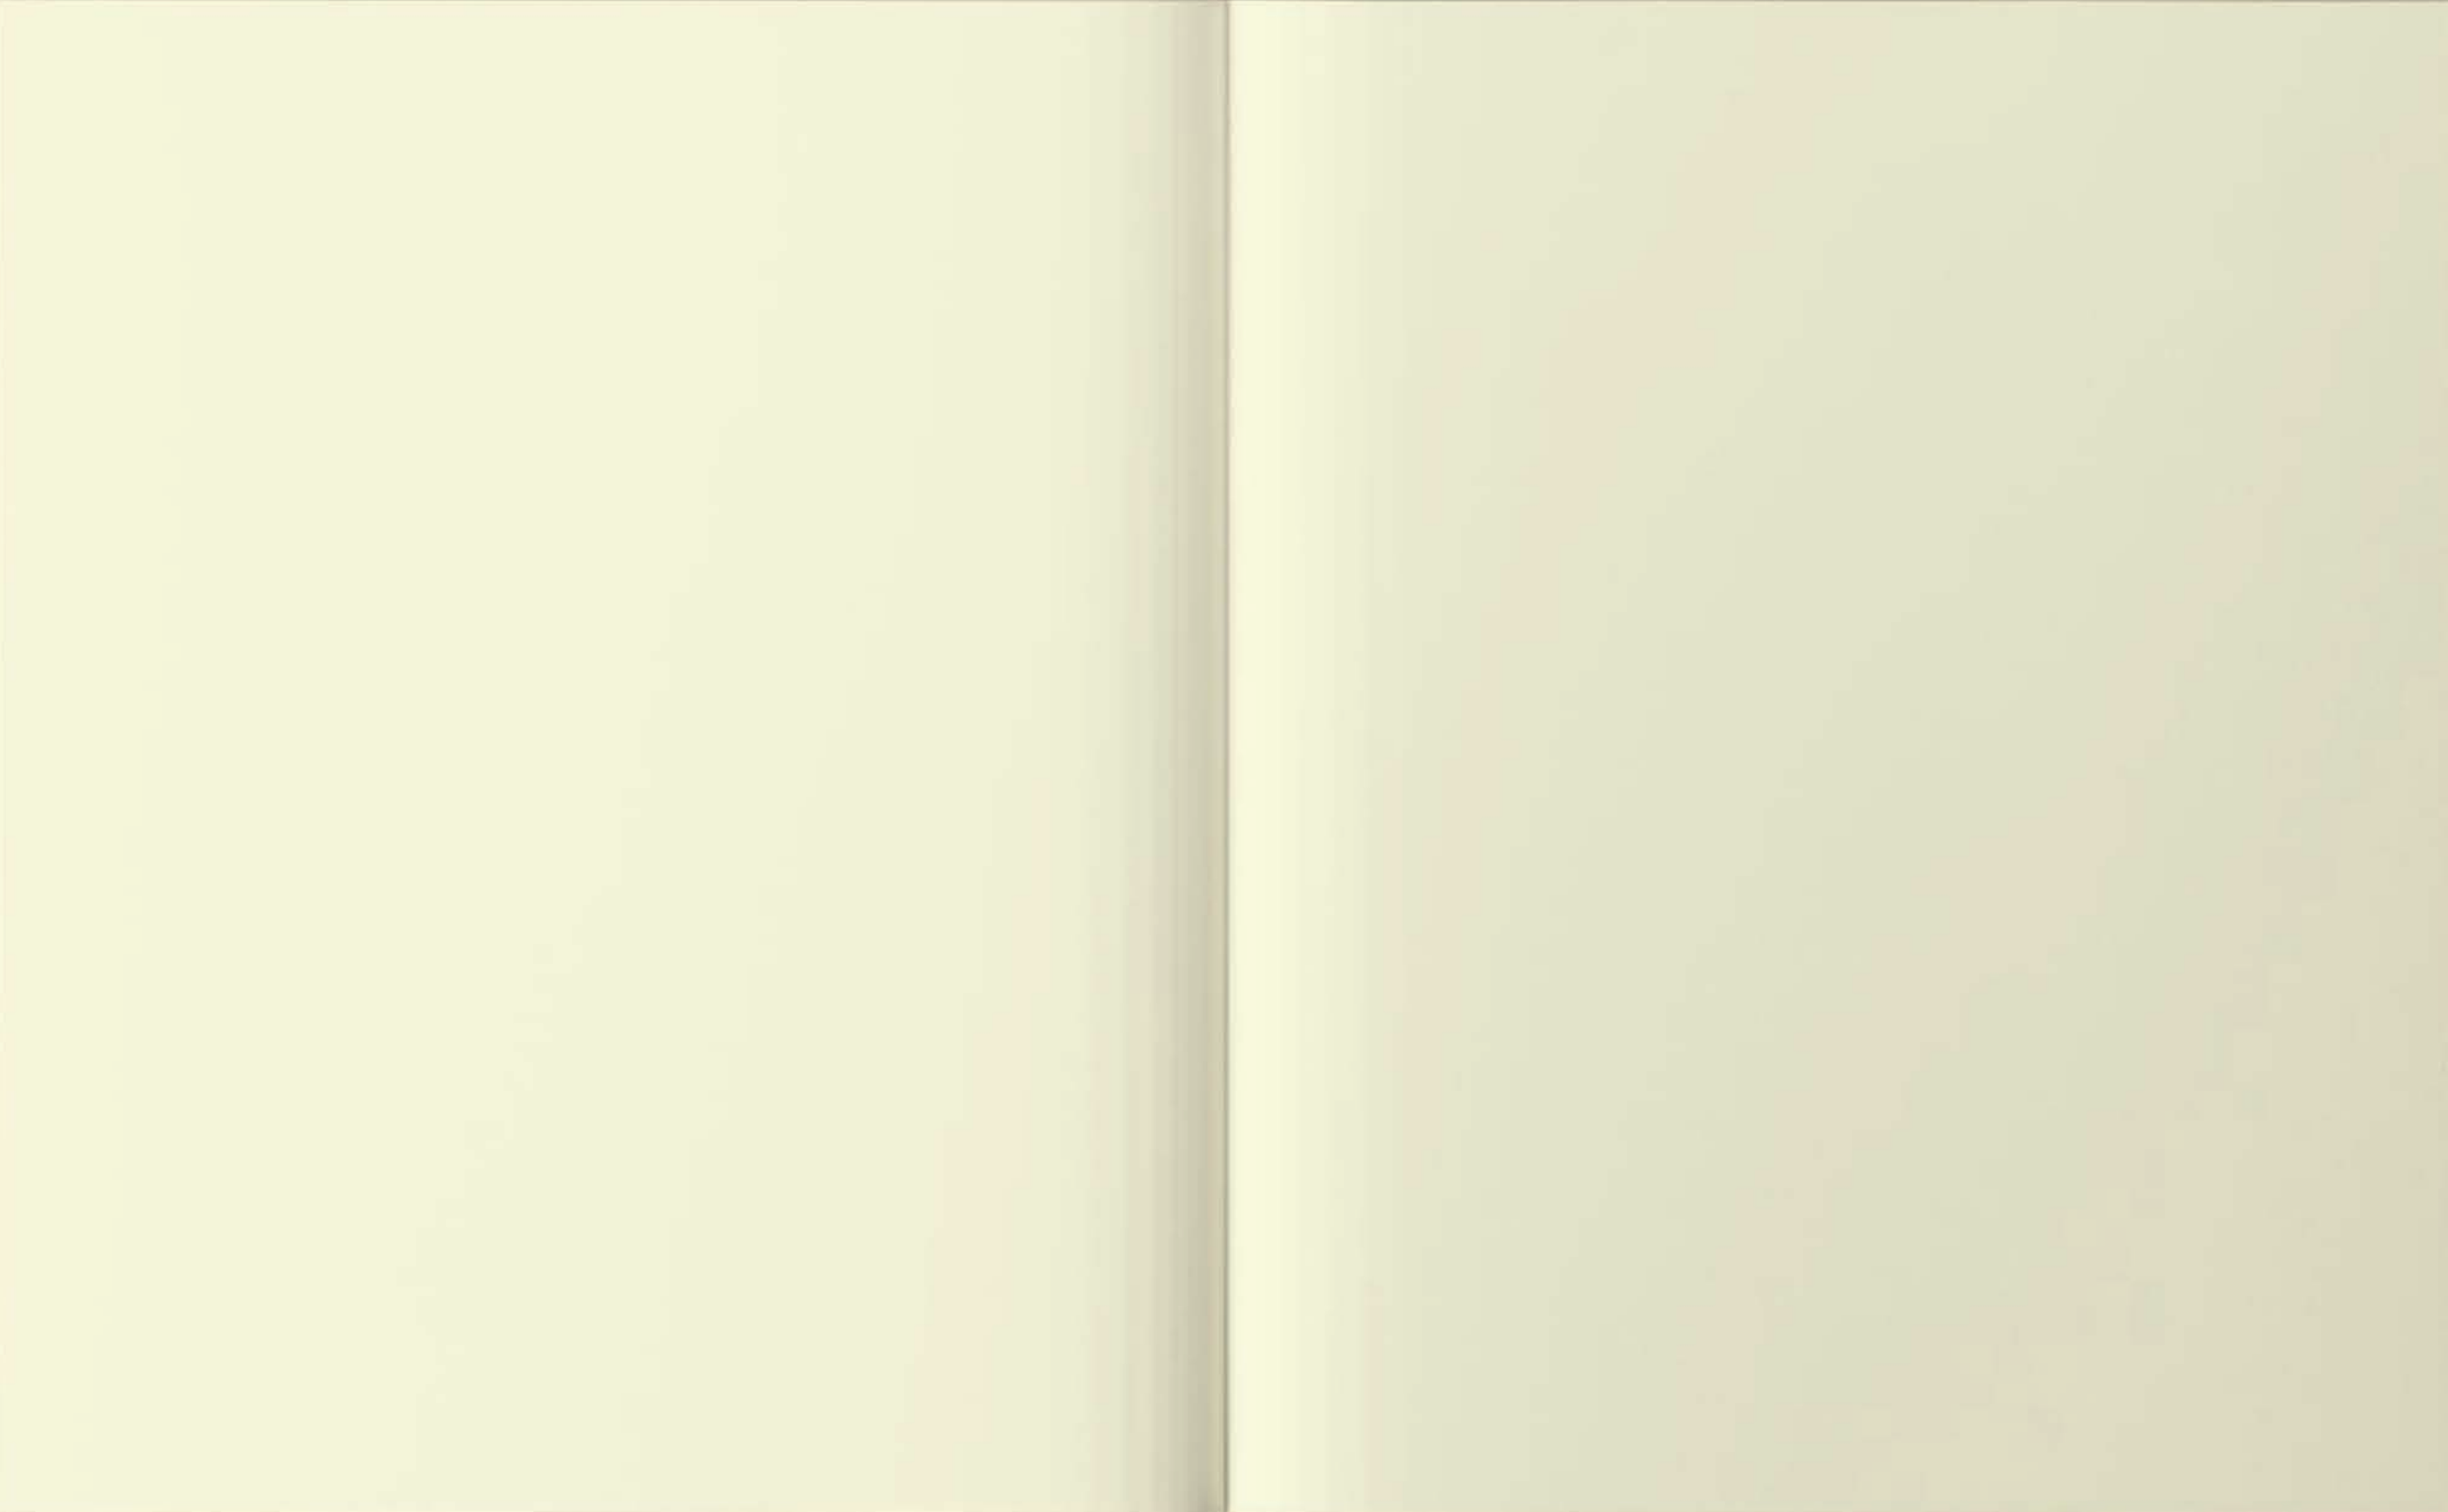

. . . Anche la speme,
Ultima dea, fugge i sepolcri, e involve
Tutte cose l'obblìo nella sua notte.
(U.FOSCOLO, *I Sepolcri*, v.16-18).

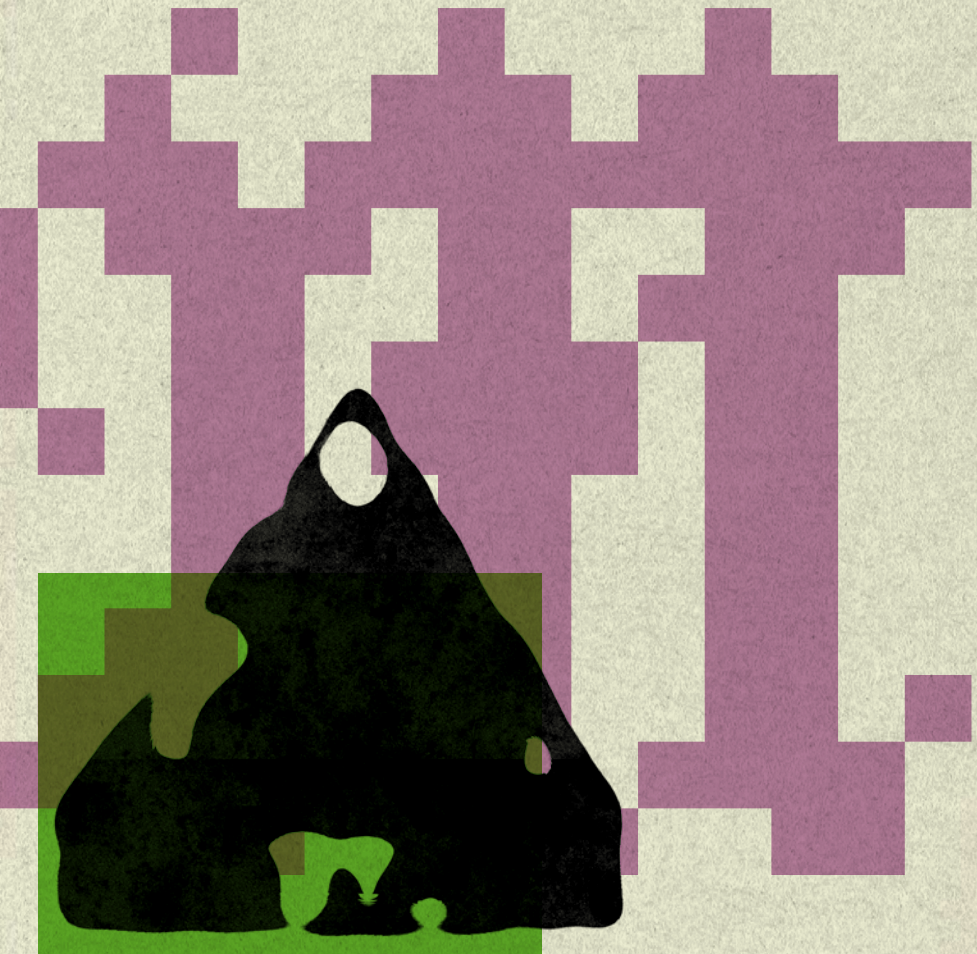

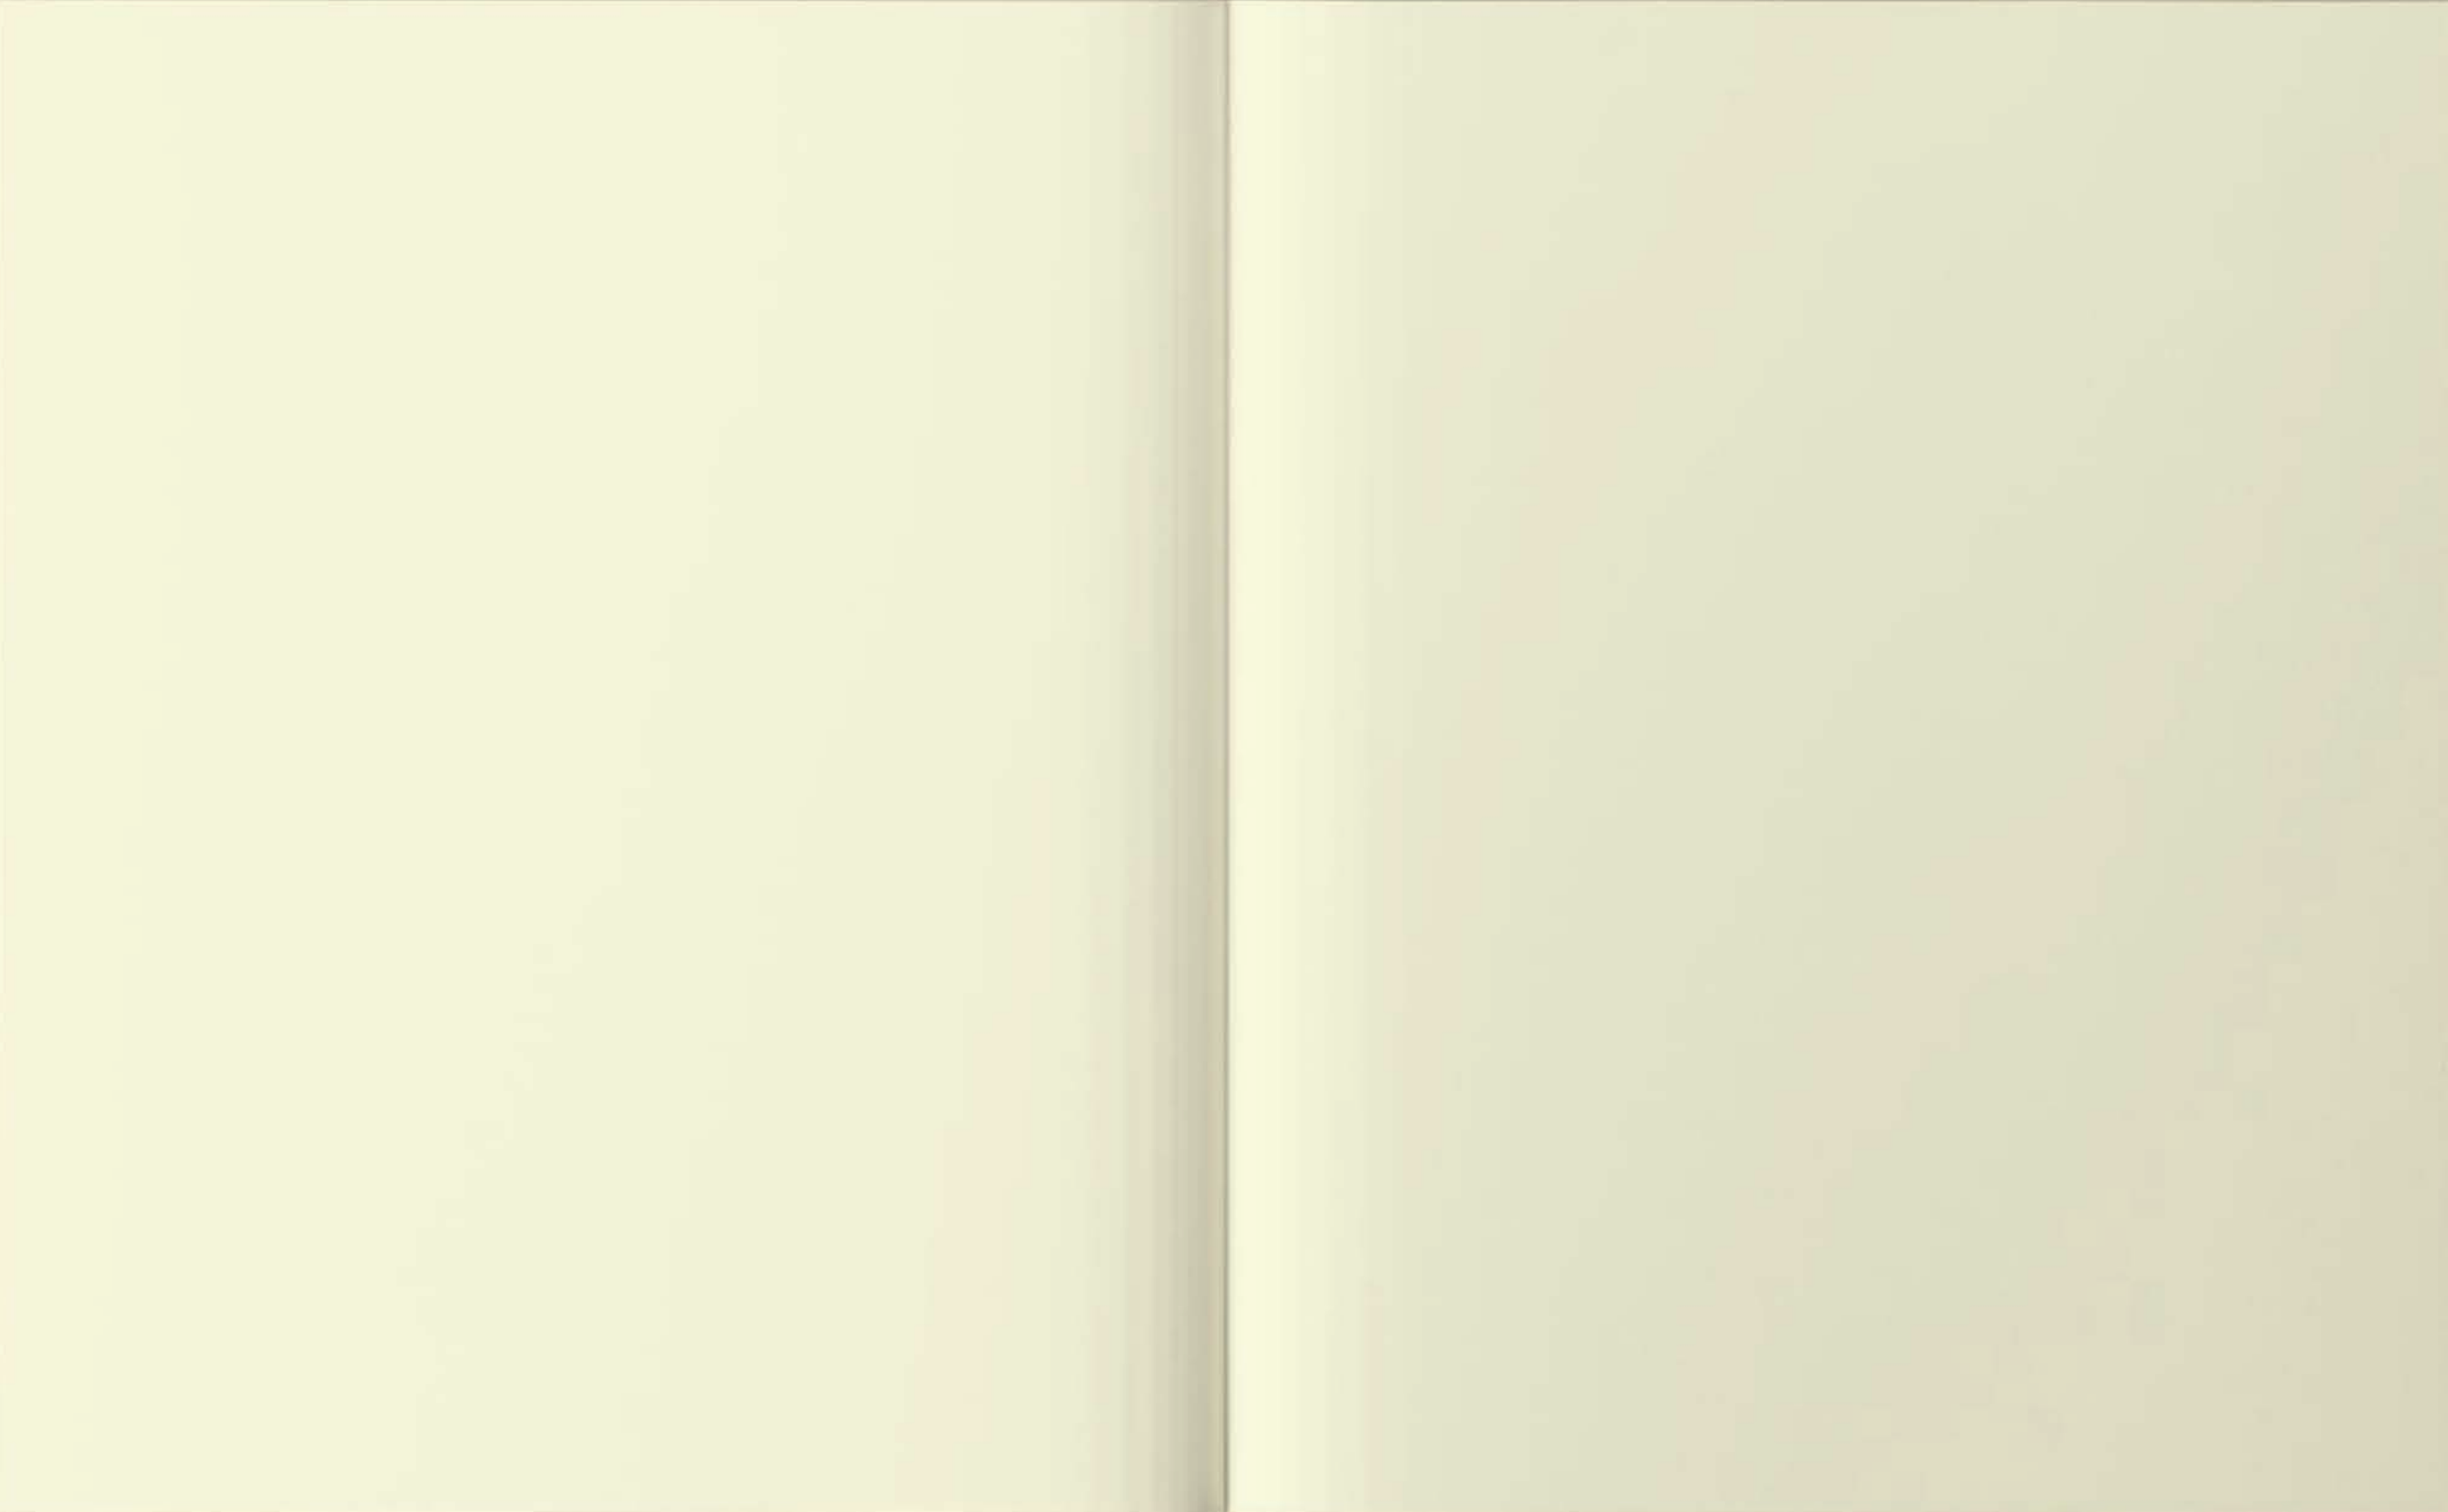

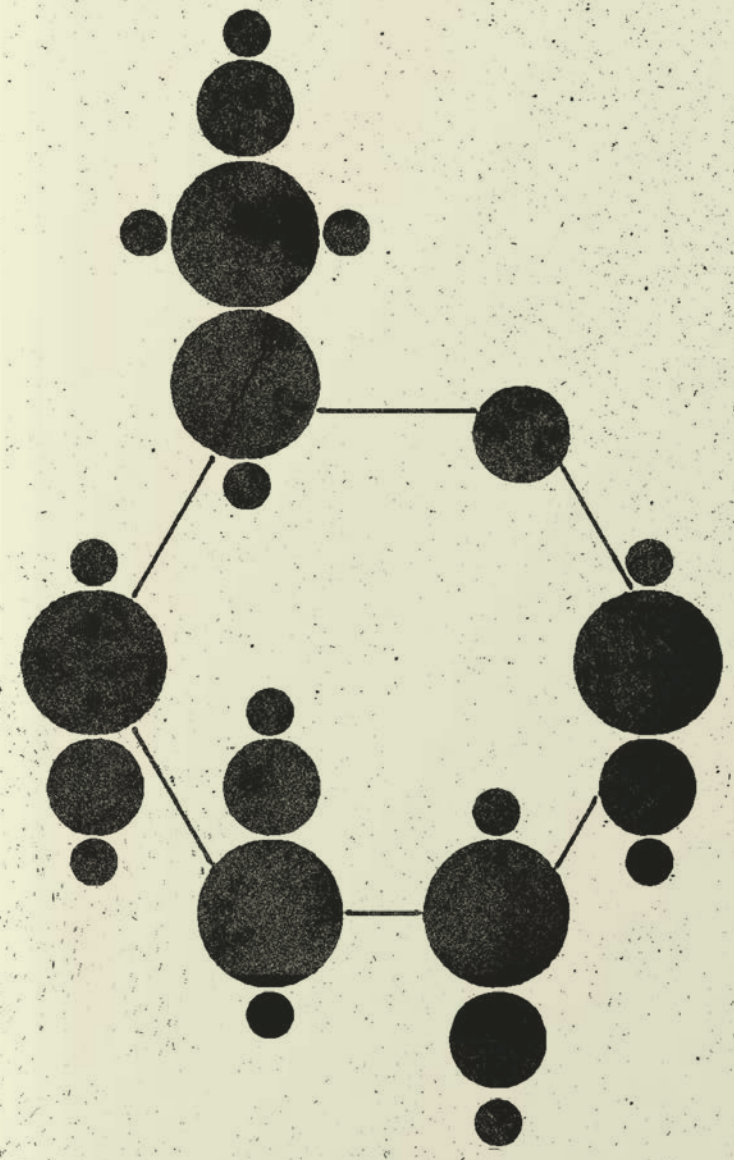

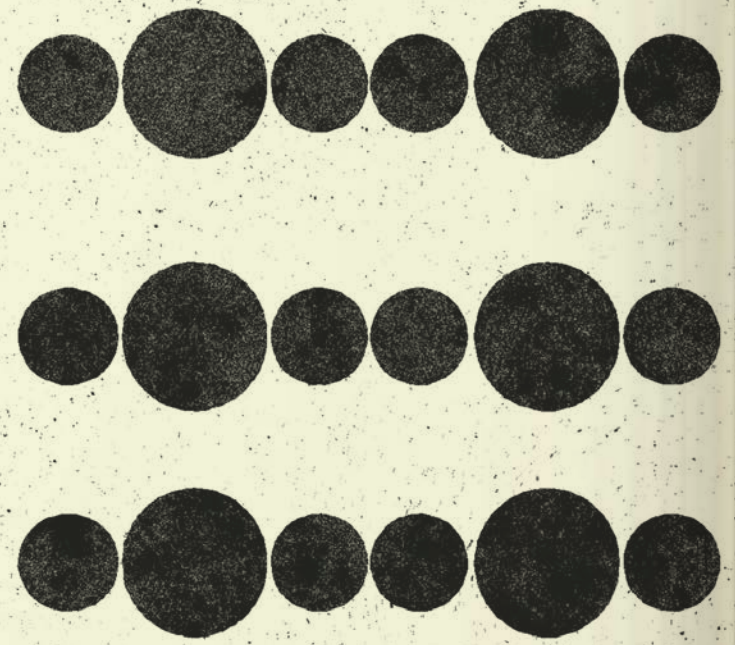

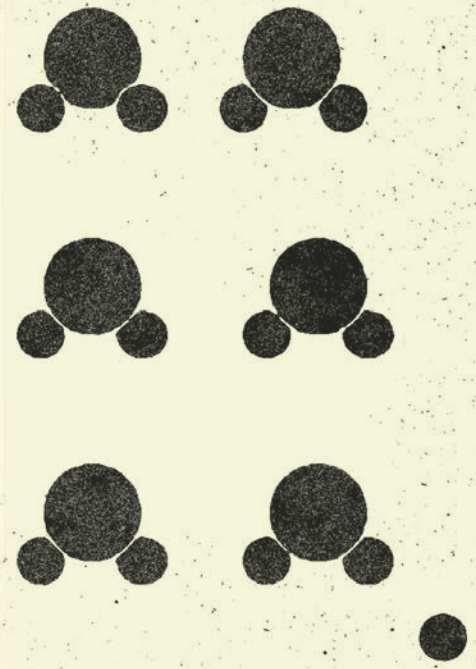

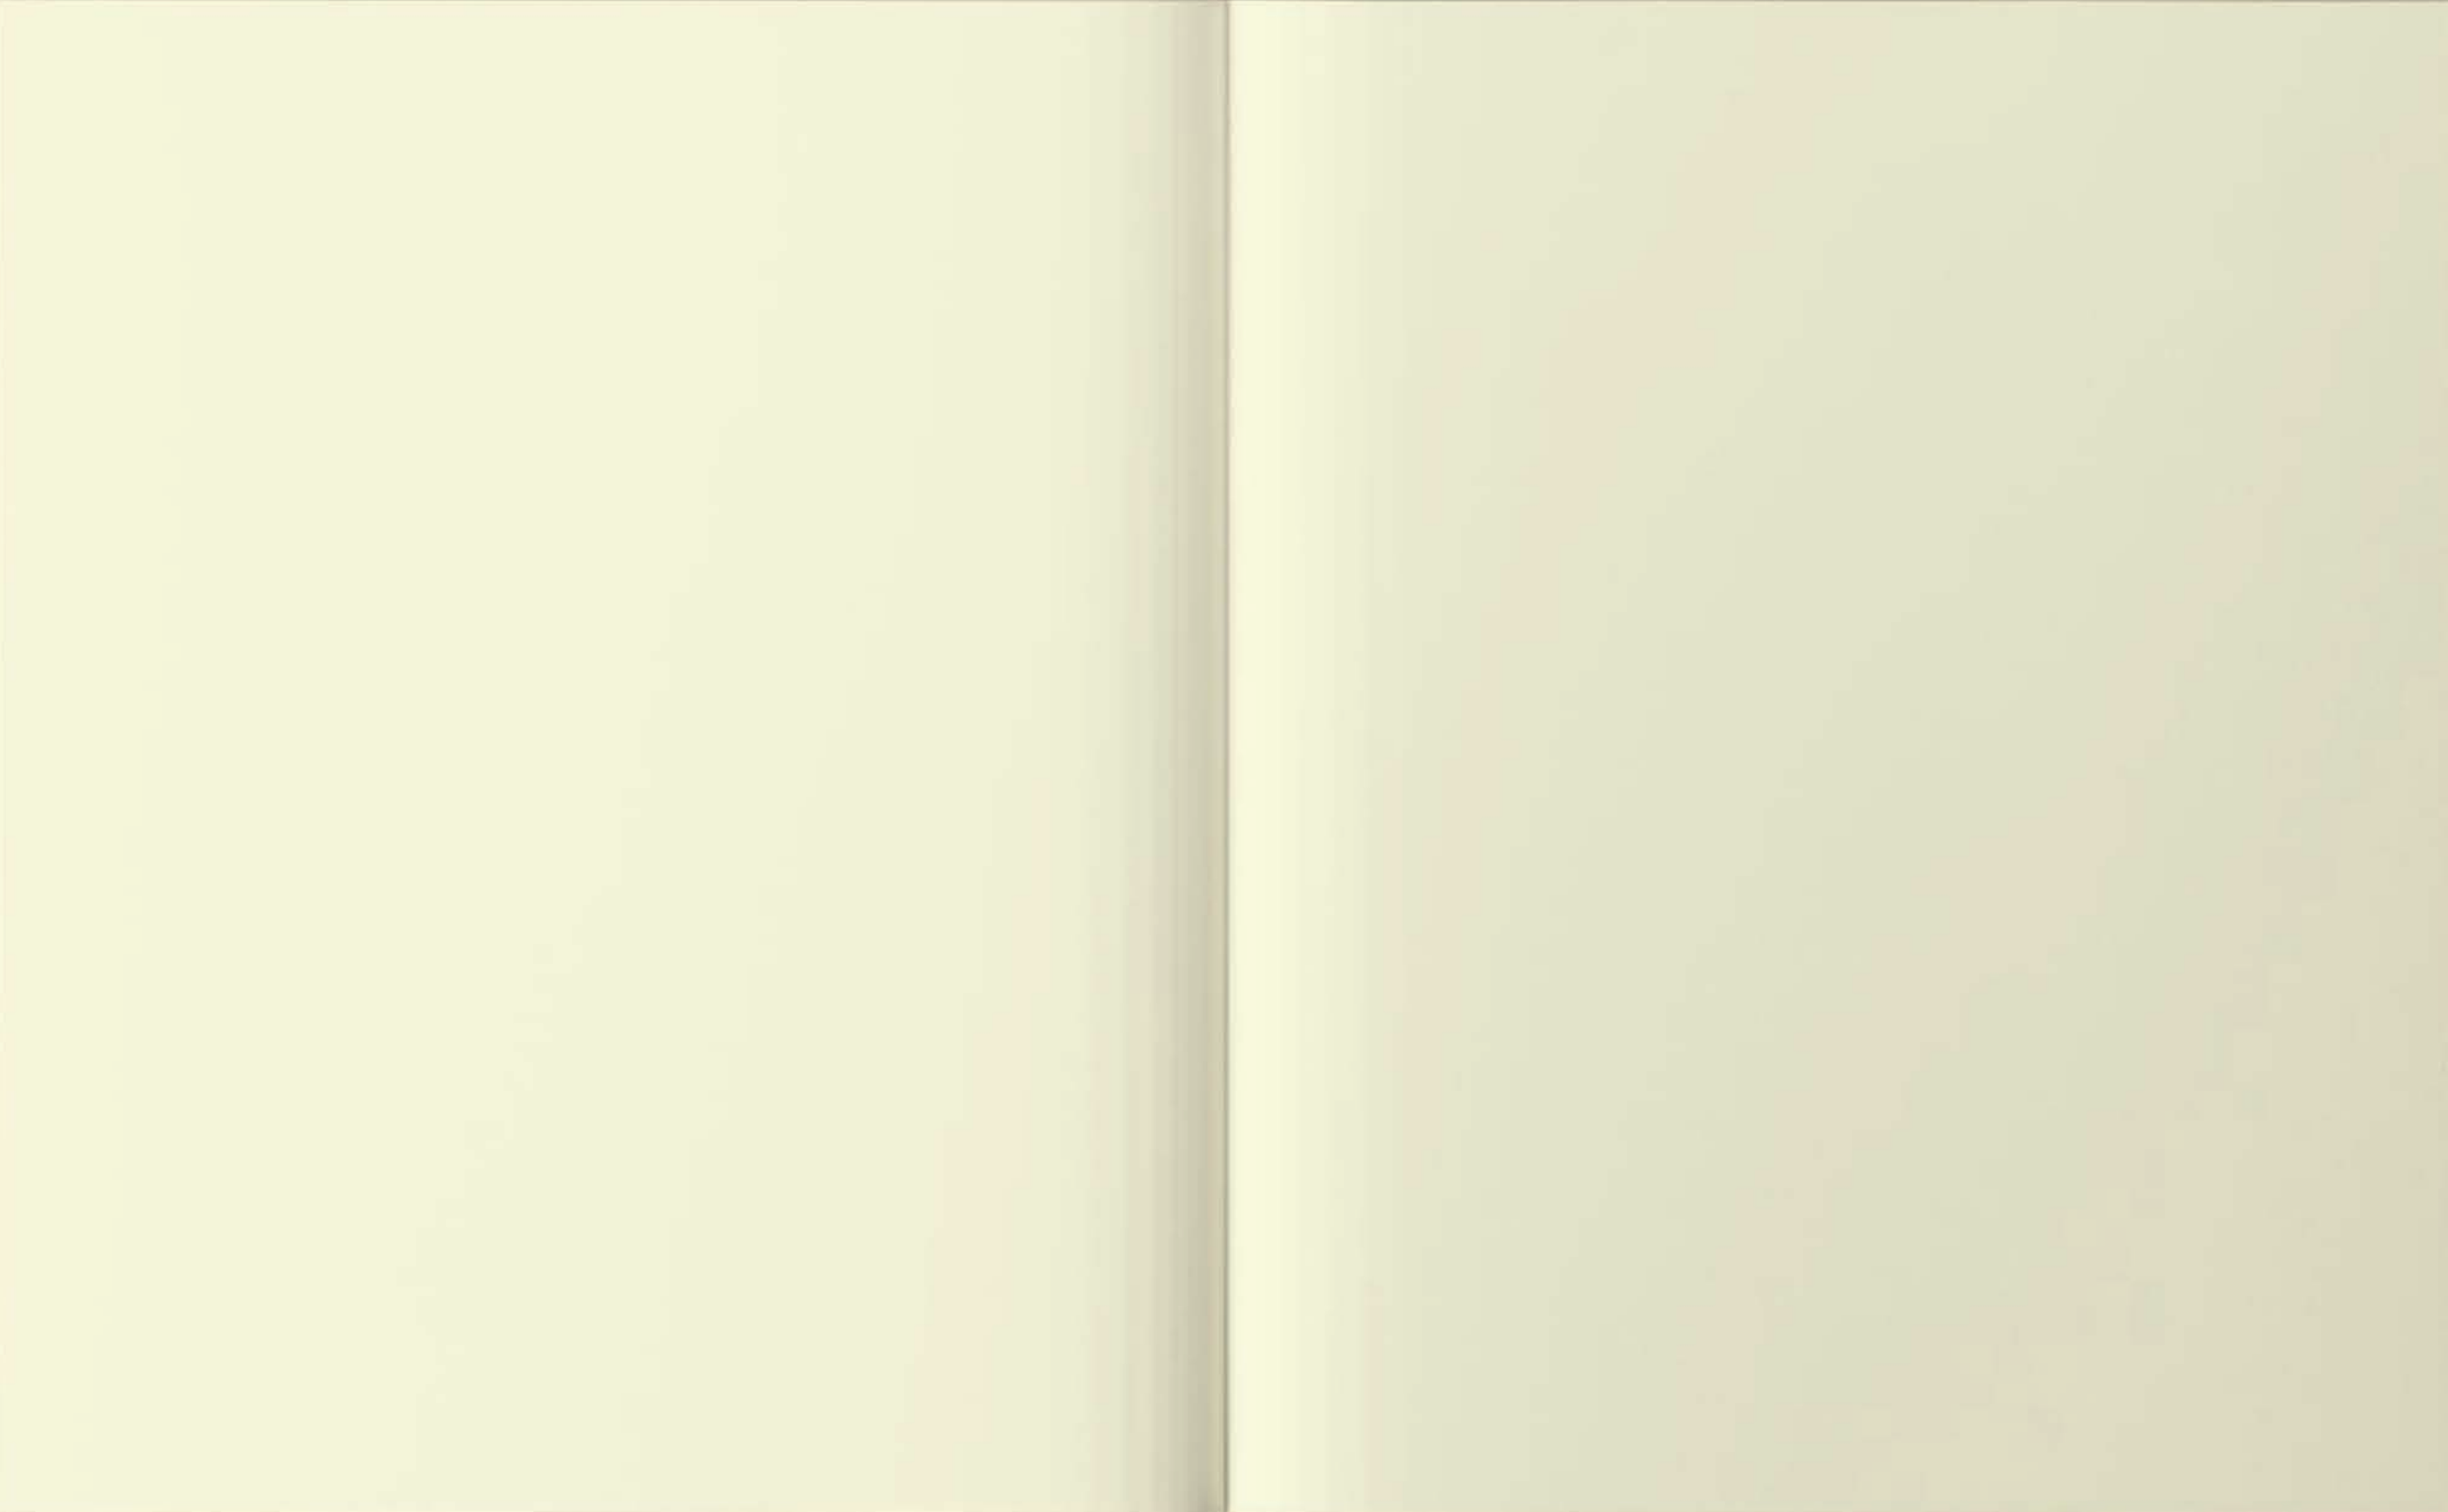

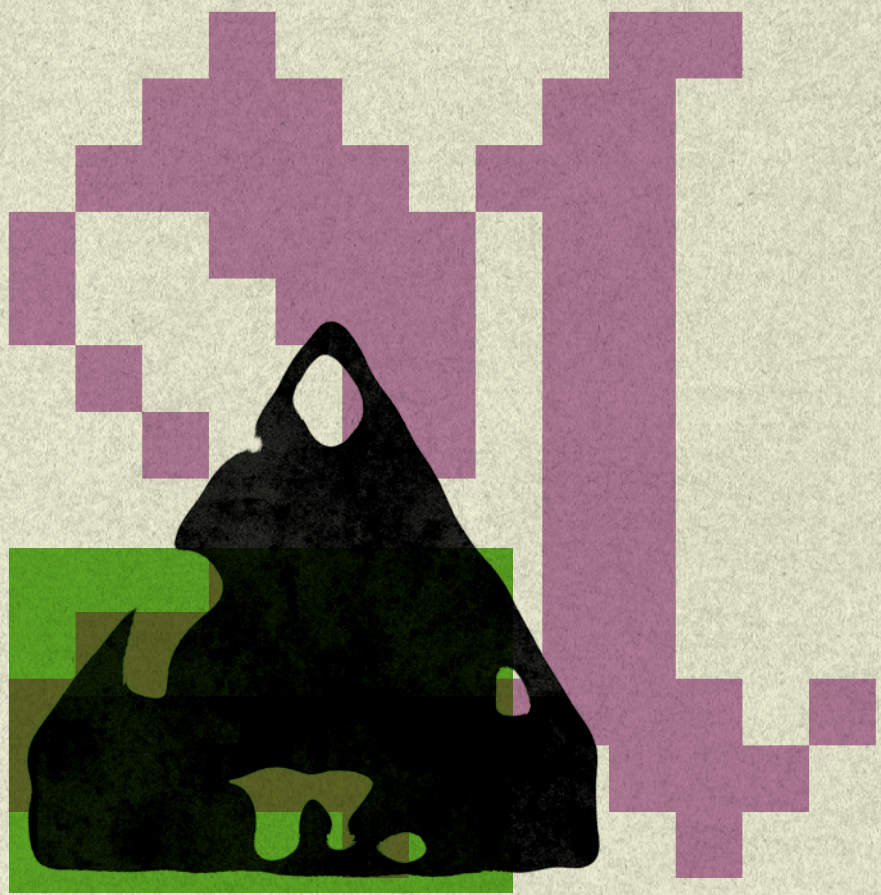

In tristitia hilaris, in hilaritate tristis.
(G.BRUNO, *Candelaio*, 1582).

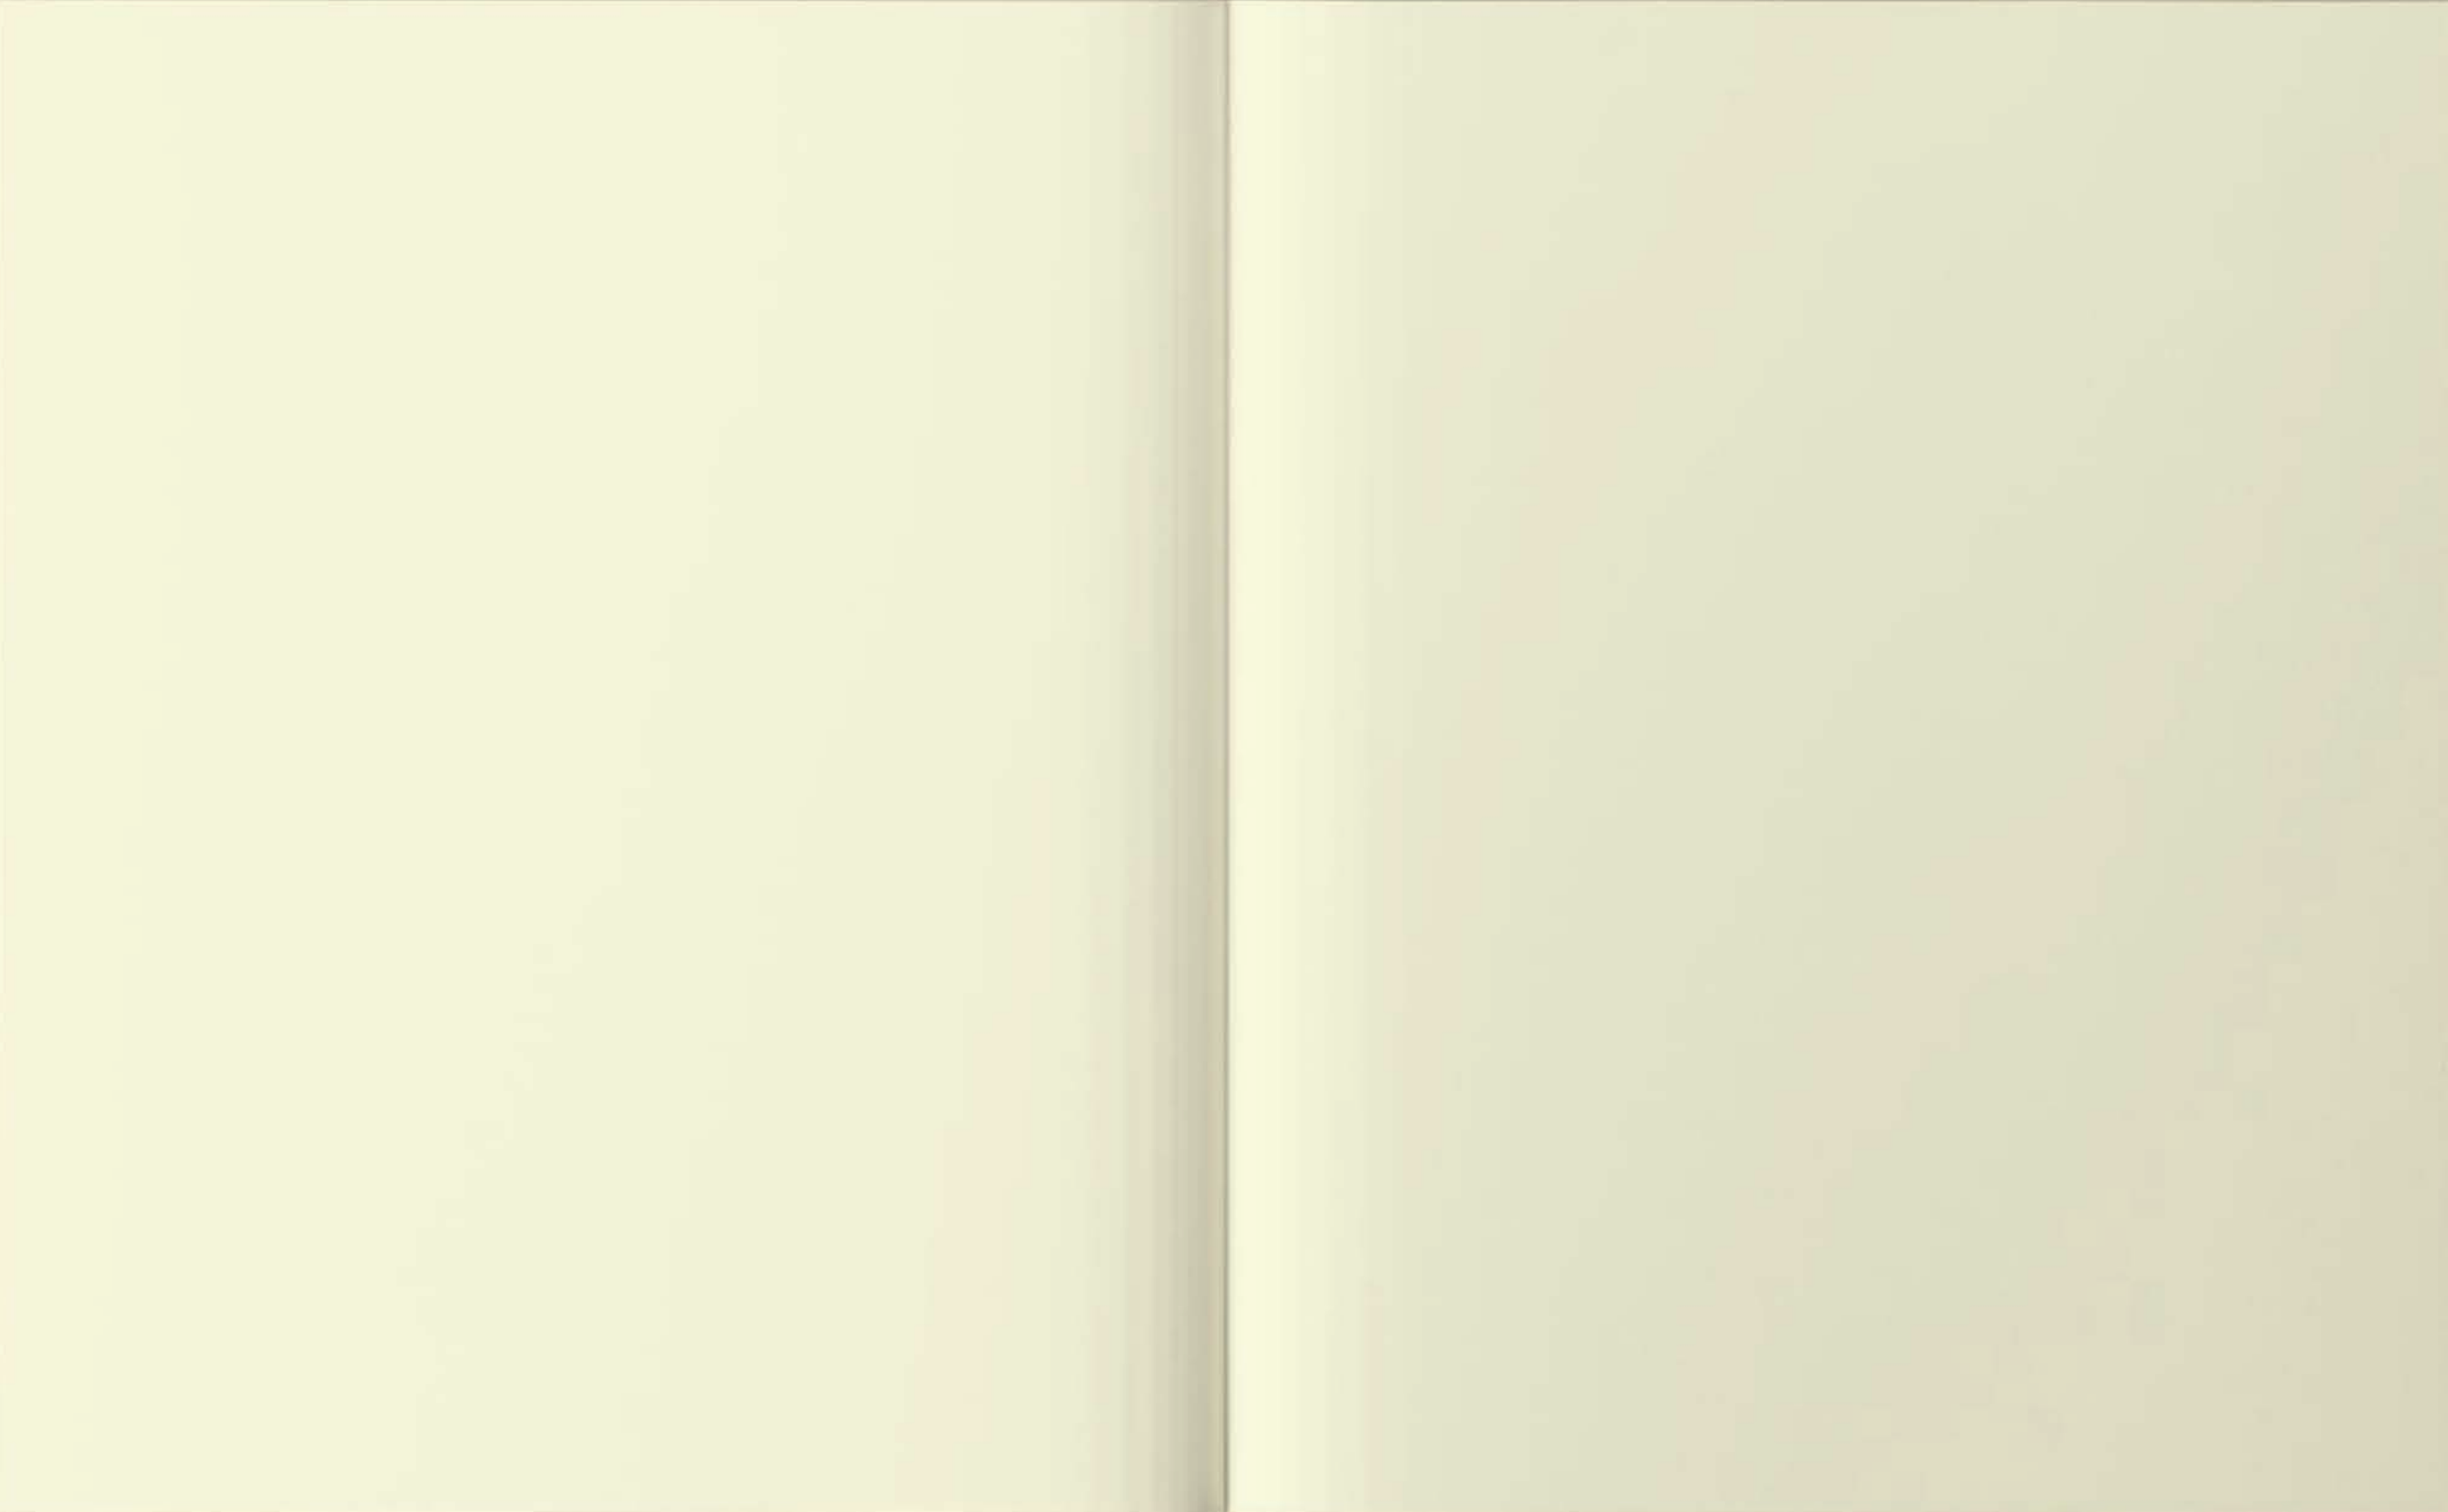

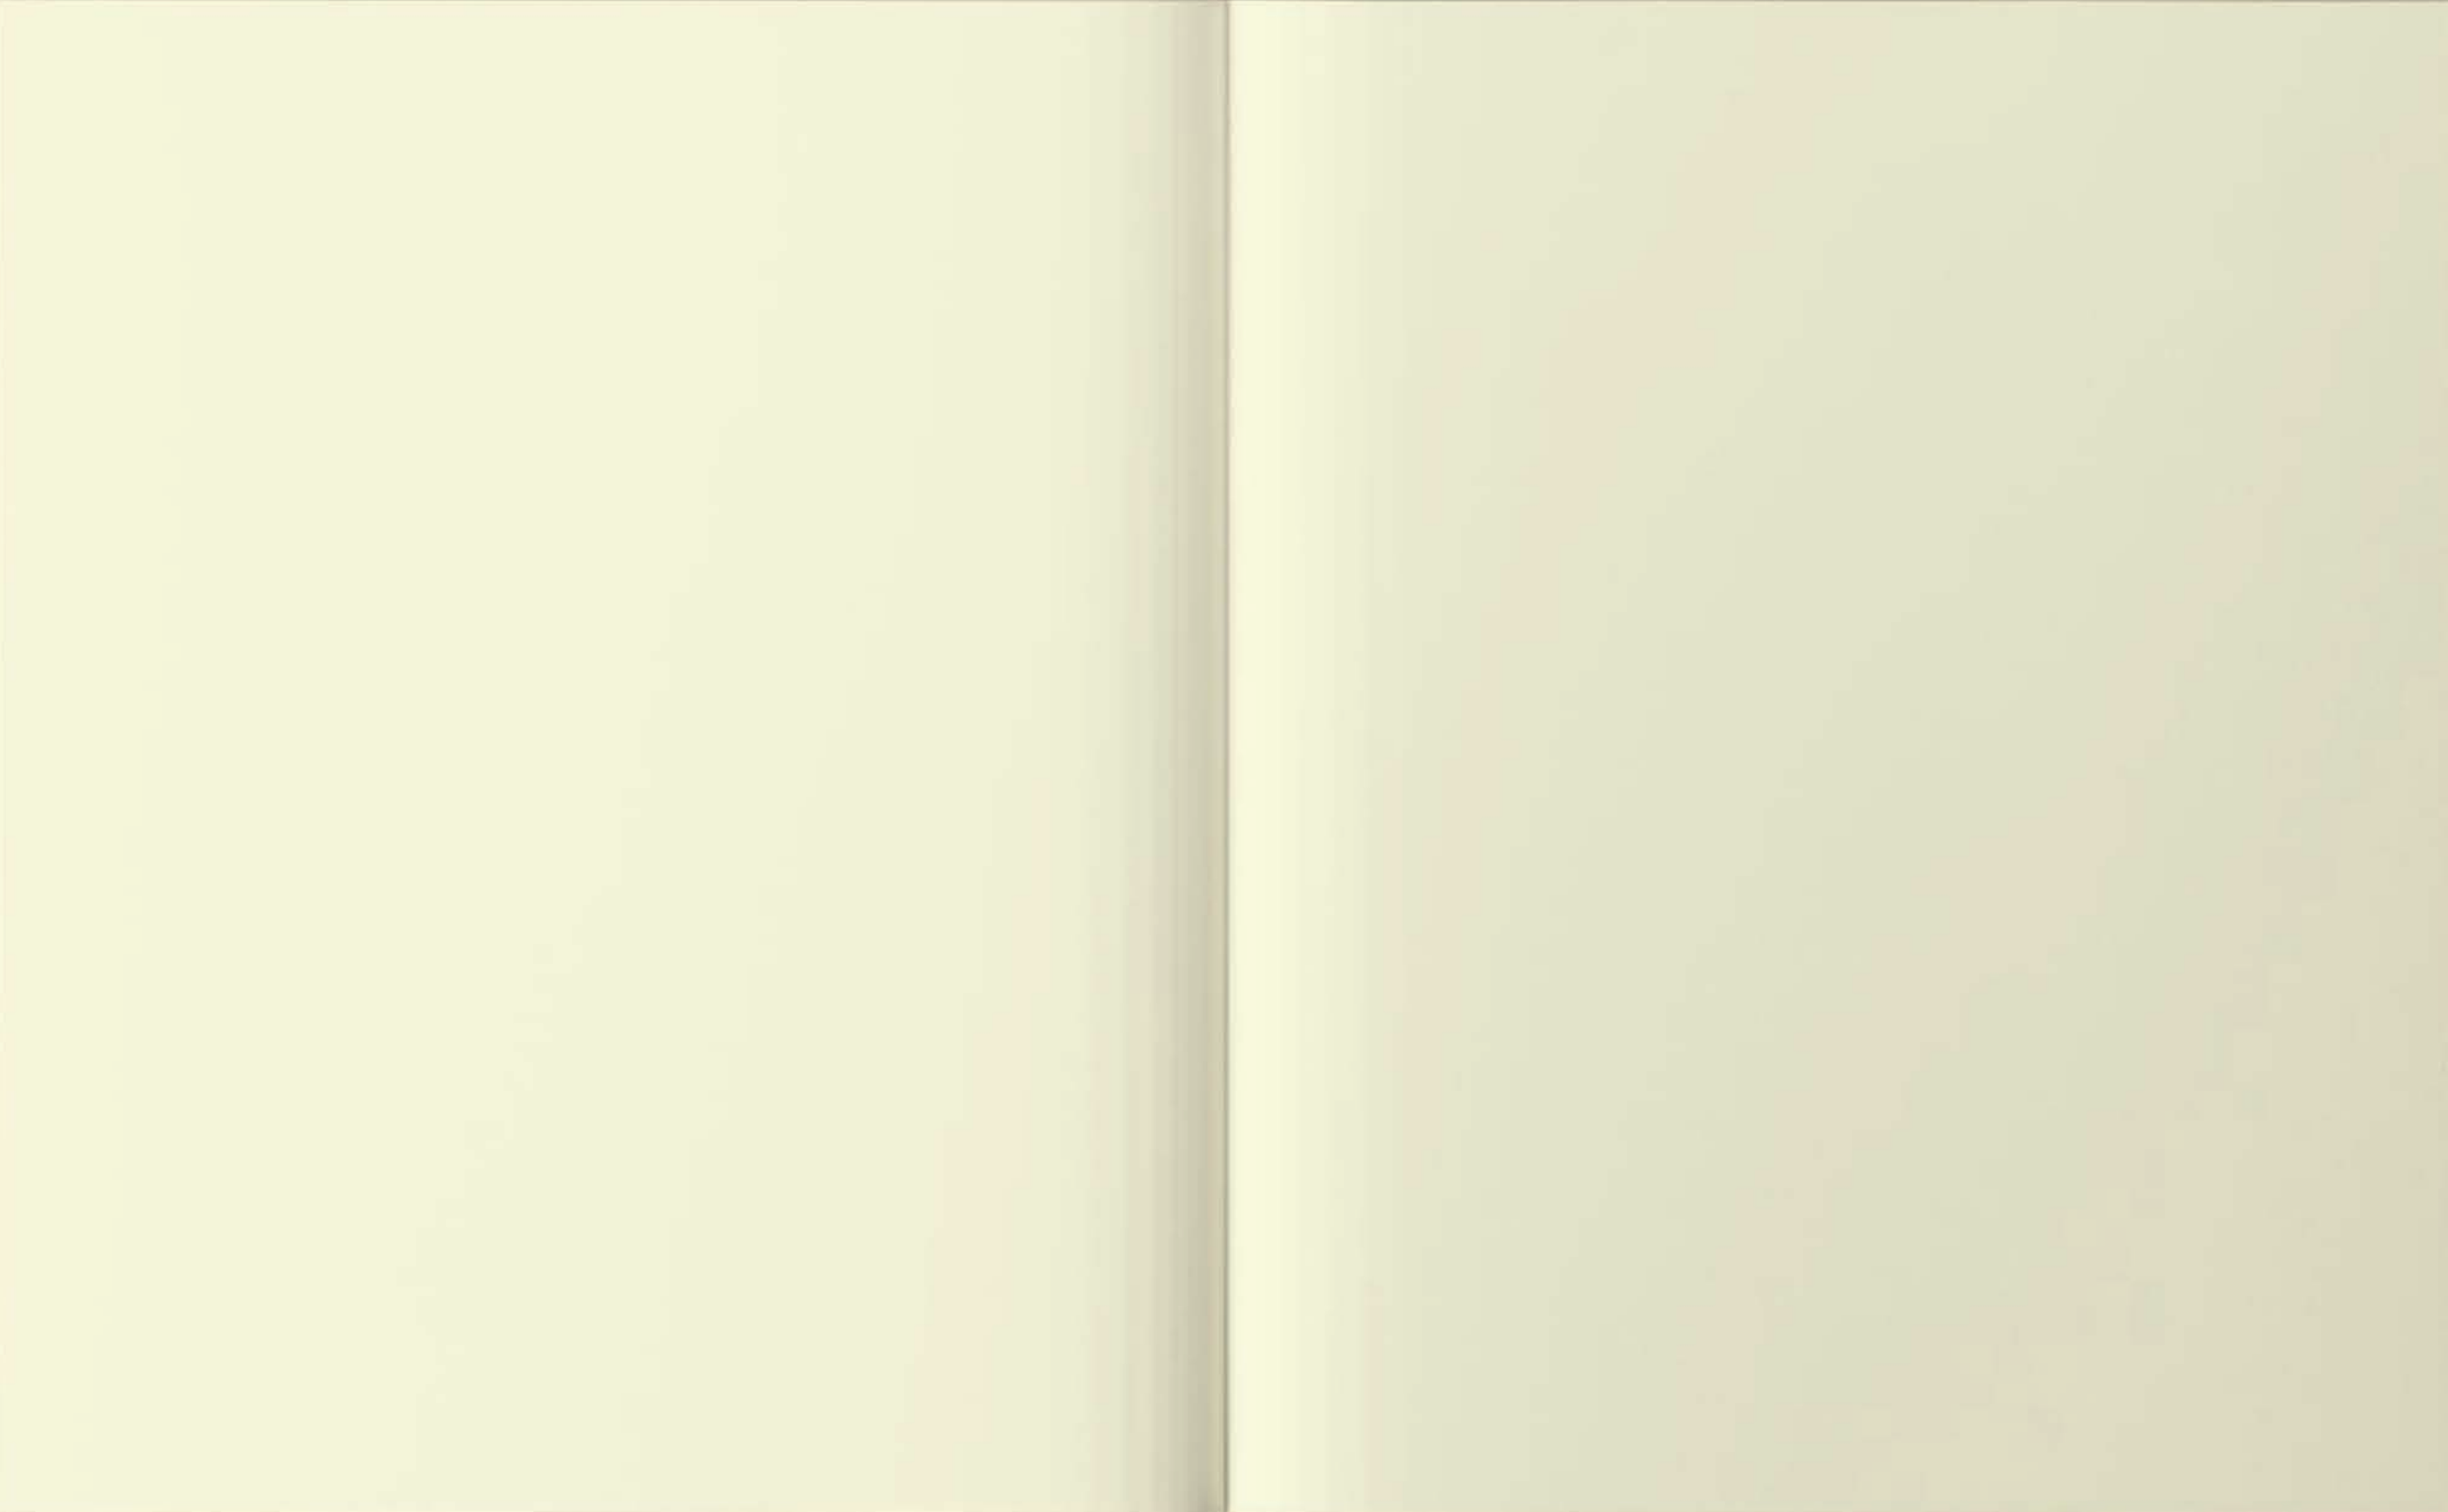

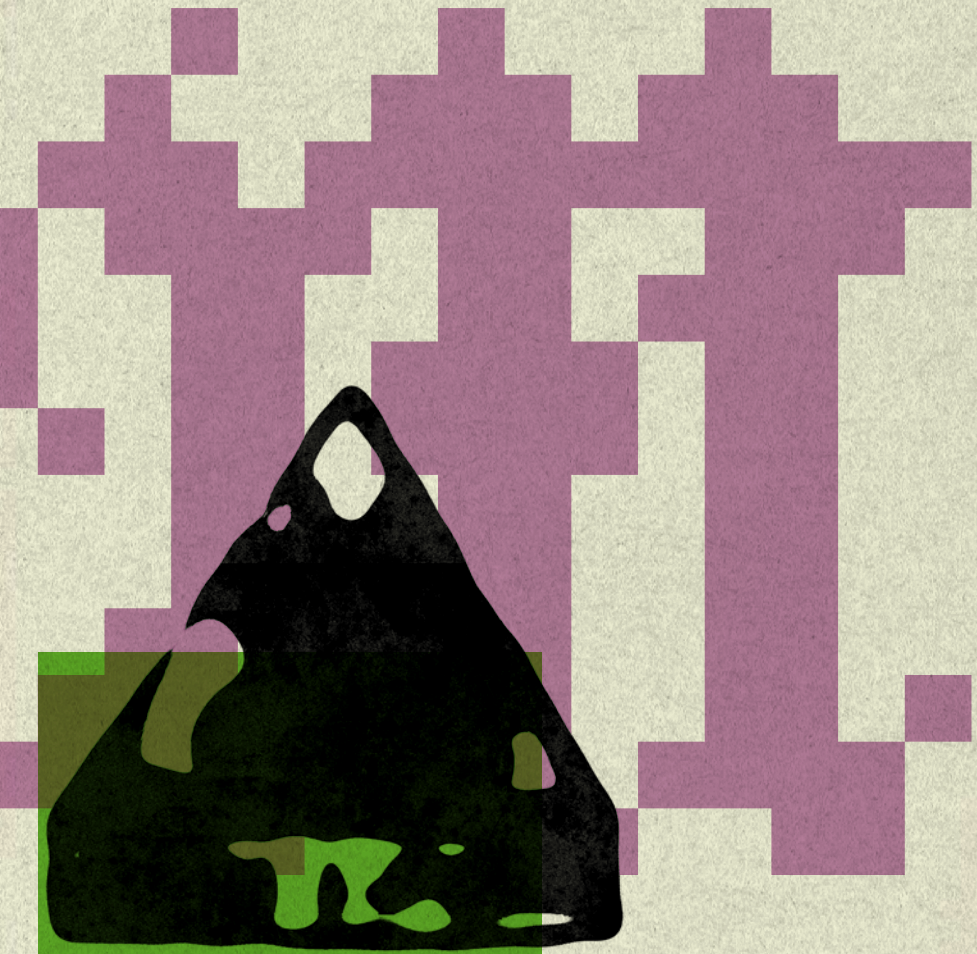

Cada uno es hijo de sus obras.
PROVERBIO SPAGNOLO

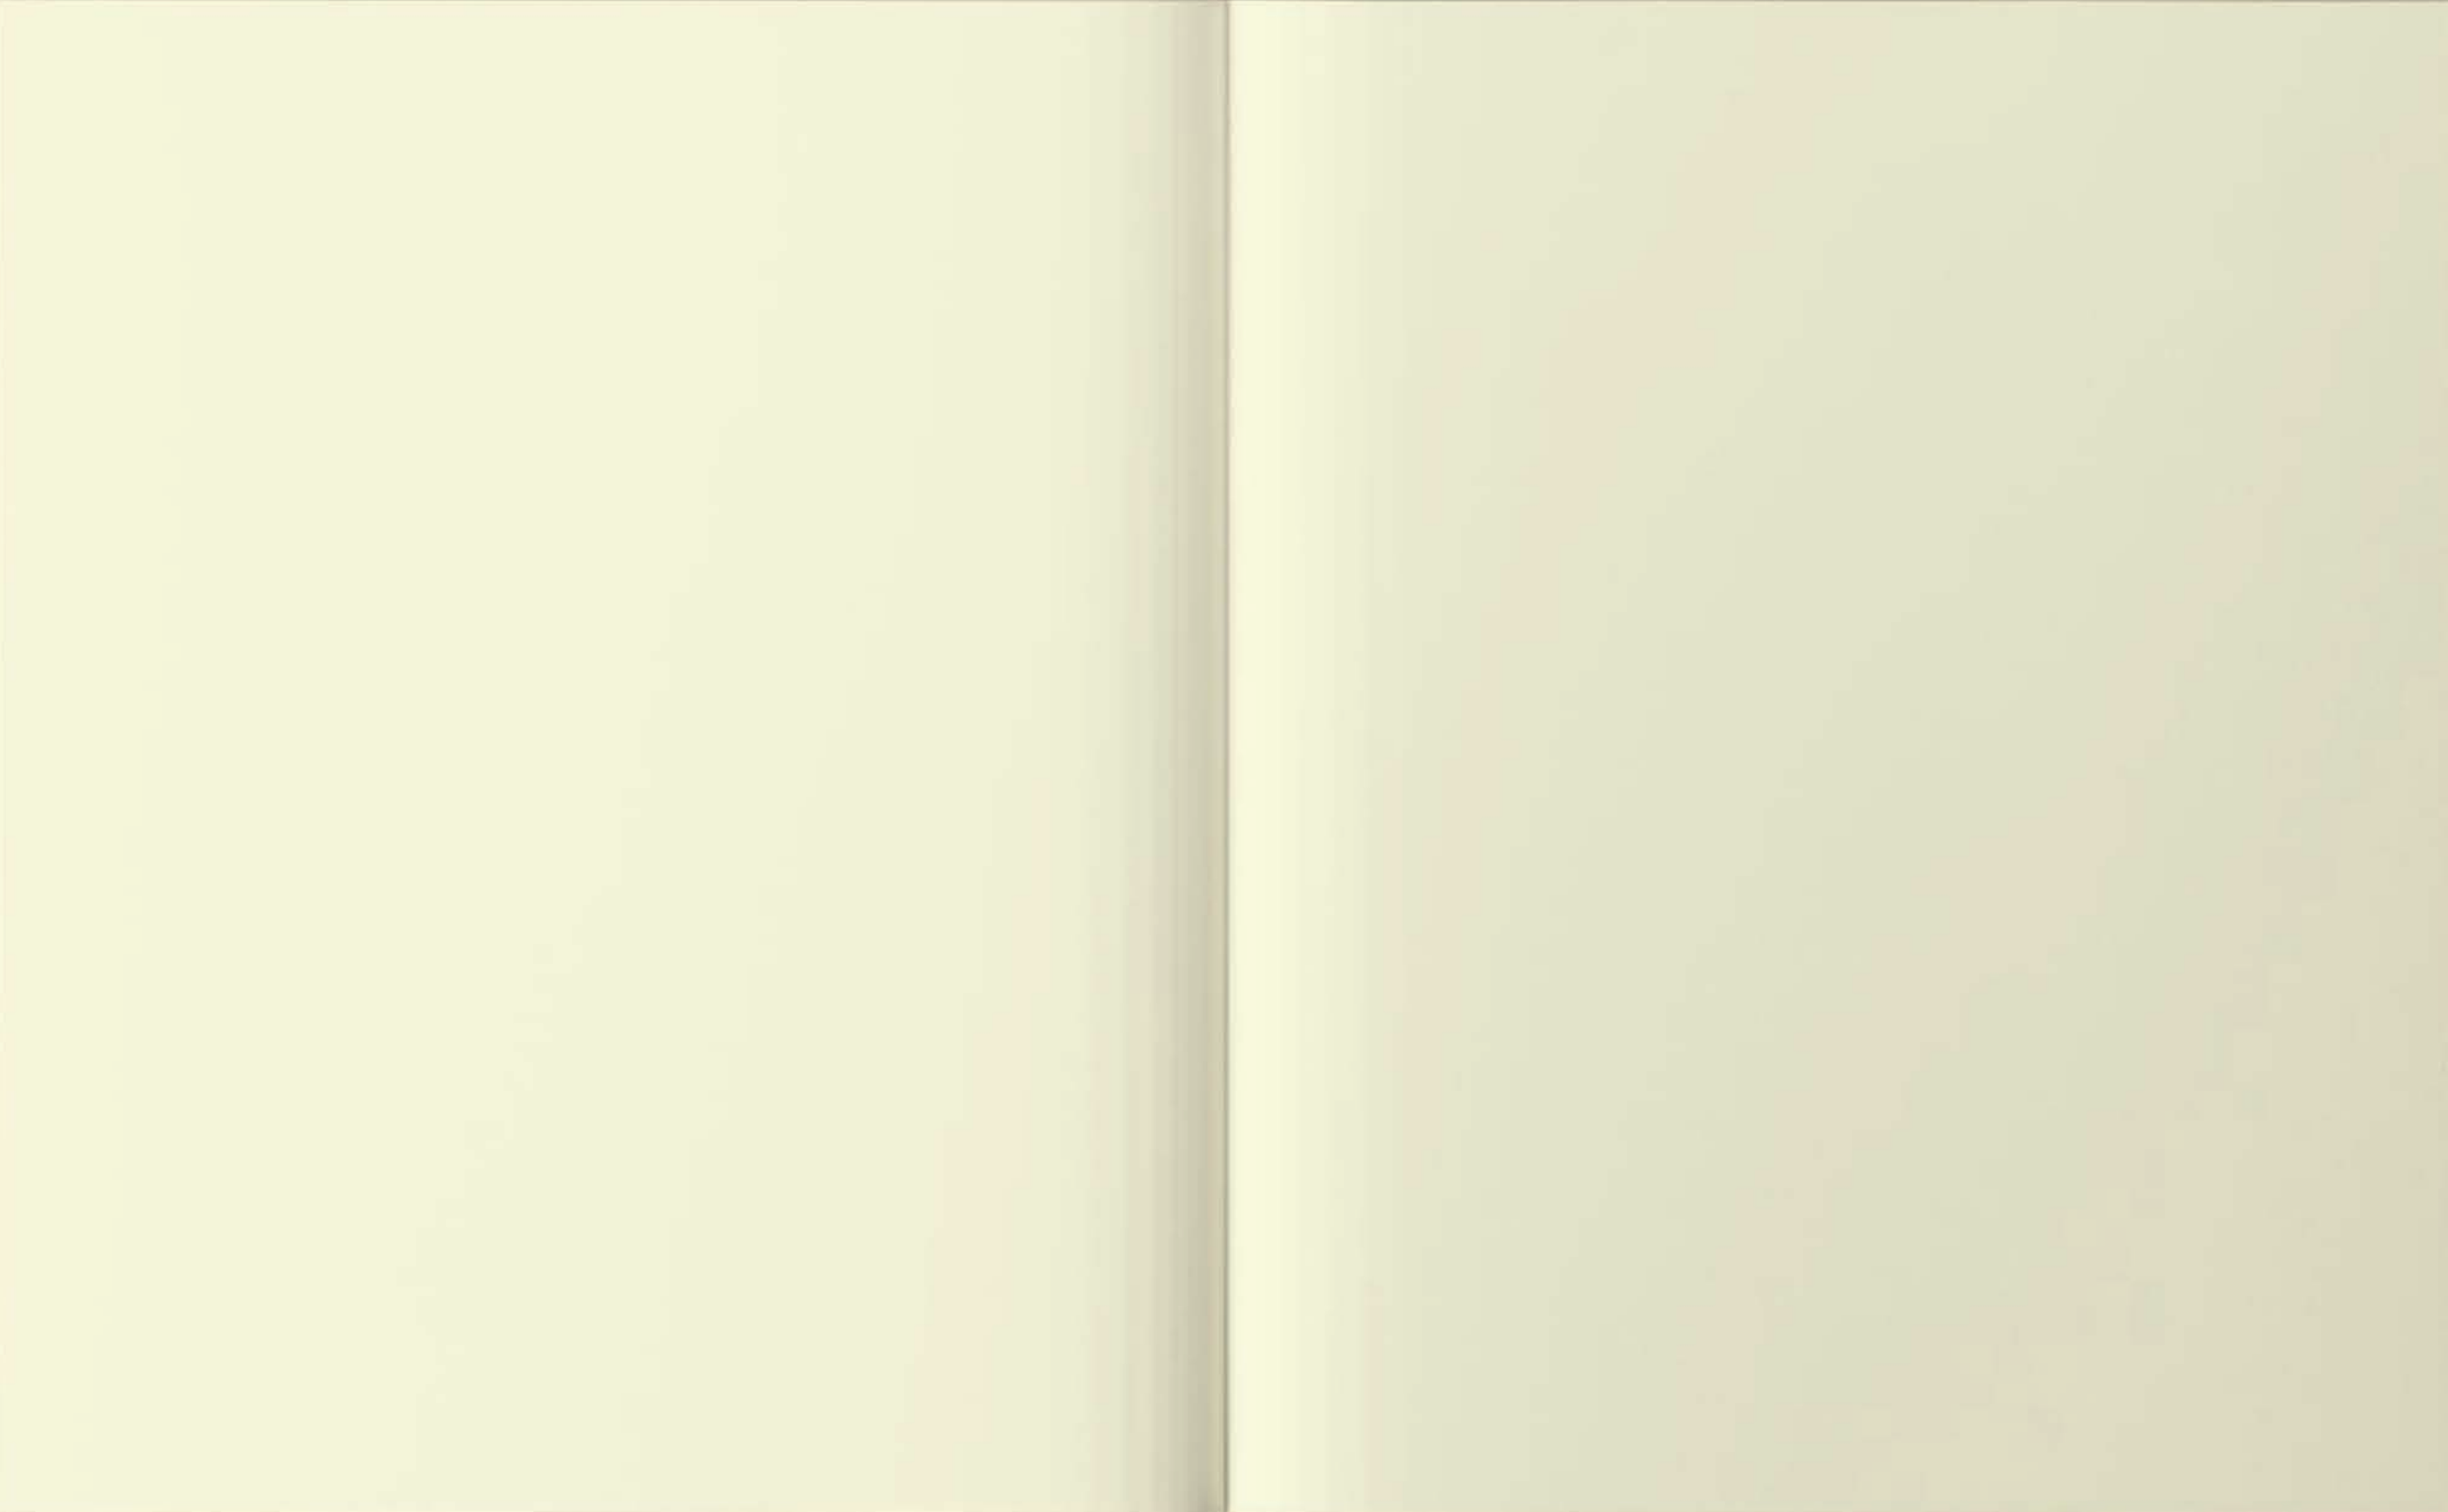

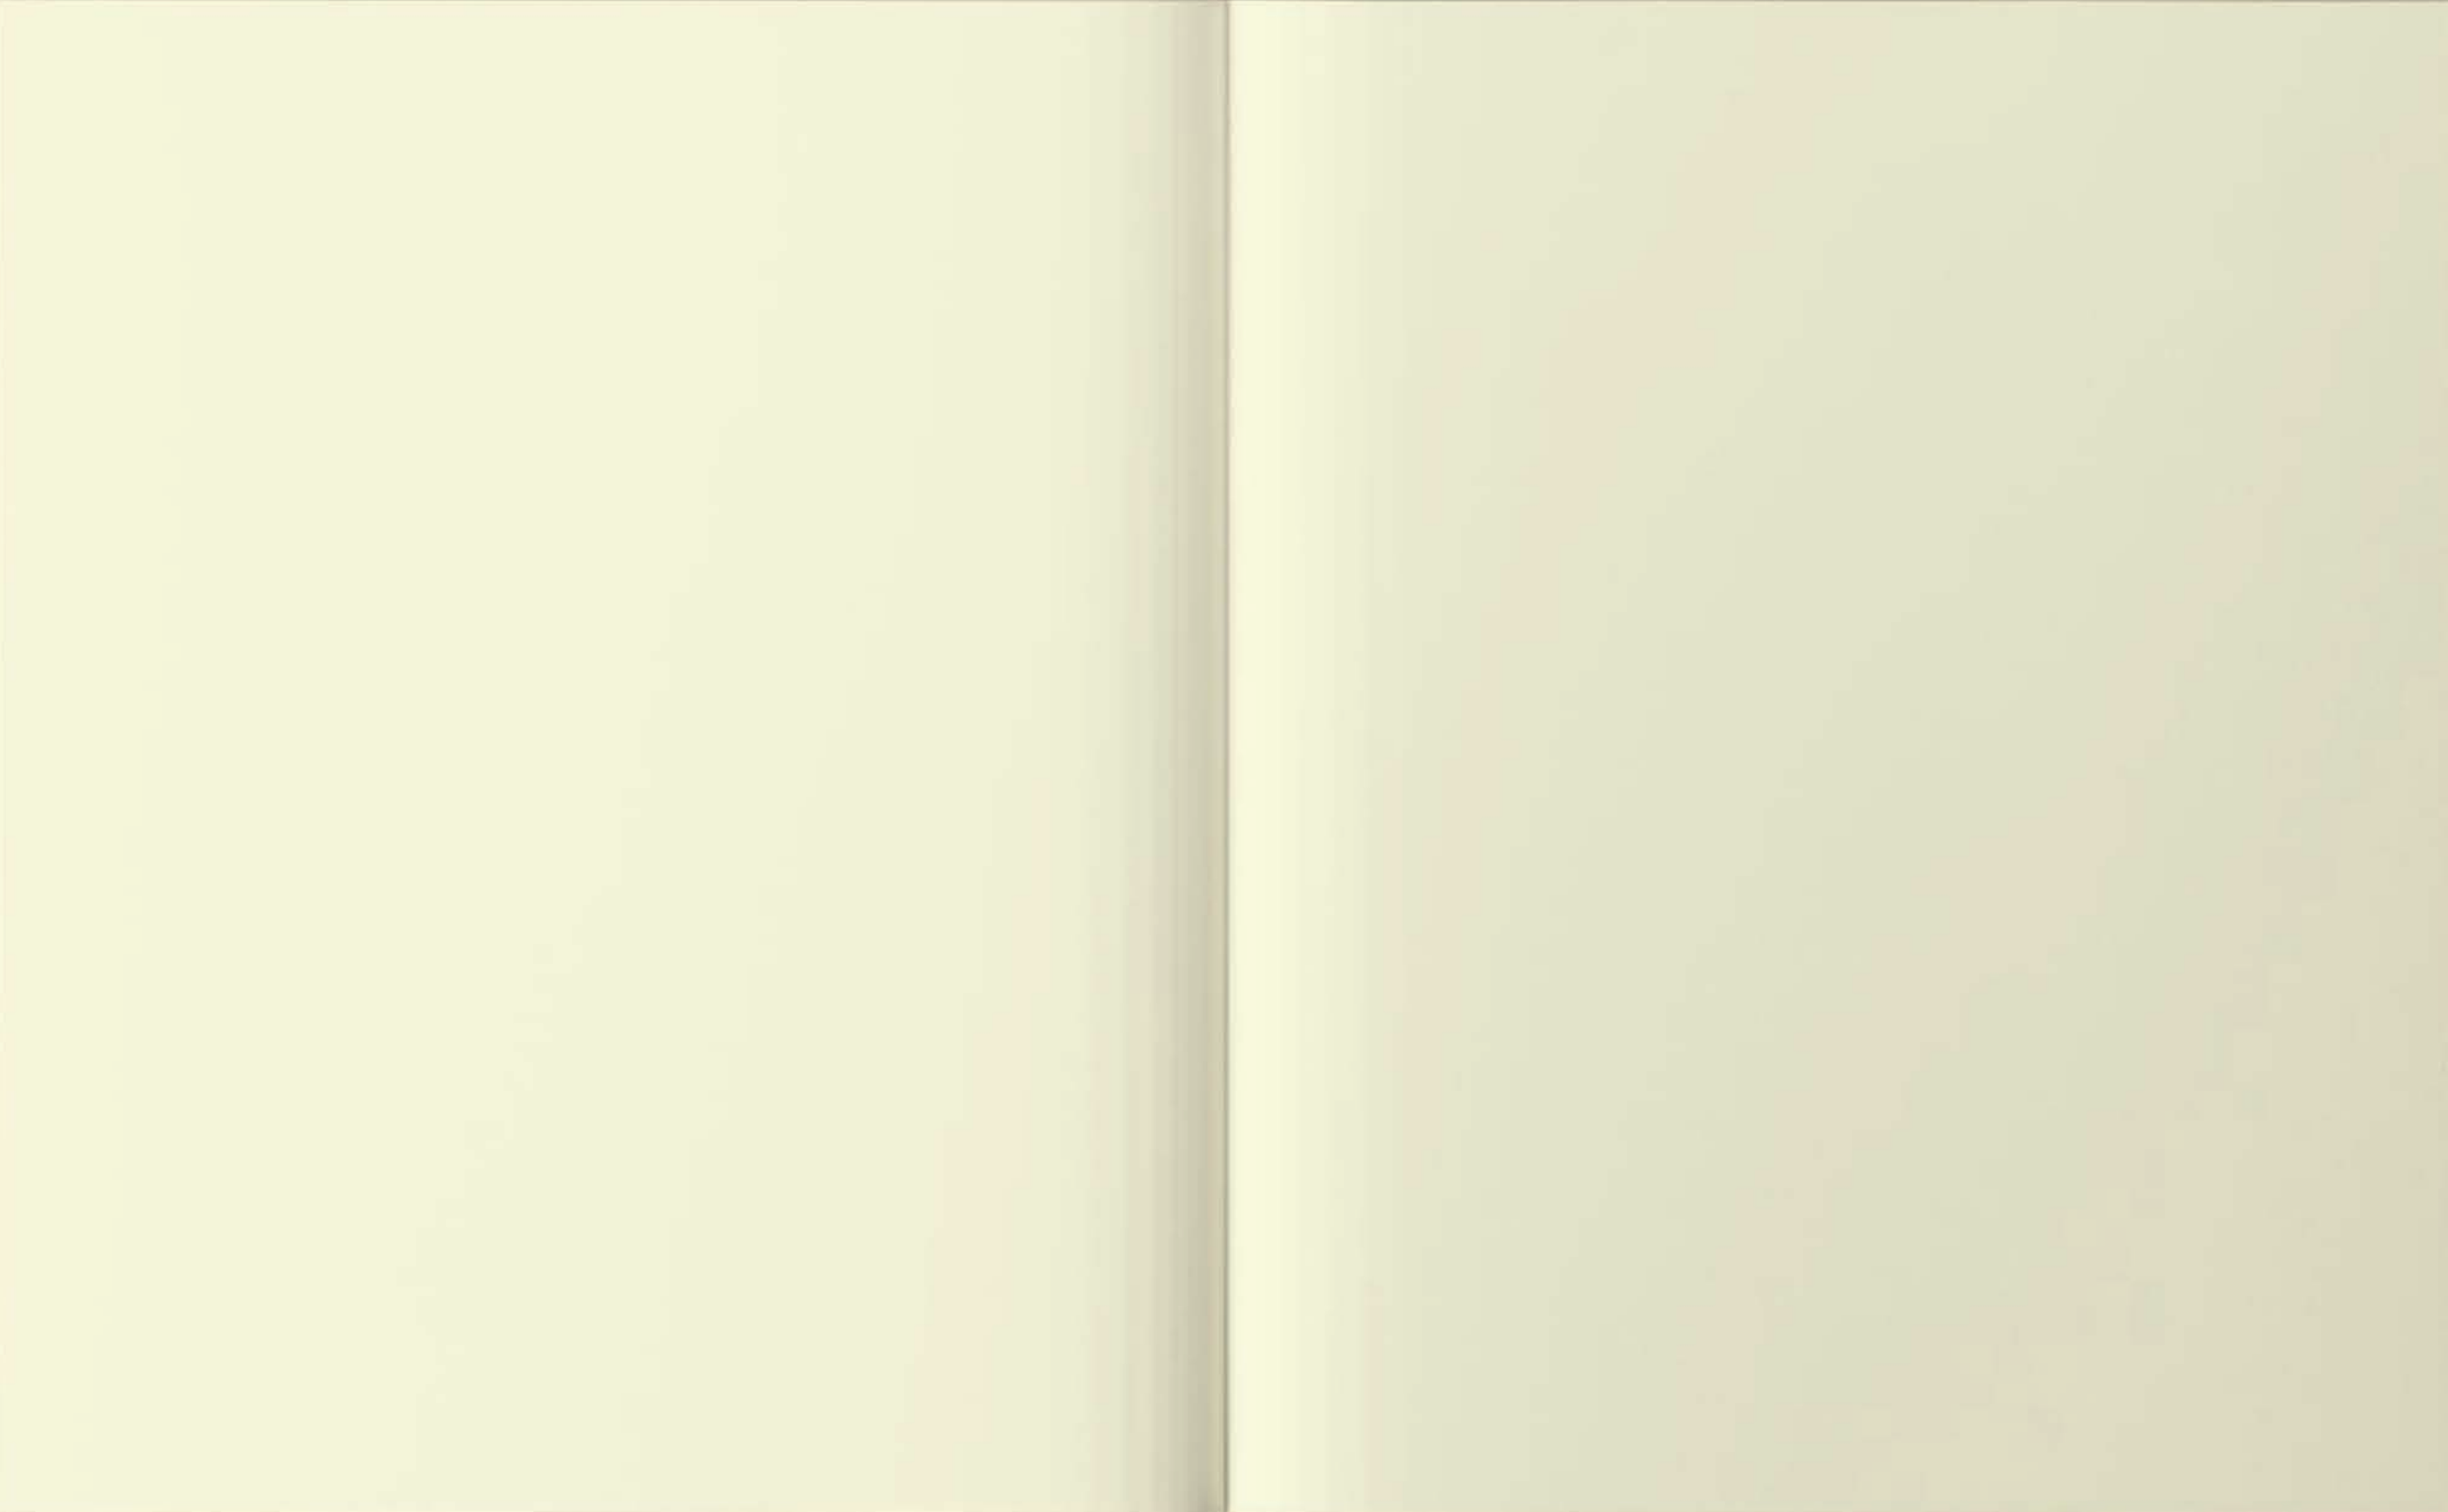

Ma il libro di natura
Ha l'entrata e l'uscita:
Tocca a loro la vita,
E a noi la sepoltura.

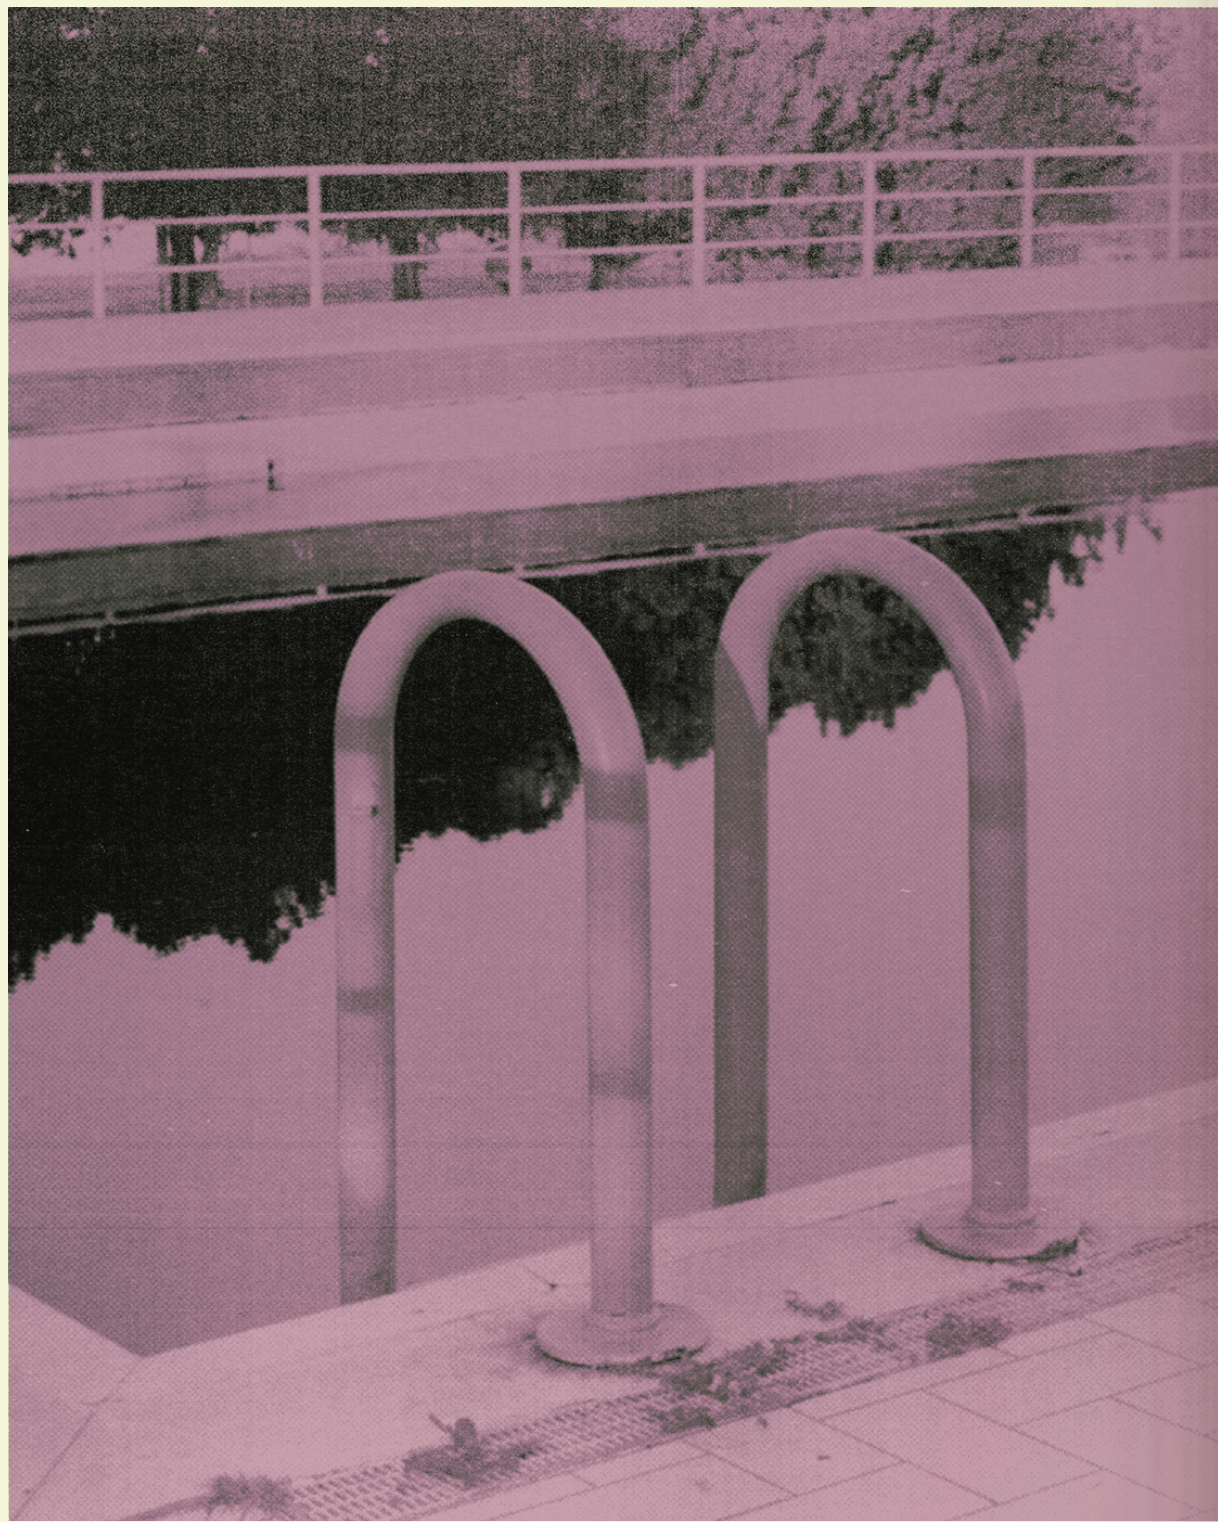

(G. GIUSTI, *La terra dei morti*, str. 12).

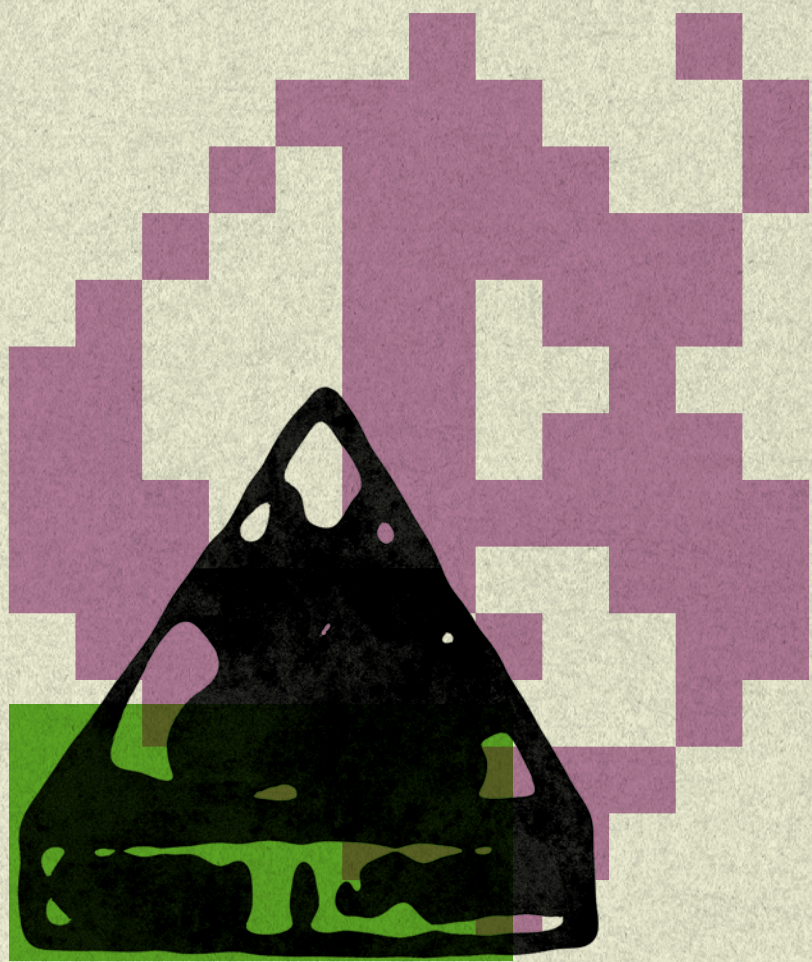

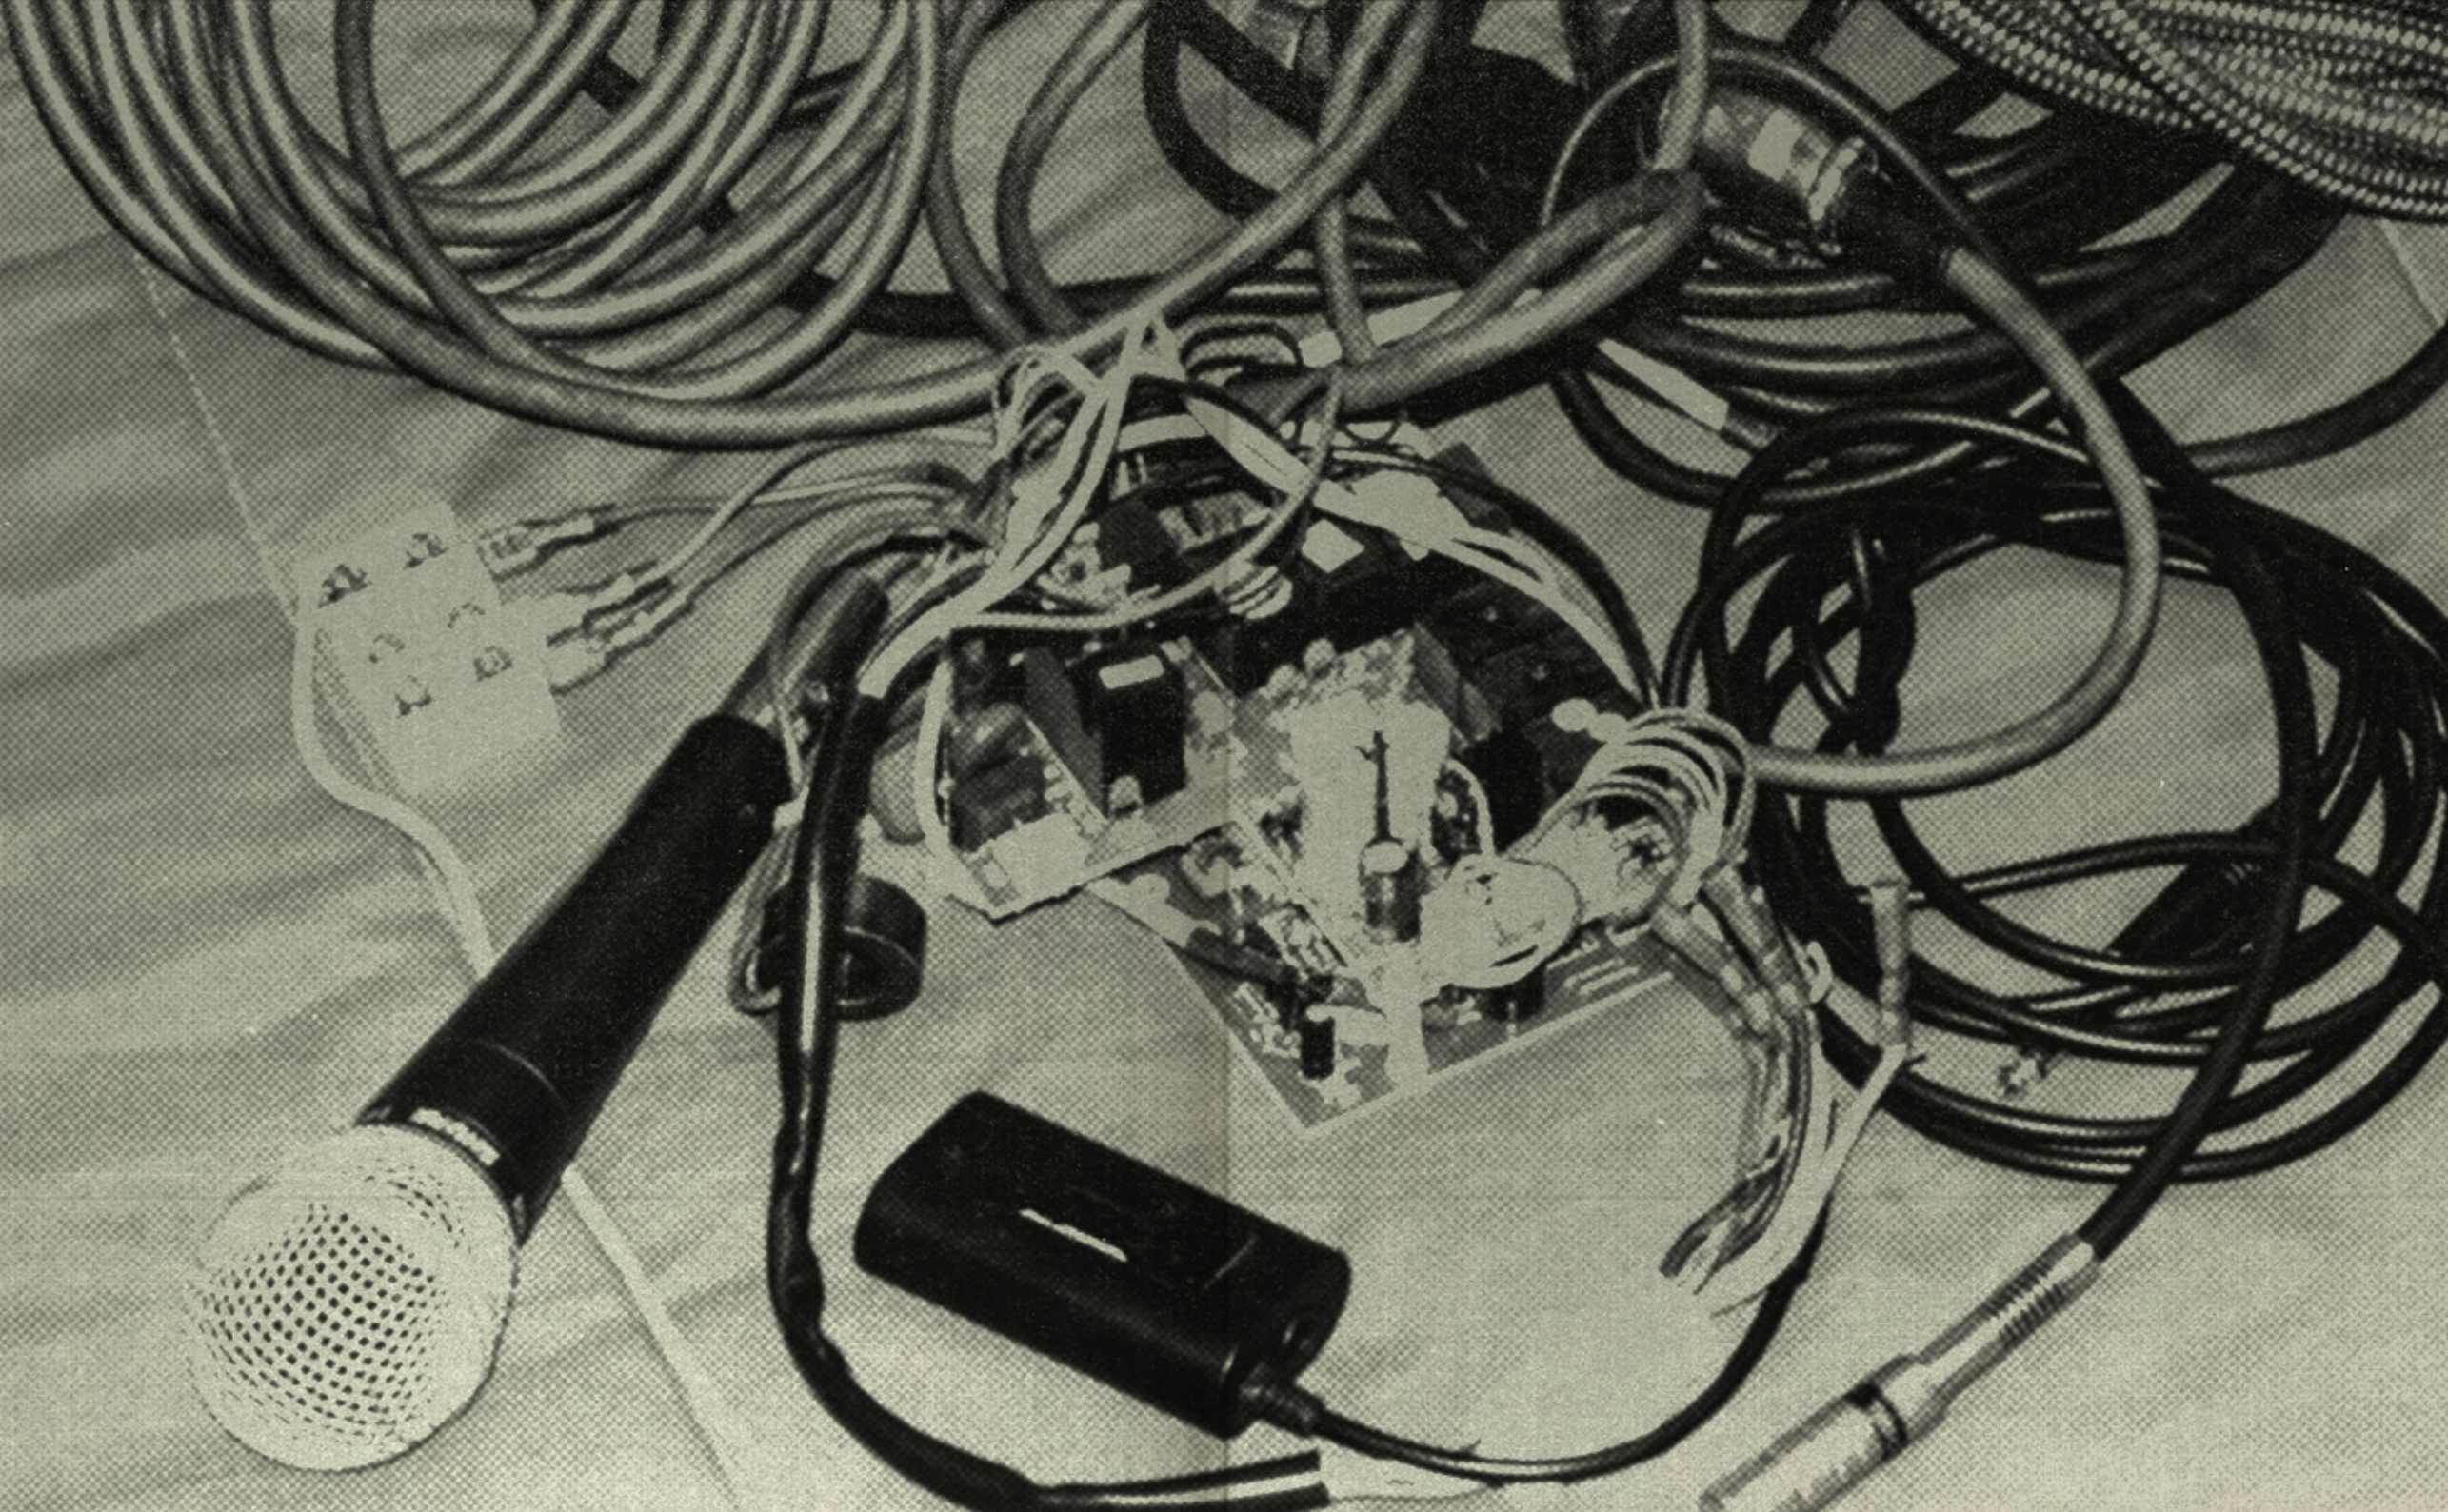

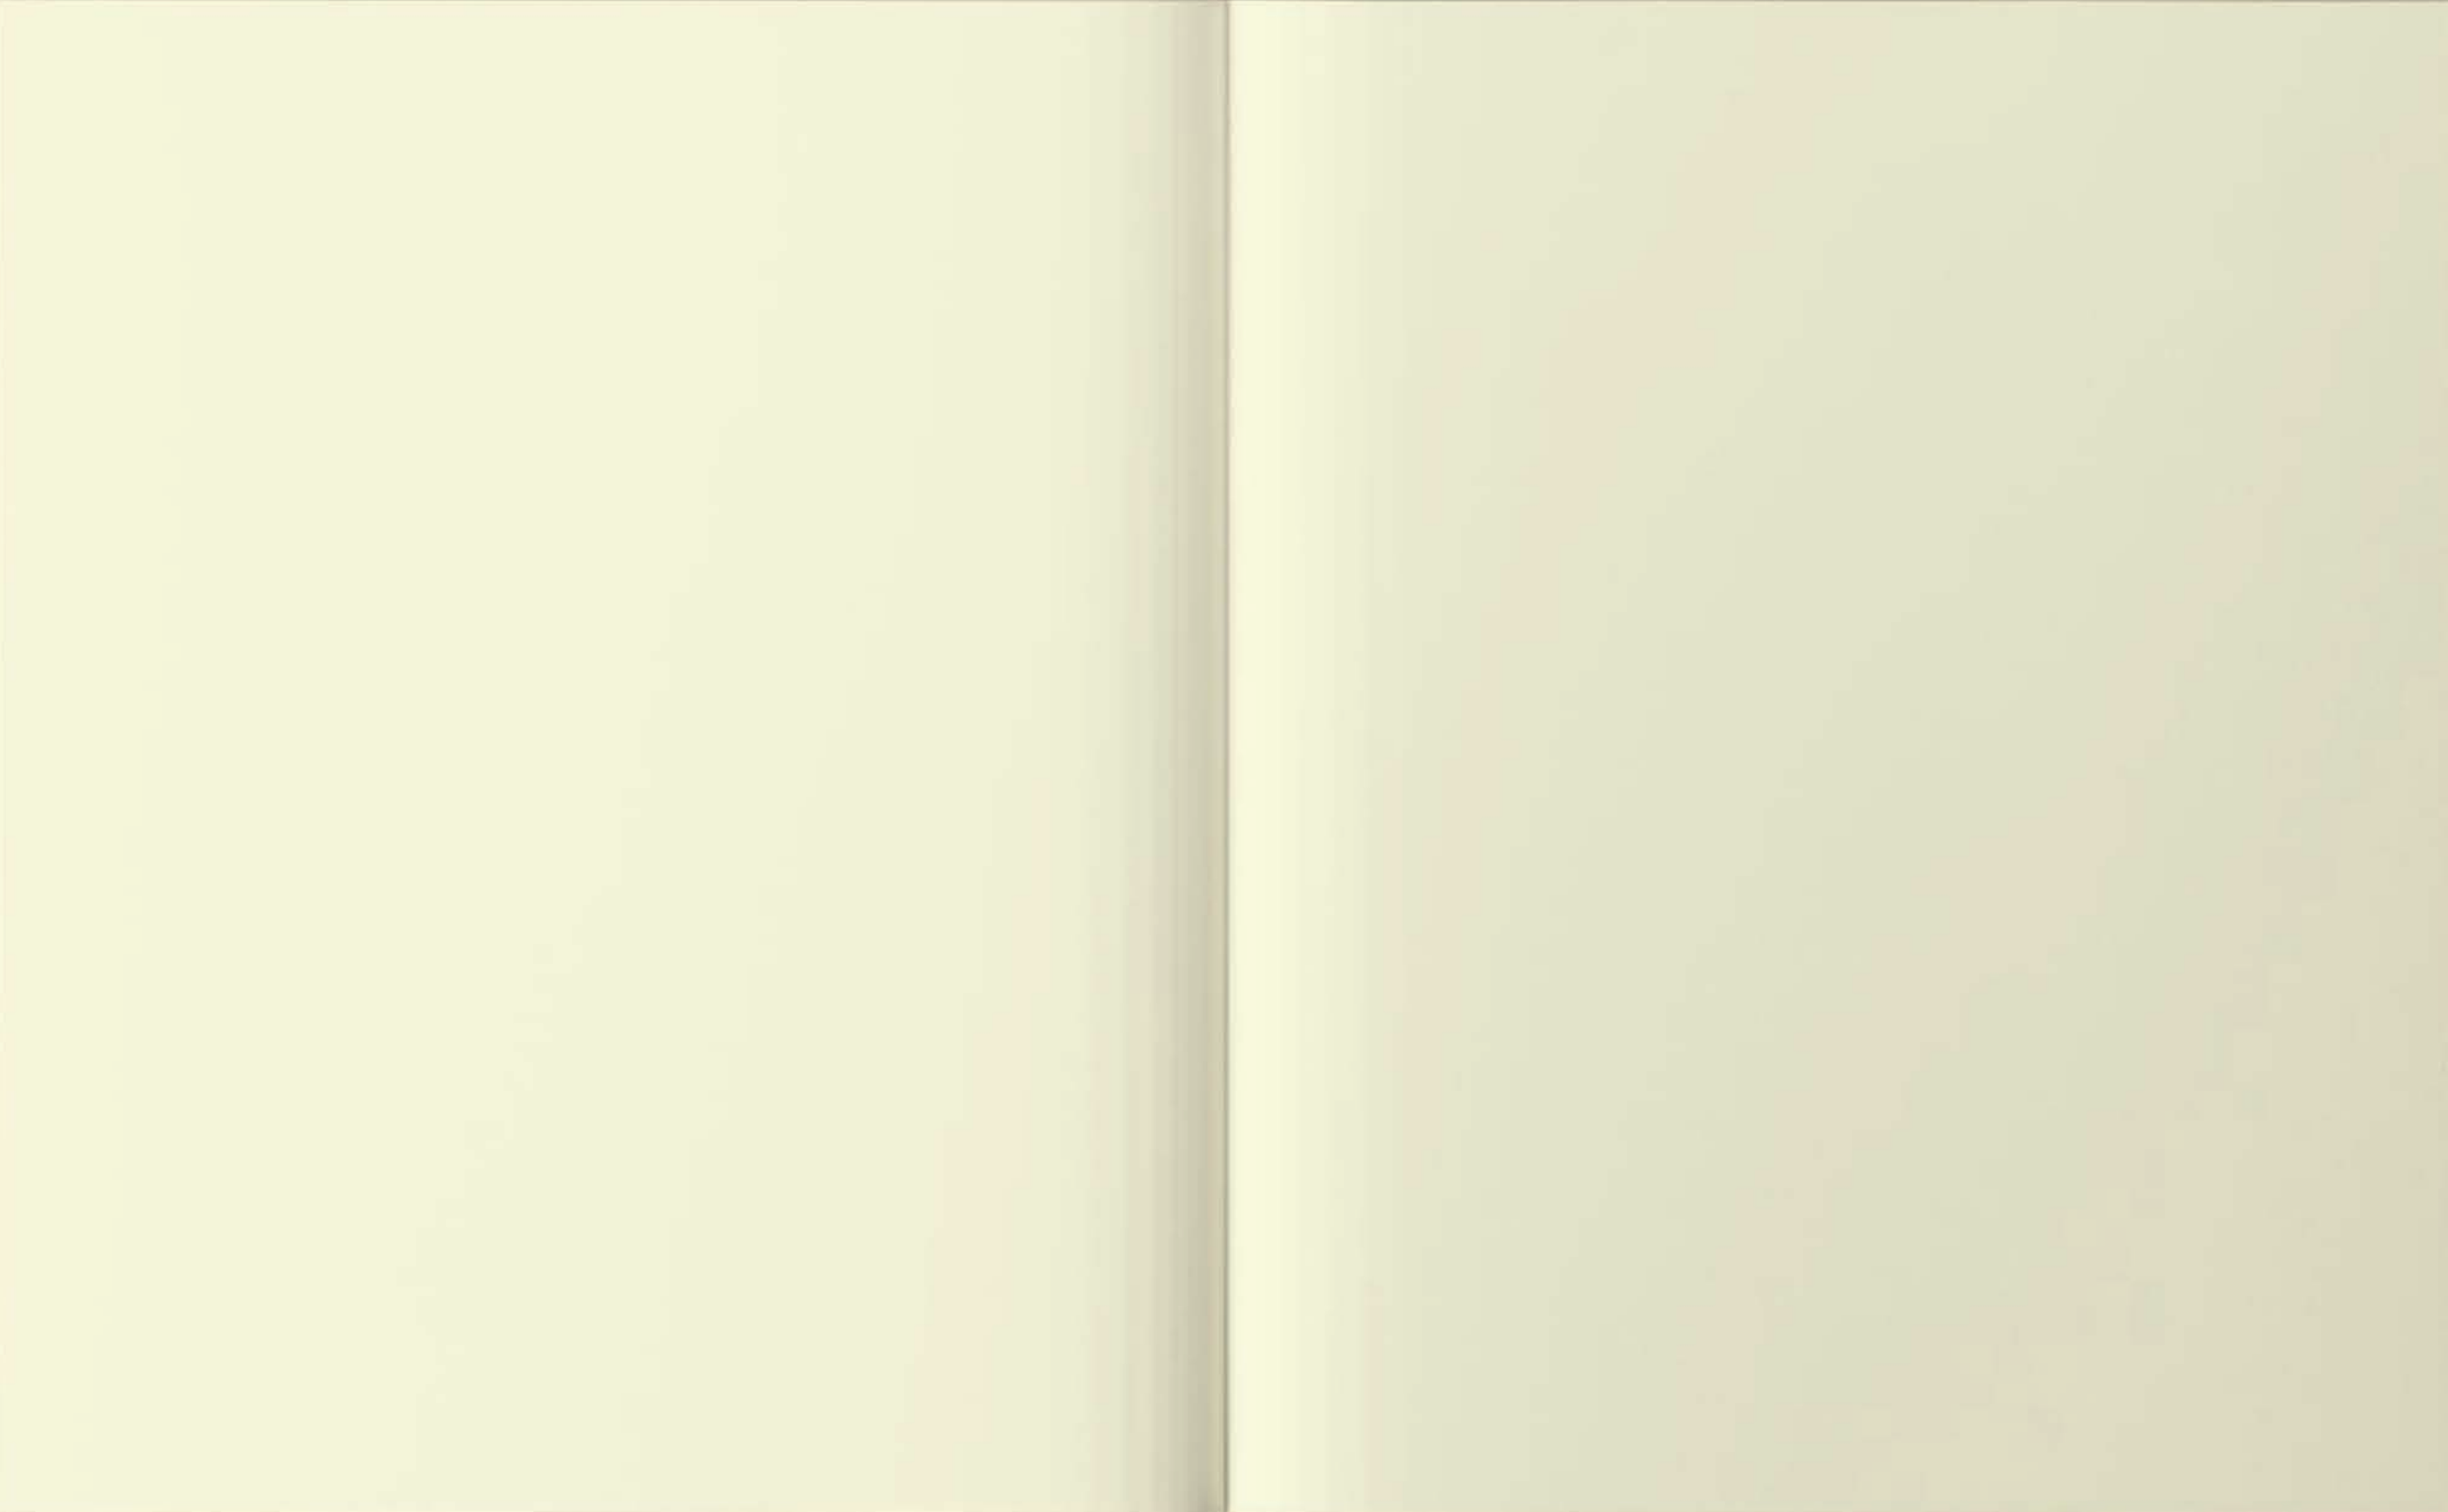

Tristis eris si solus eris...
(OVIDIO, *Remedia Amoris*, v. 583).

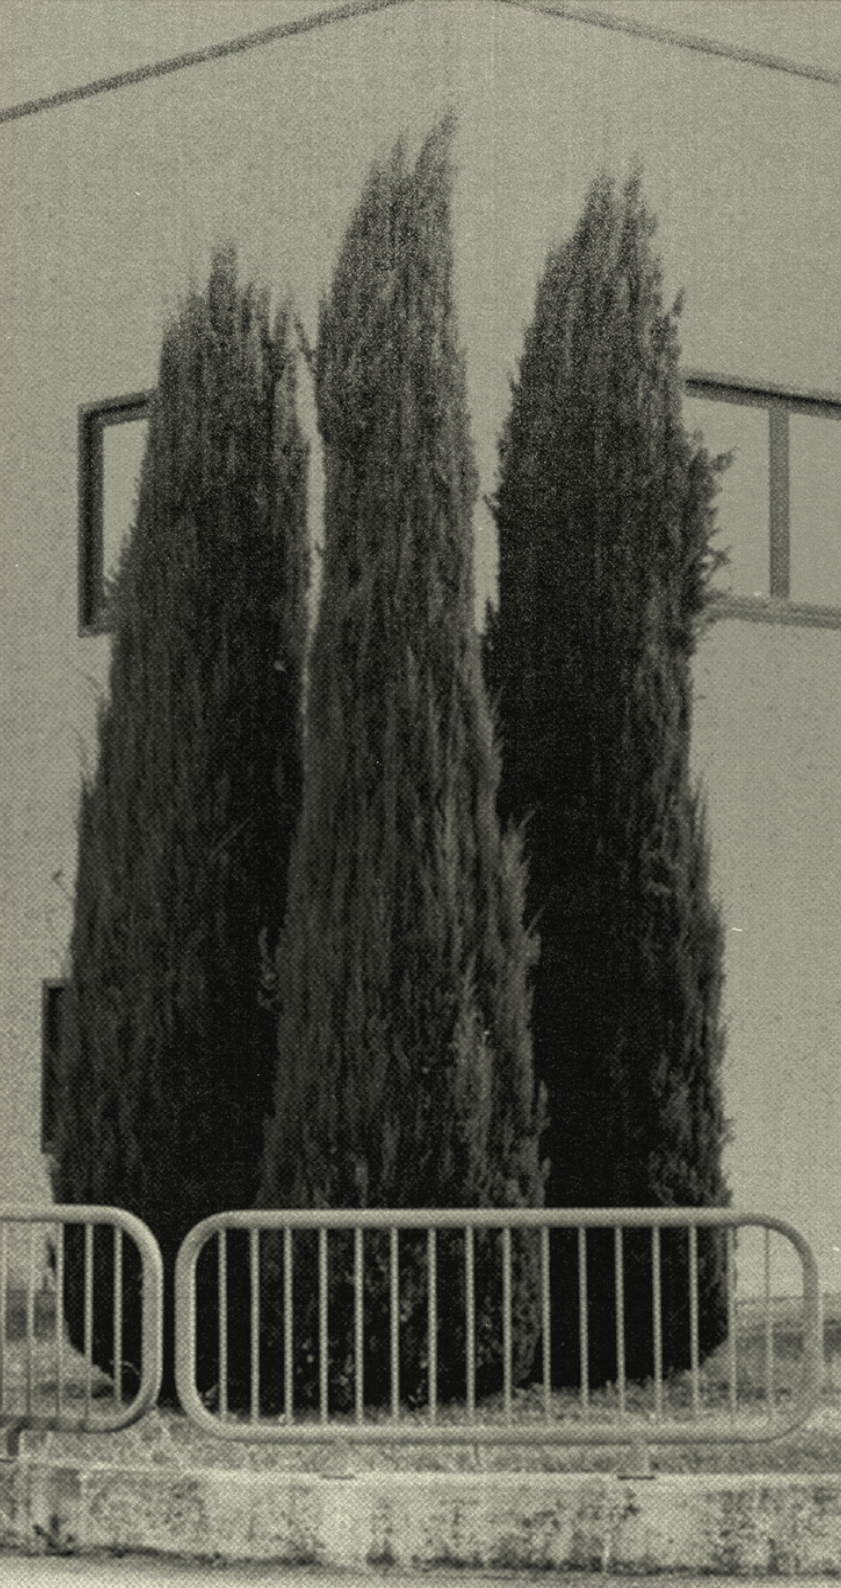

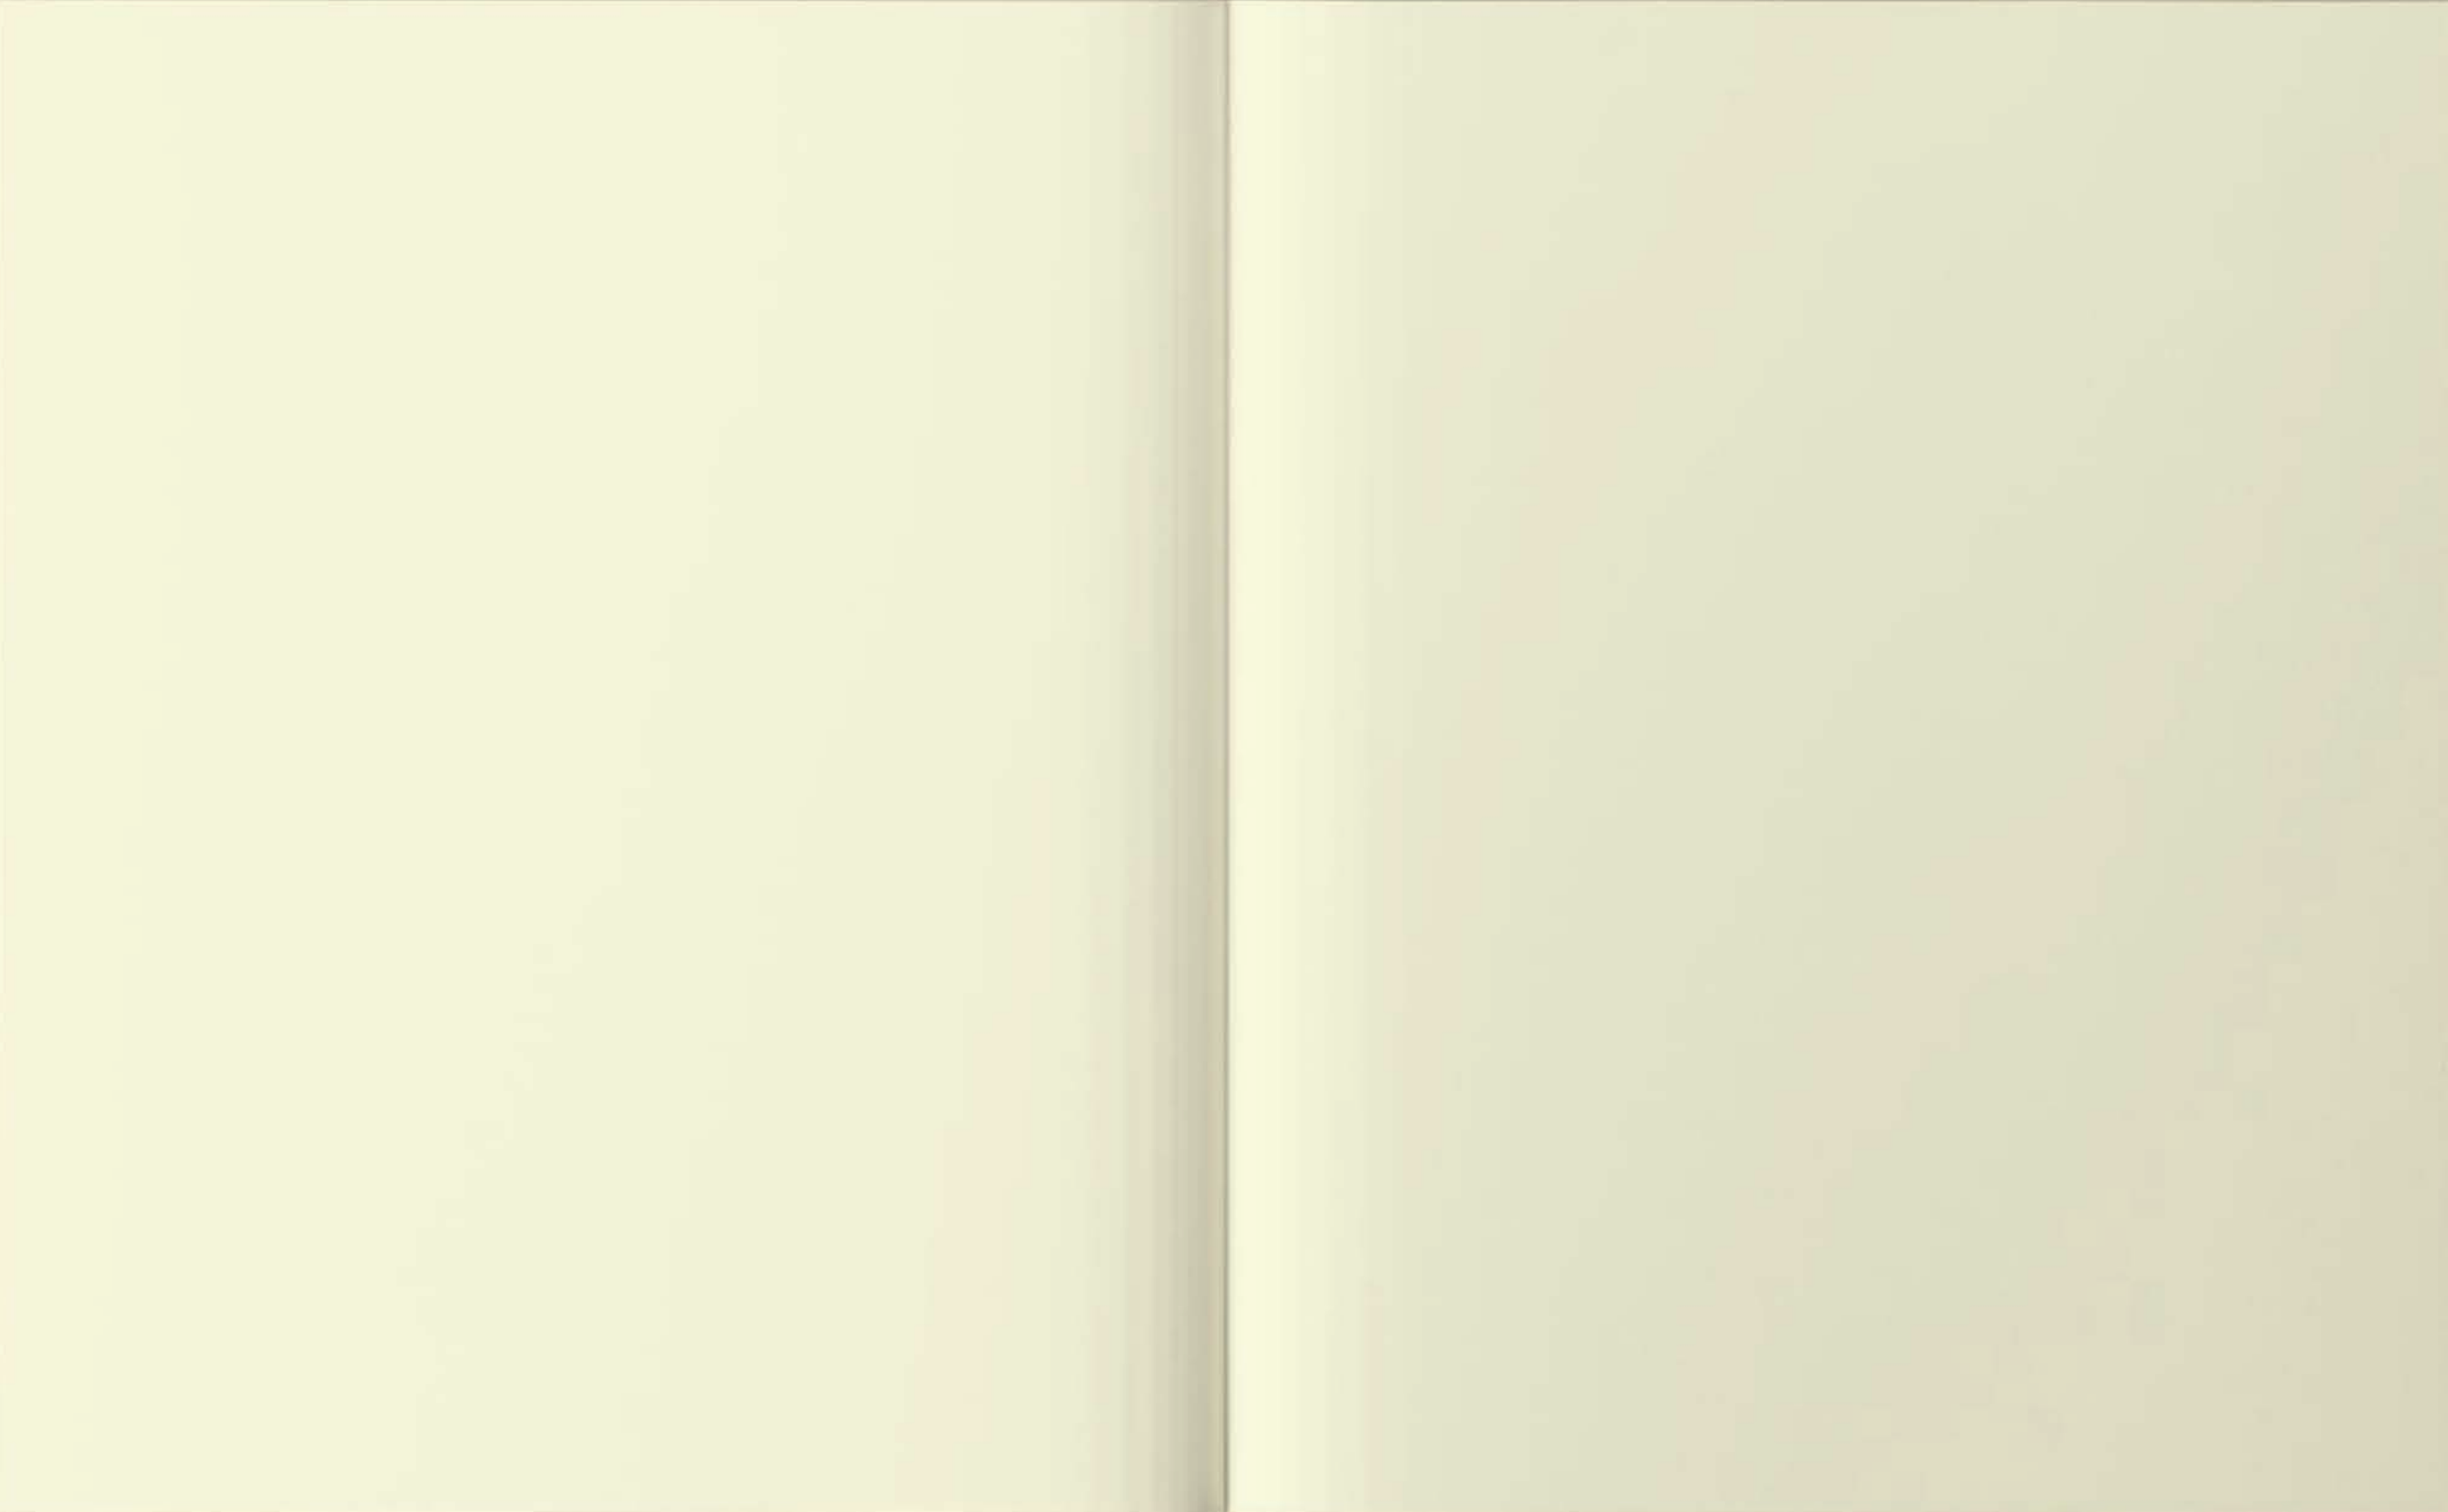

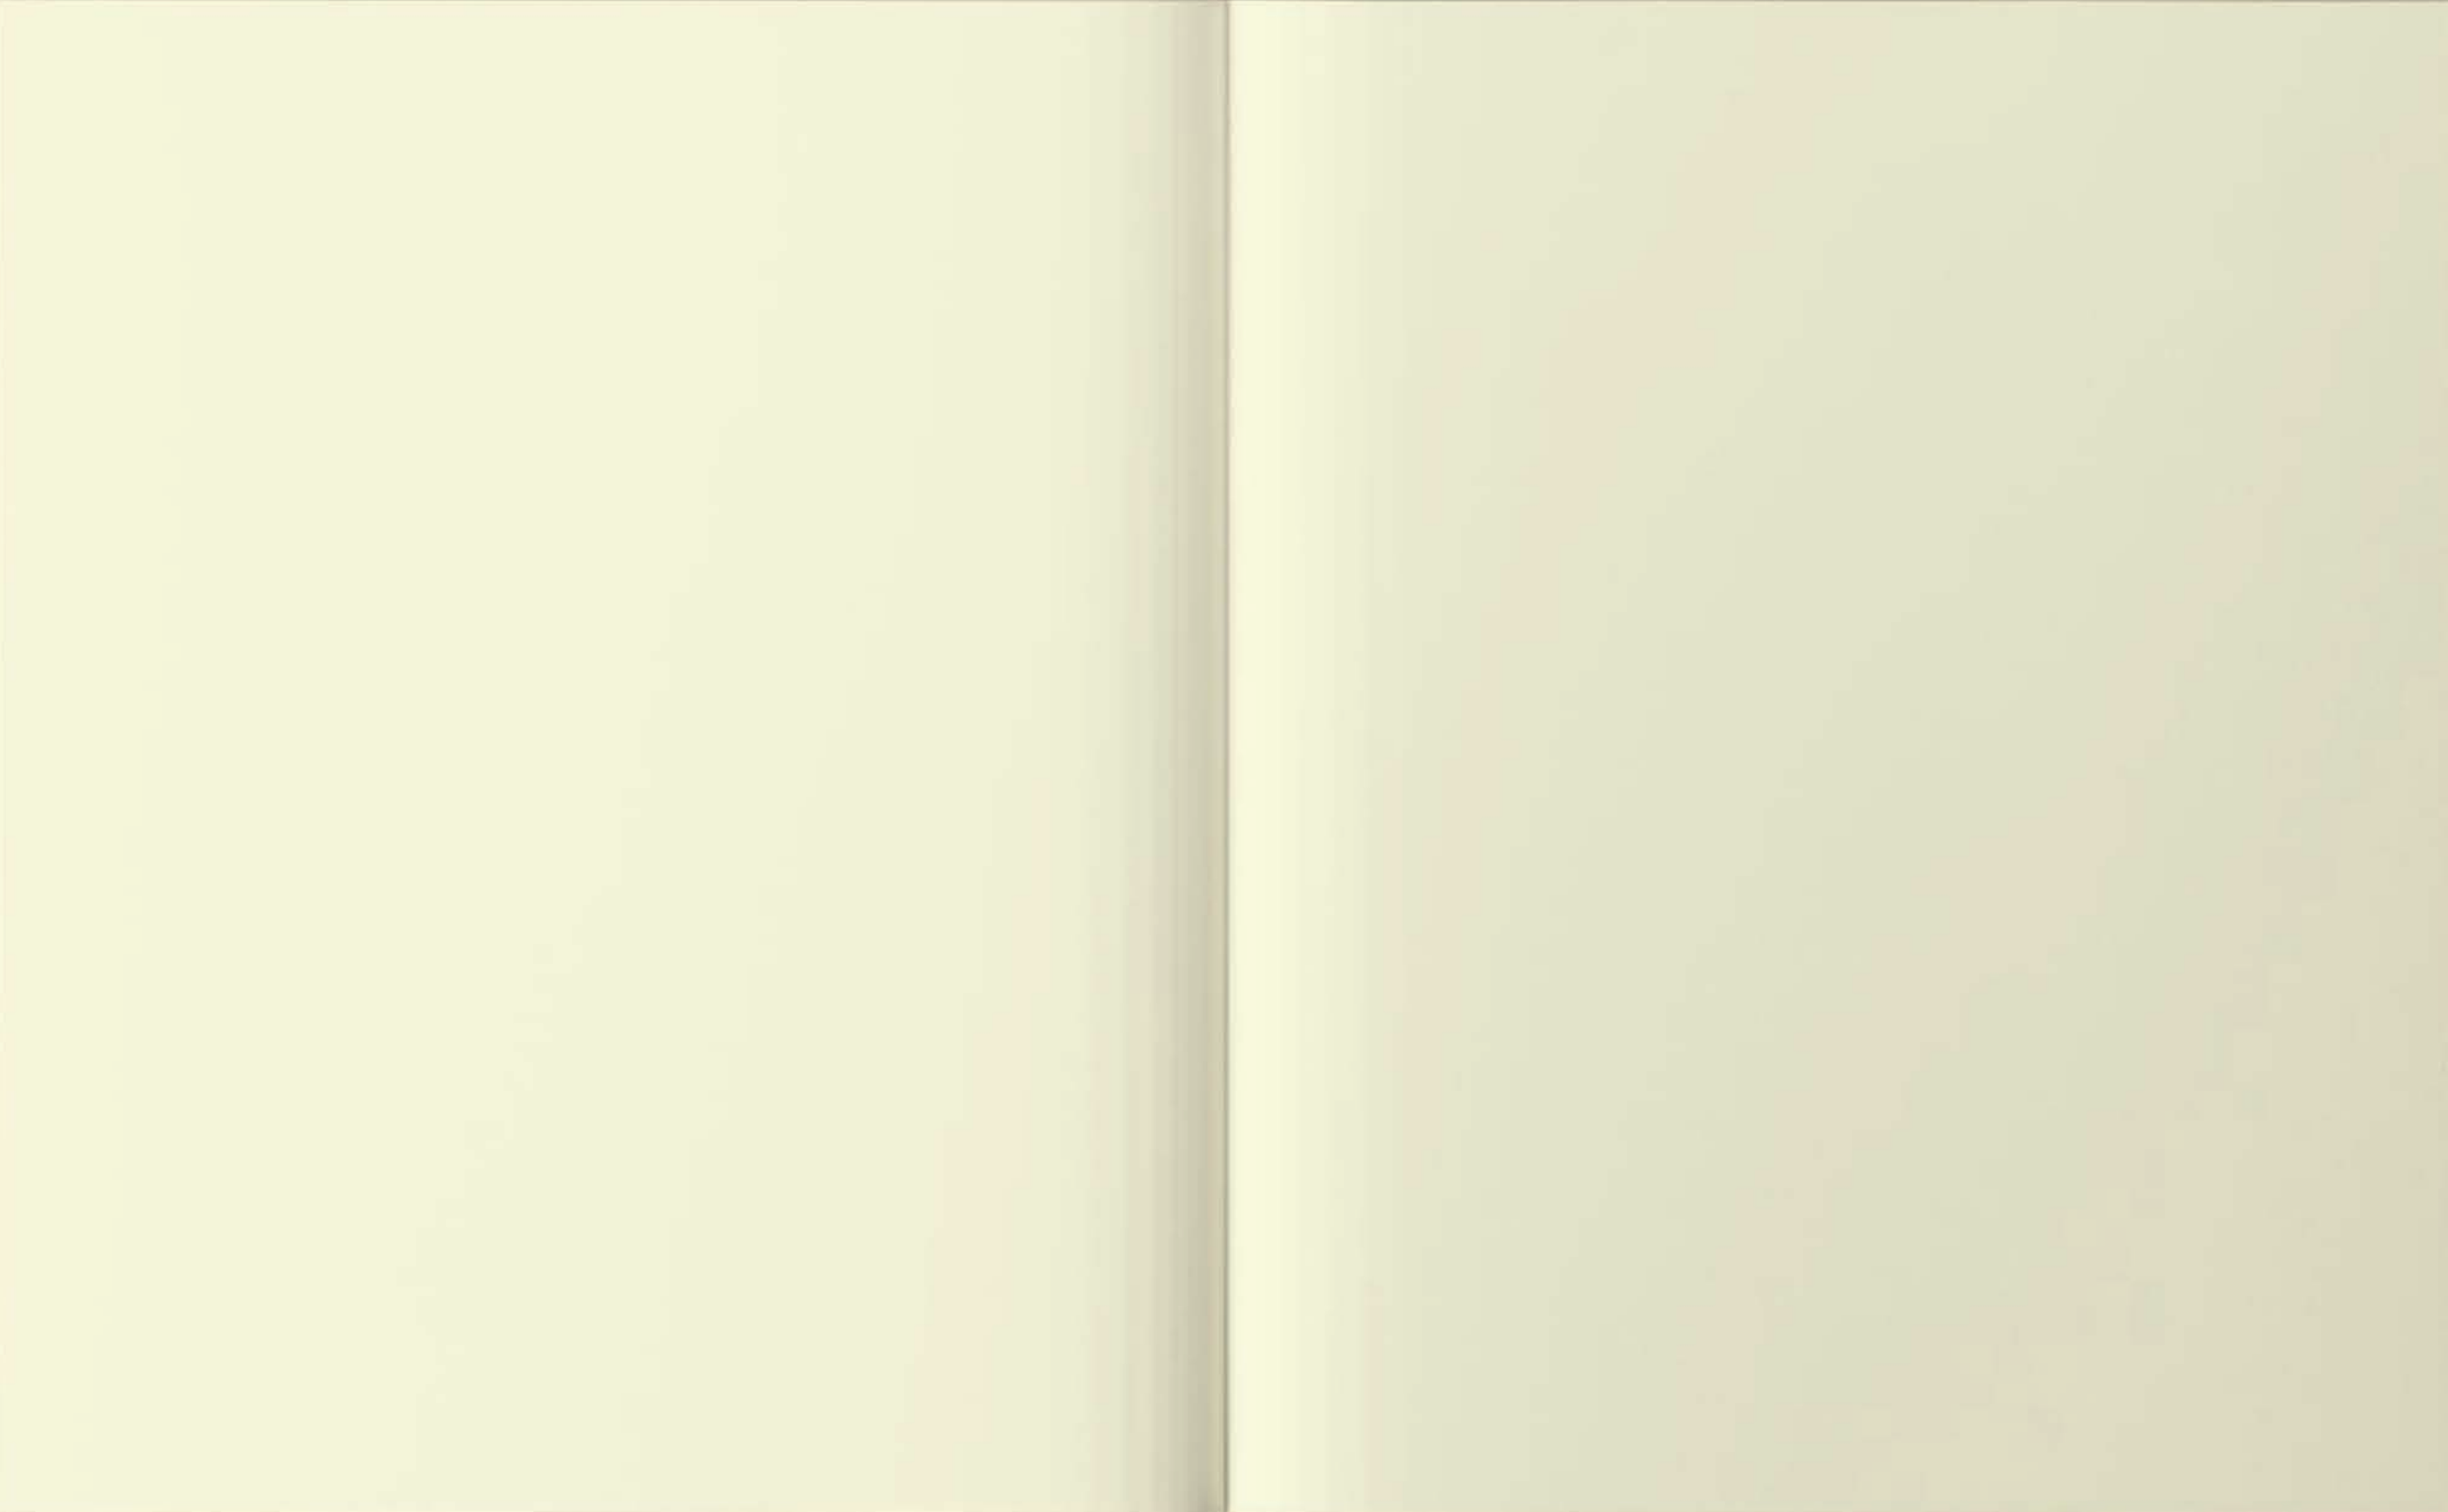

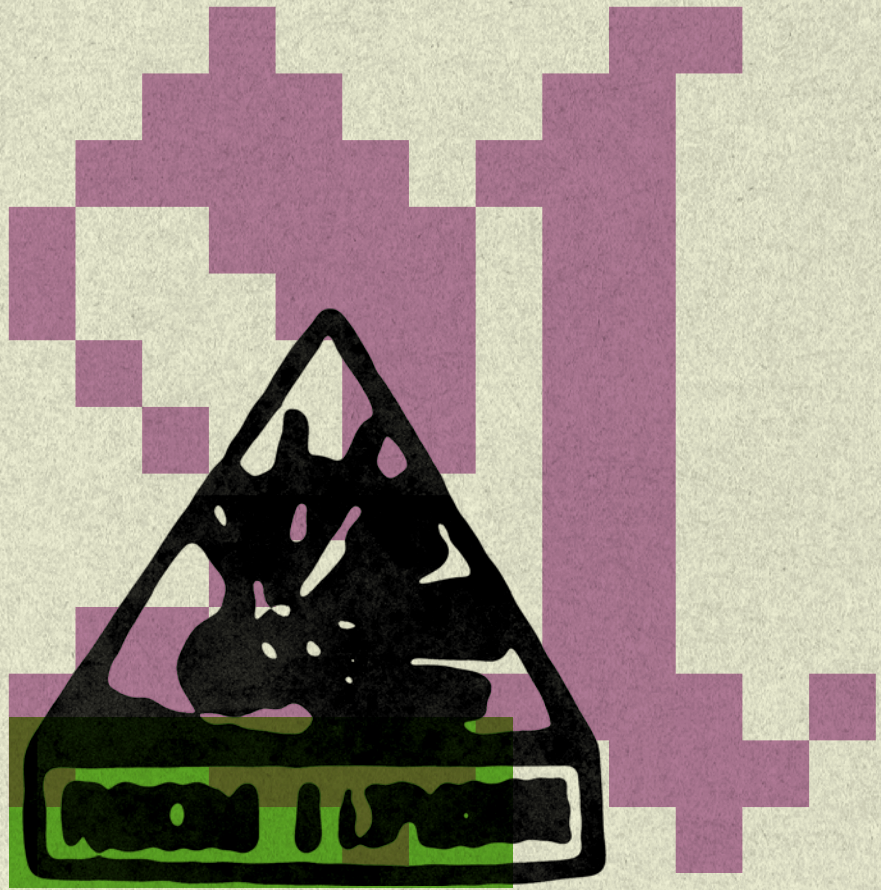

Naturae sequitur semina quisque suae.
(*PROPERZIO, Lib. III, eleg. IX, v.20*).

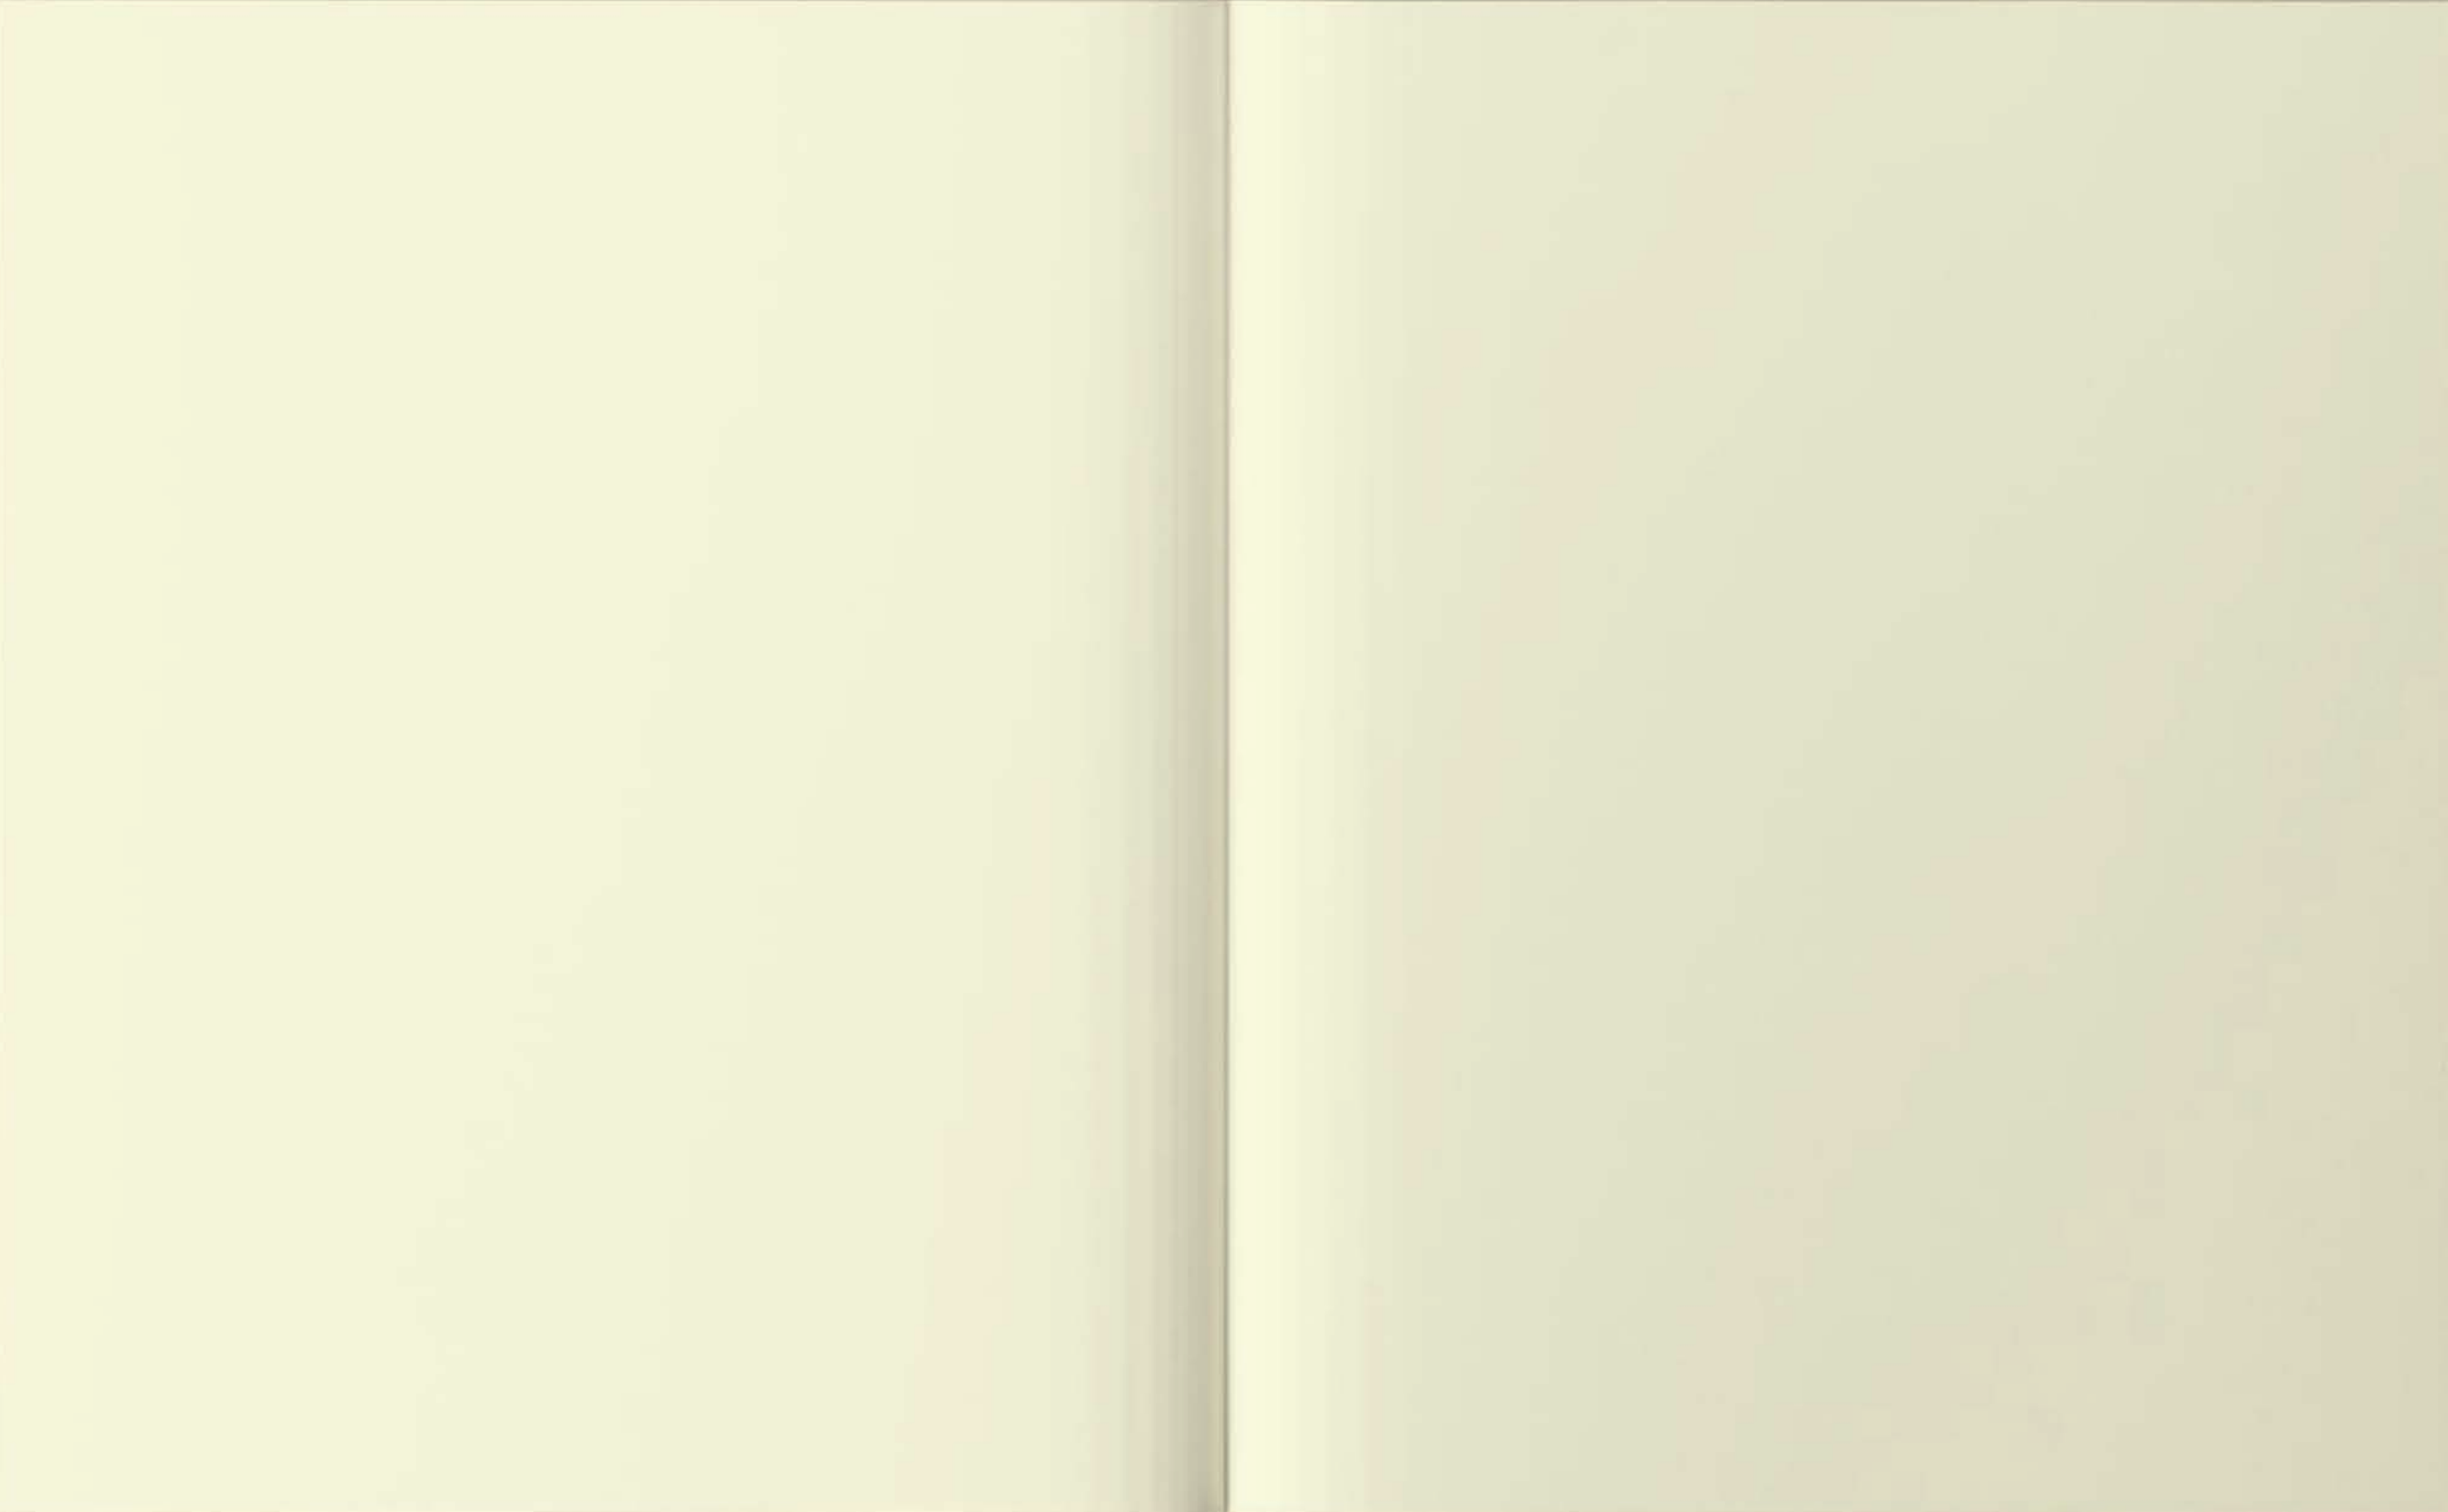

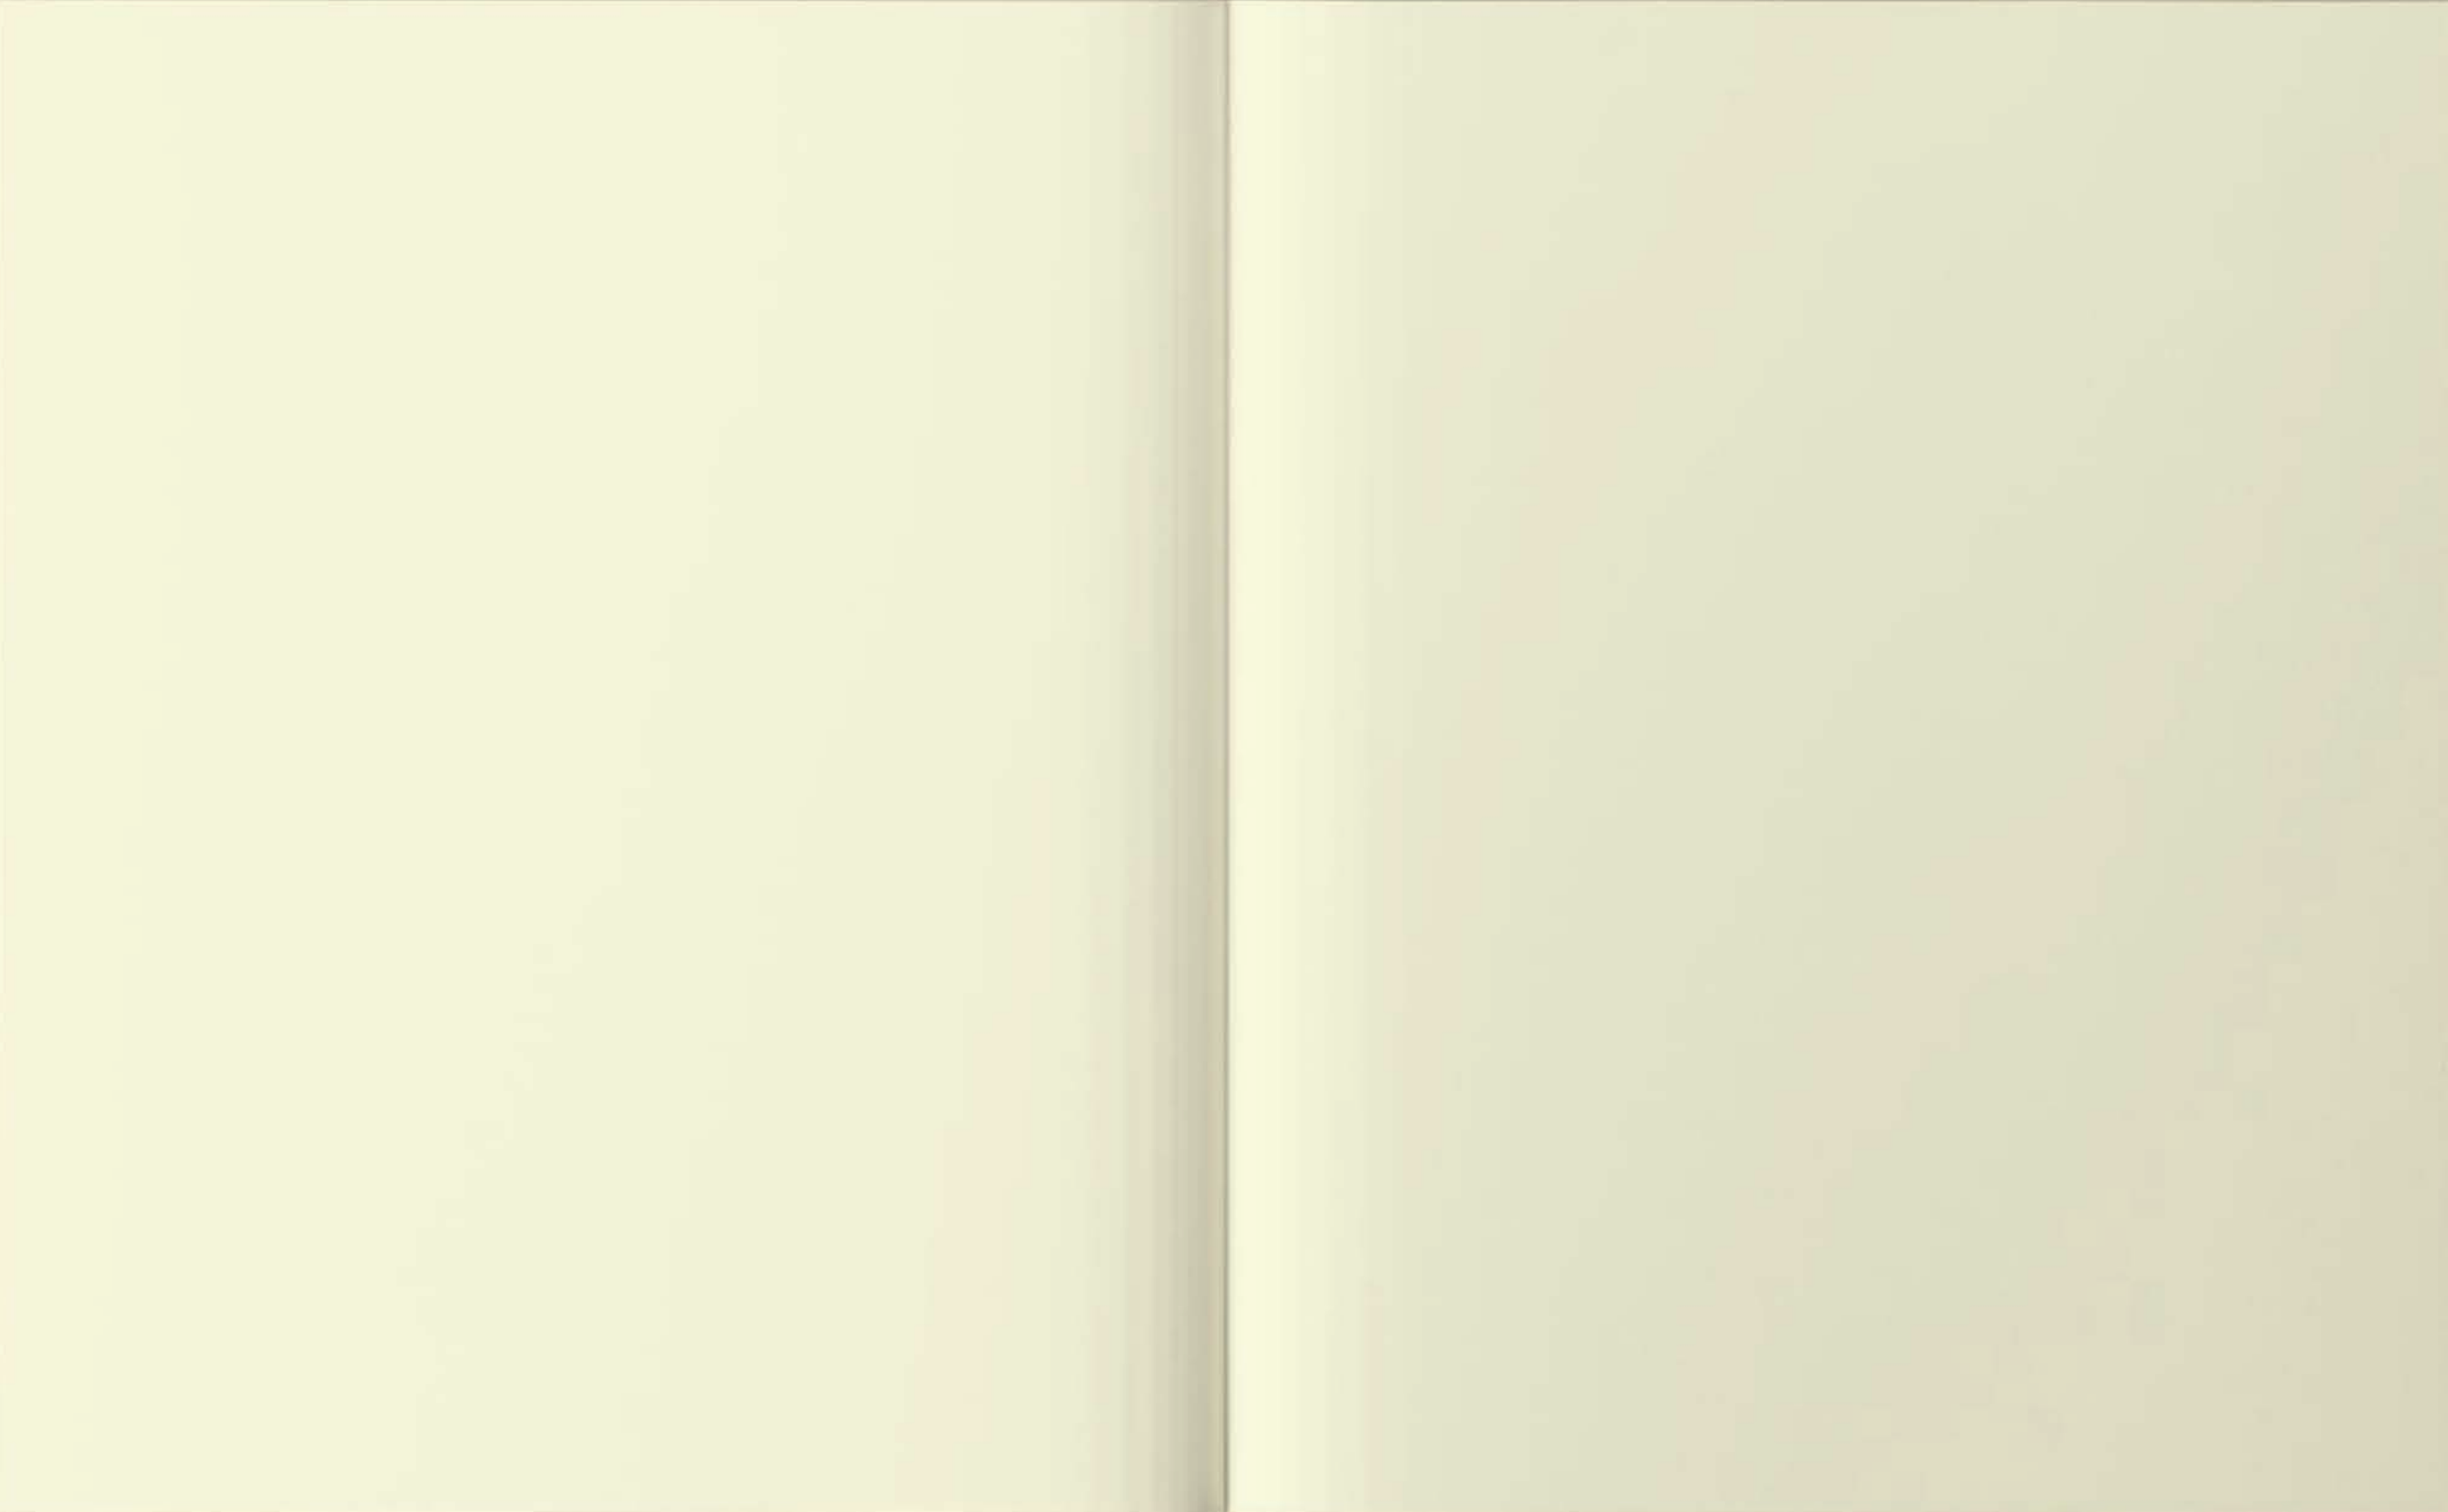

Imperare sibi maximum imperium est.

(SENECA, il filosofo, *Epistolae*, 113, § 24).

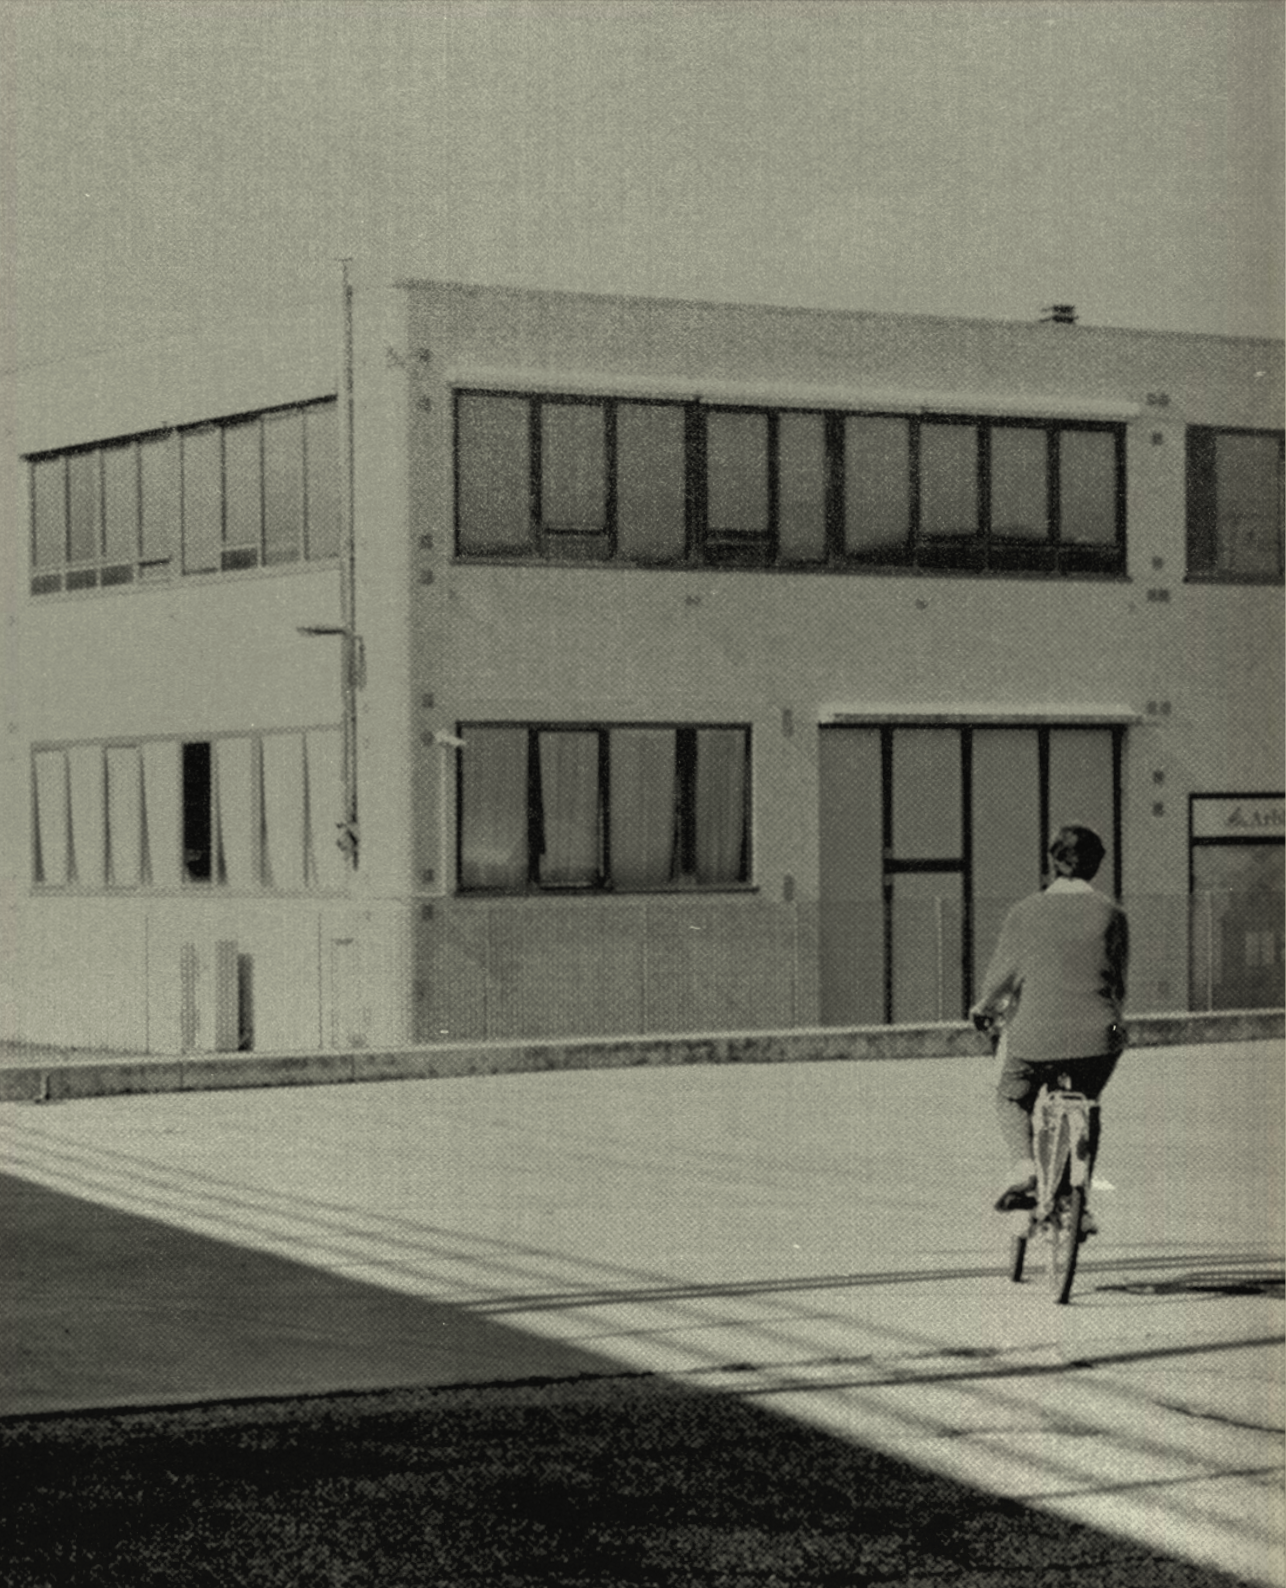

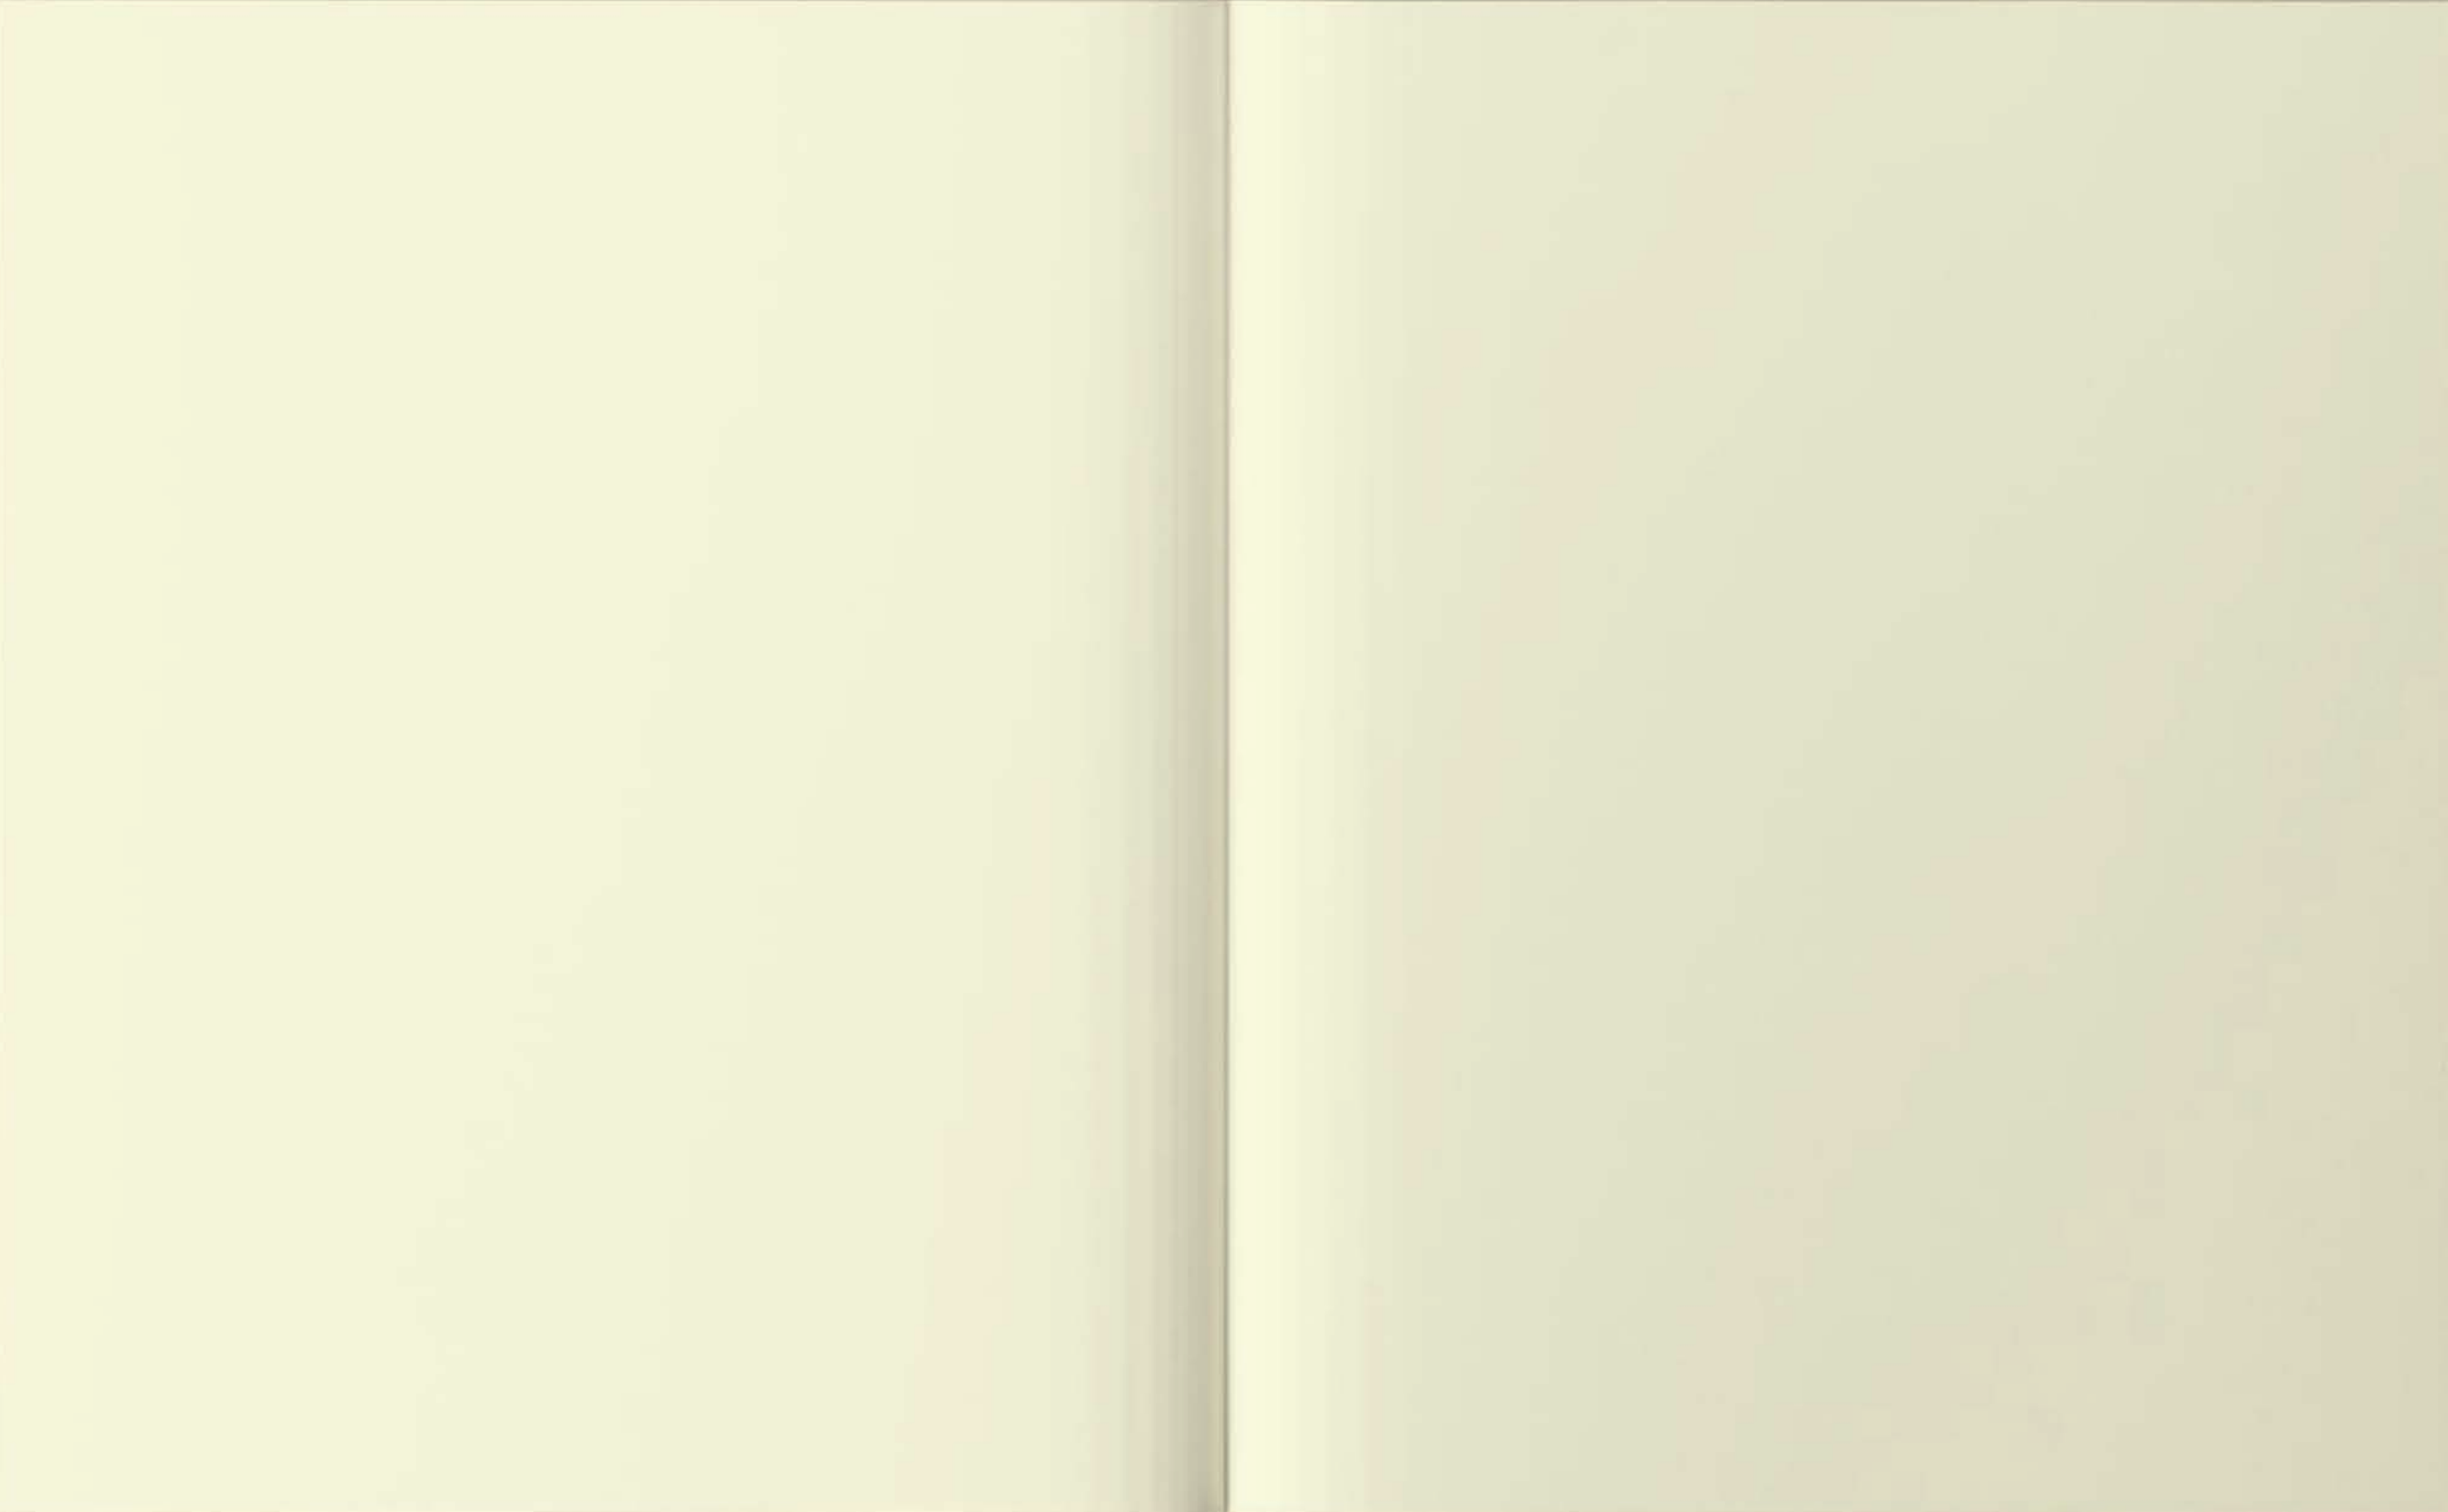

Nemo est tam senex qui se annum non putet posse vivere.
(CICERONE, *De Senectute*, lib. VII).

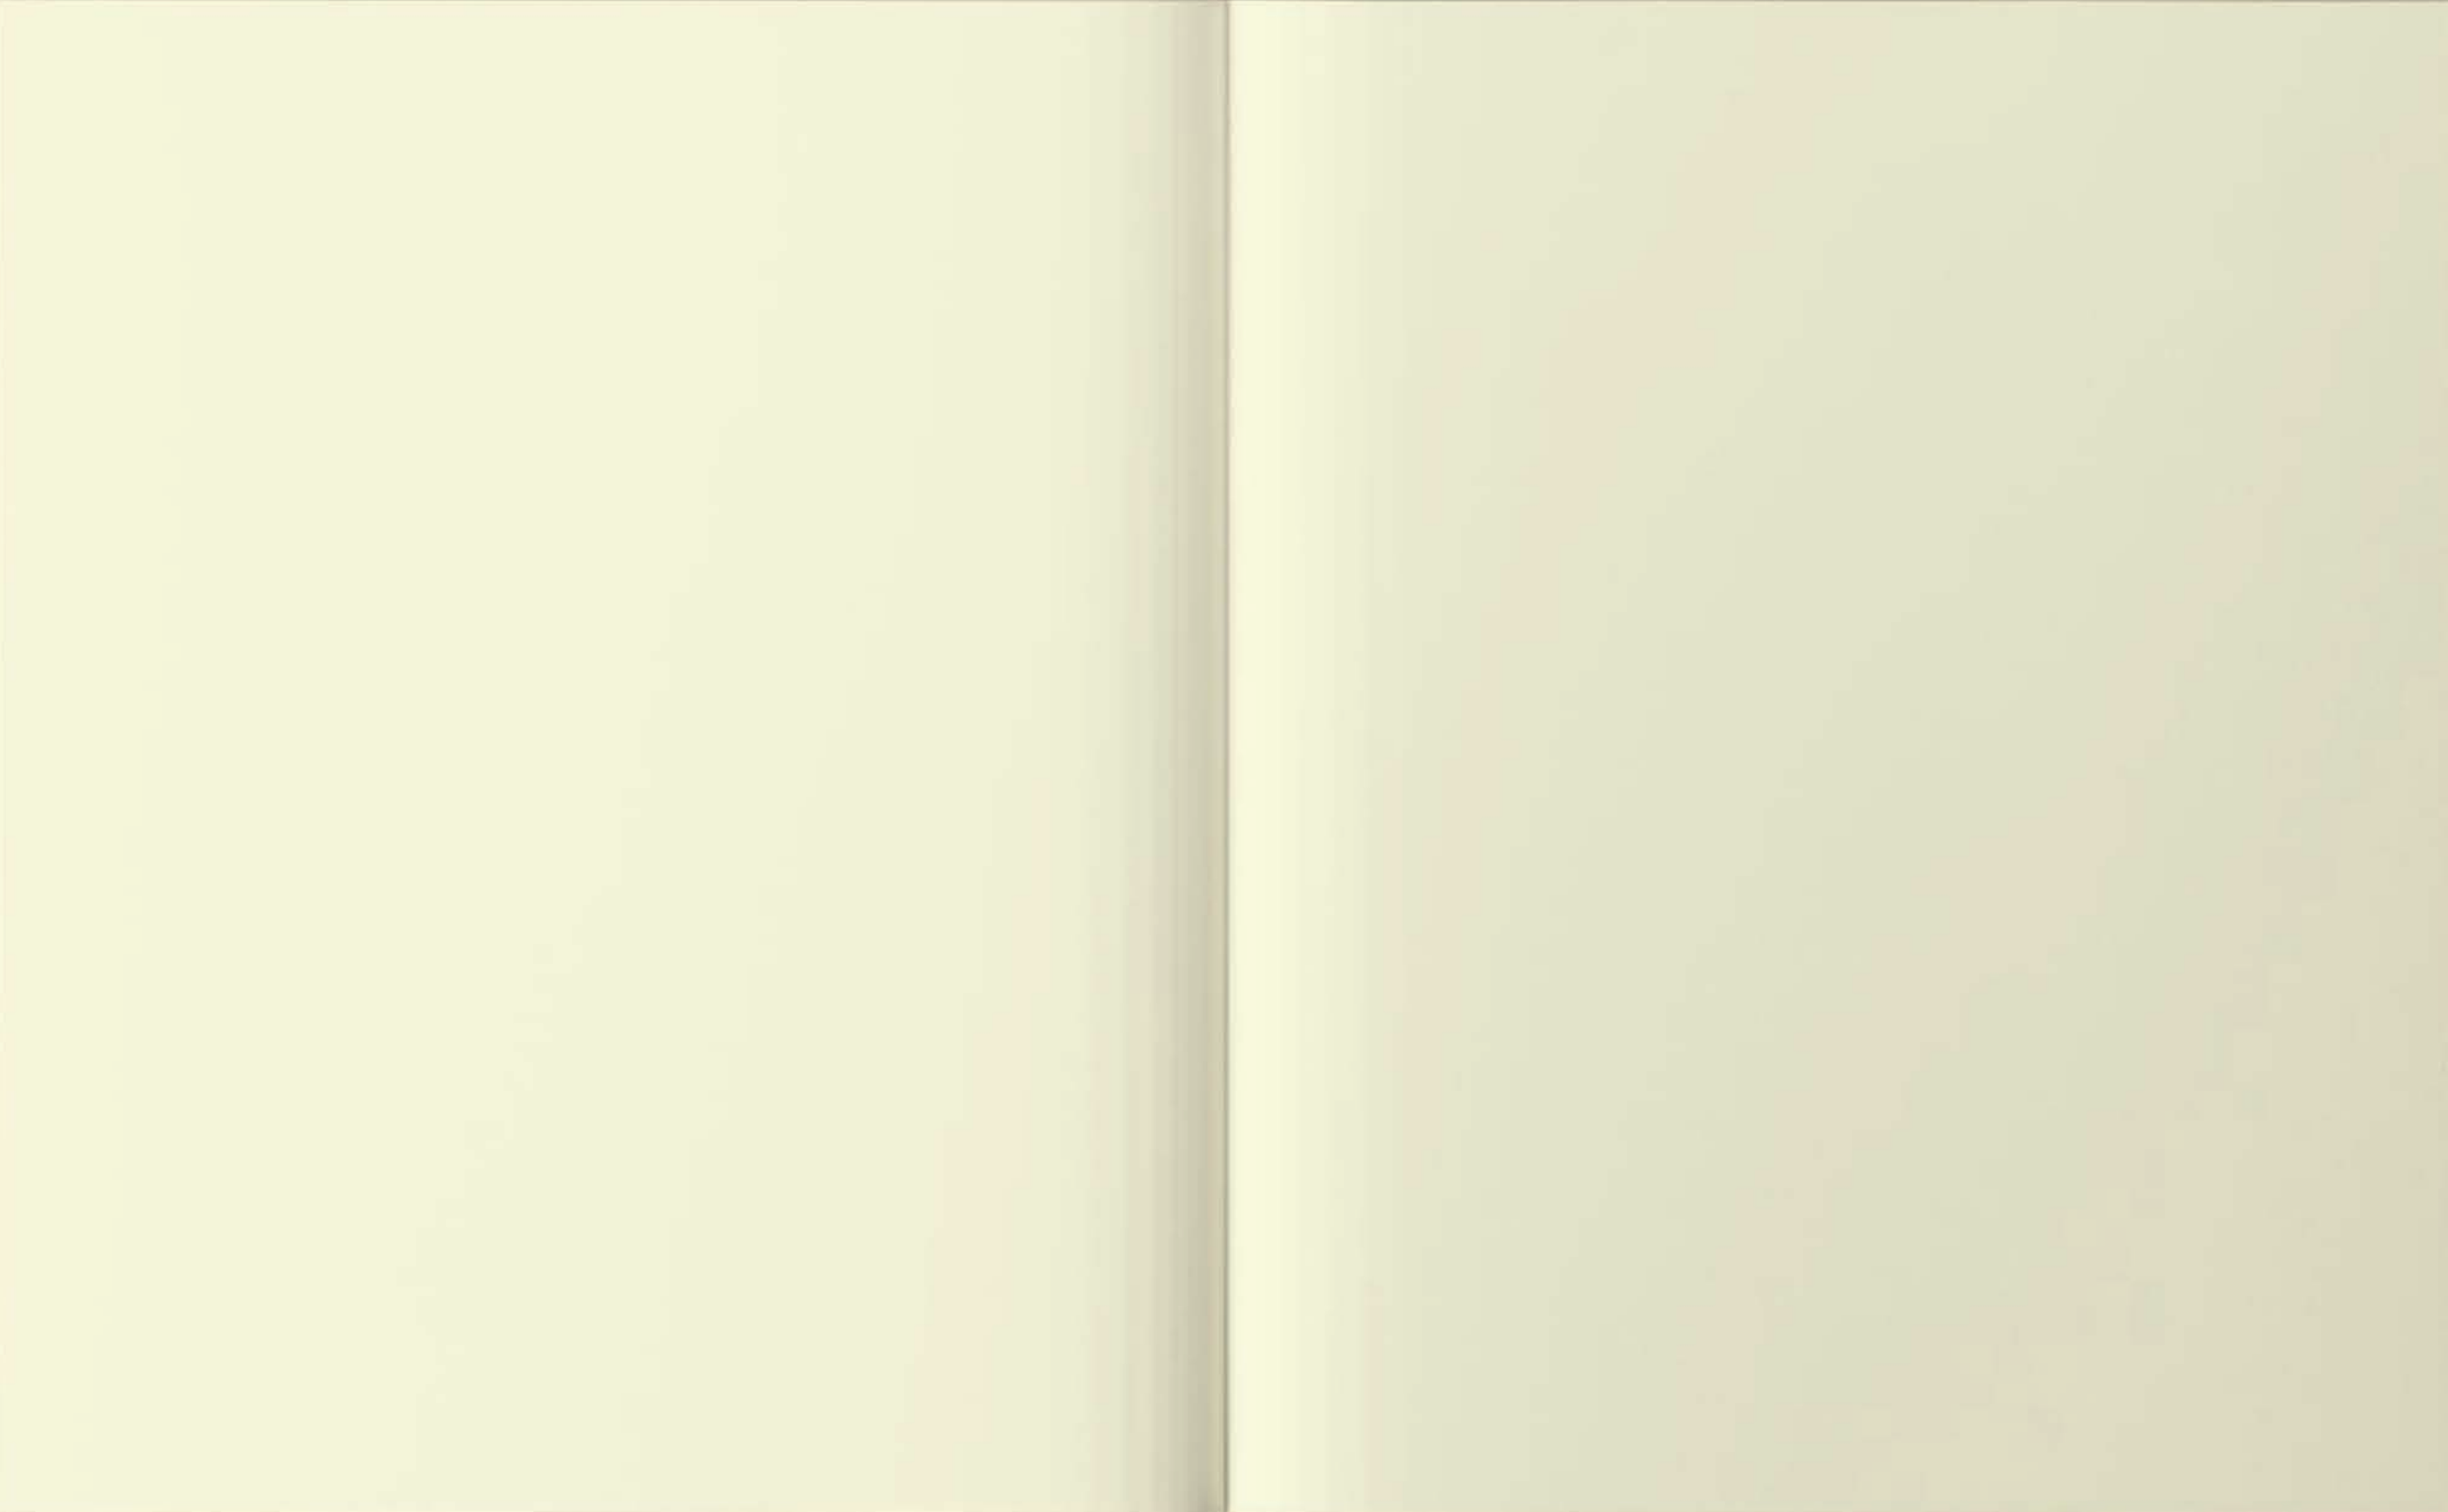

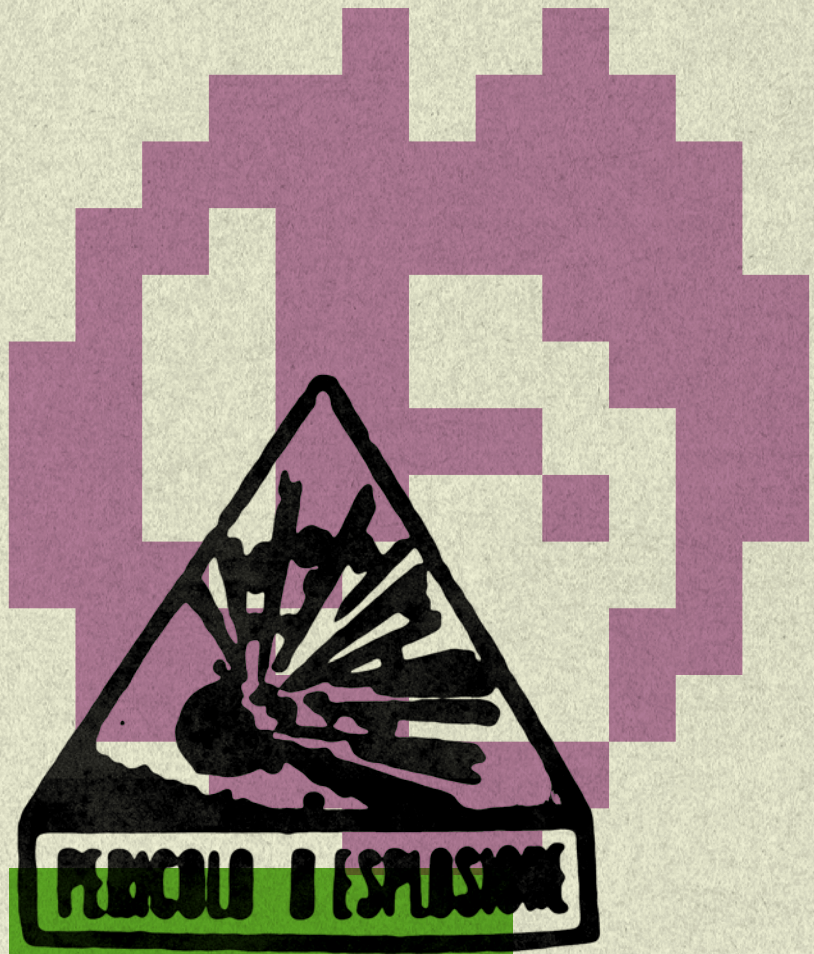

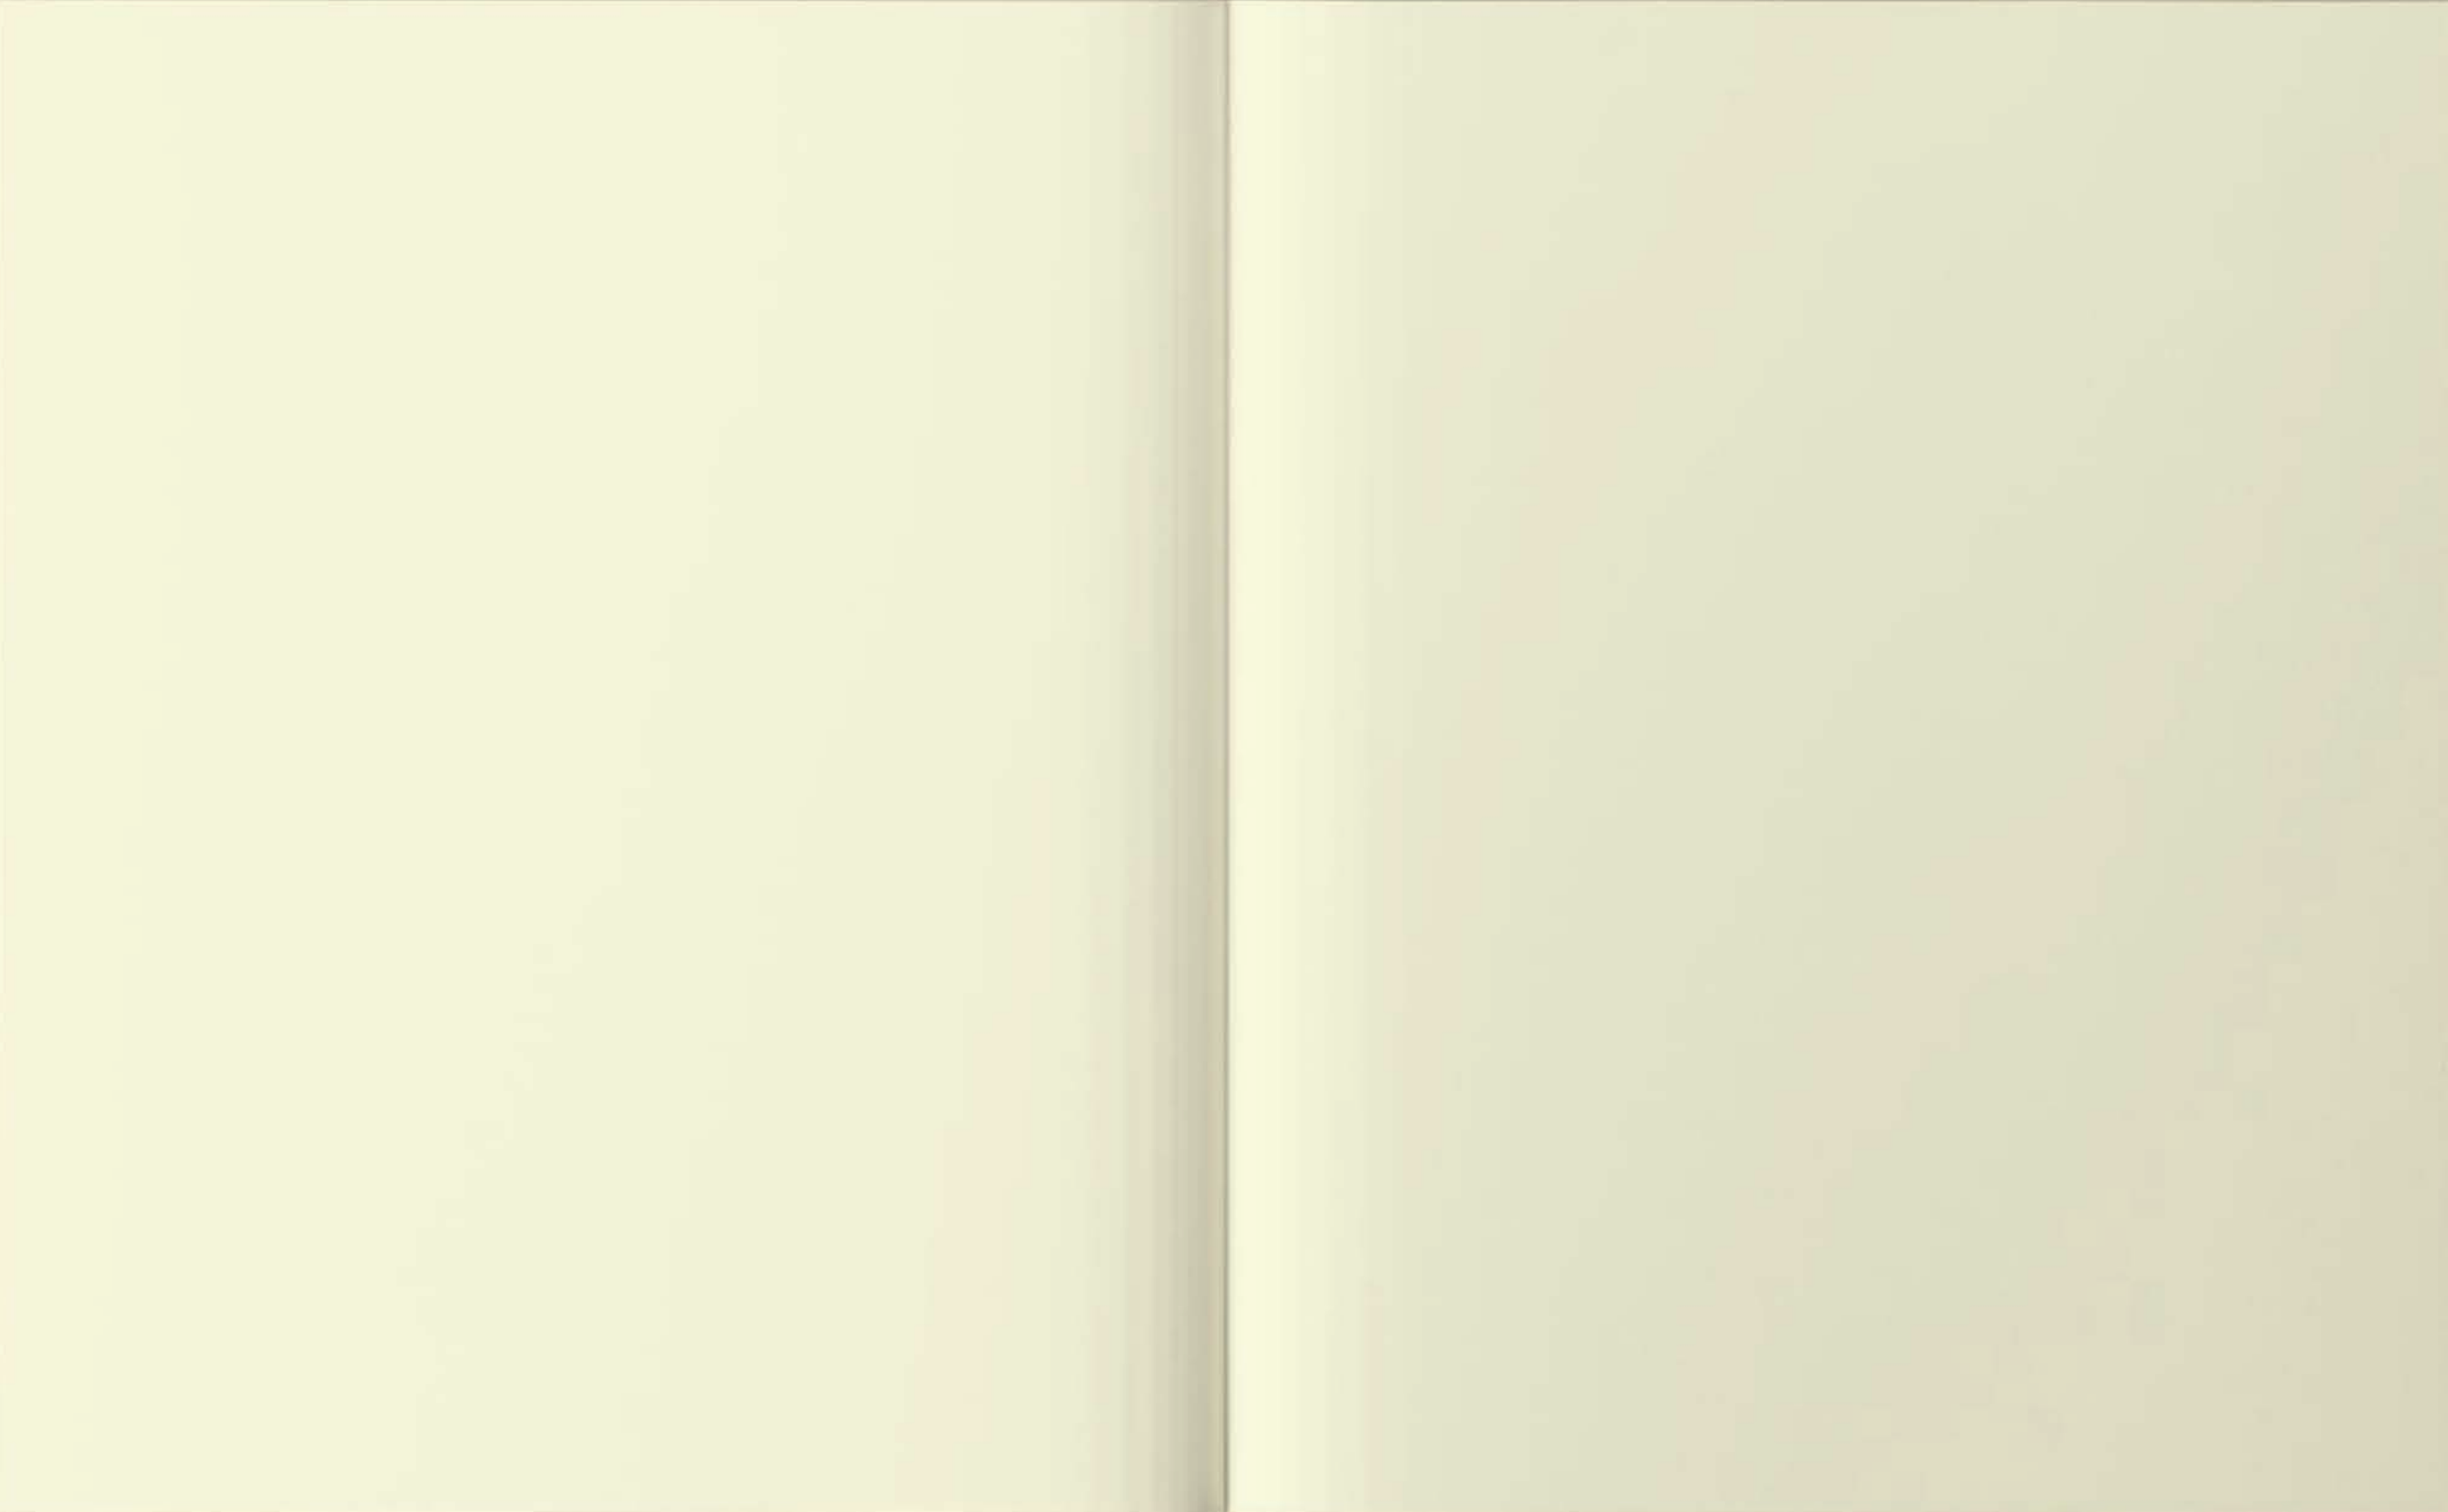

Noli esse justus multum.
(*Ecclesiaste, lib. VII, cap. 17*).

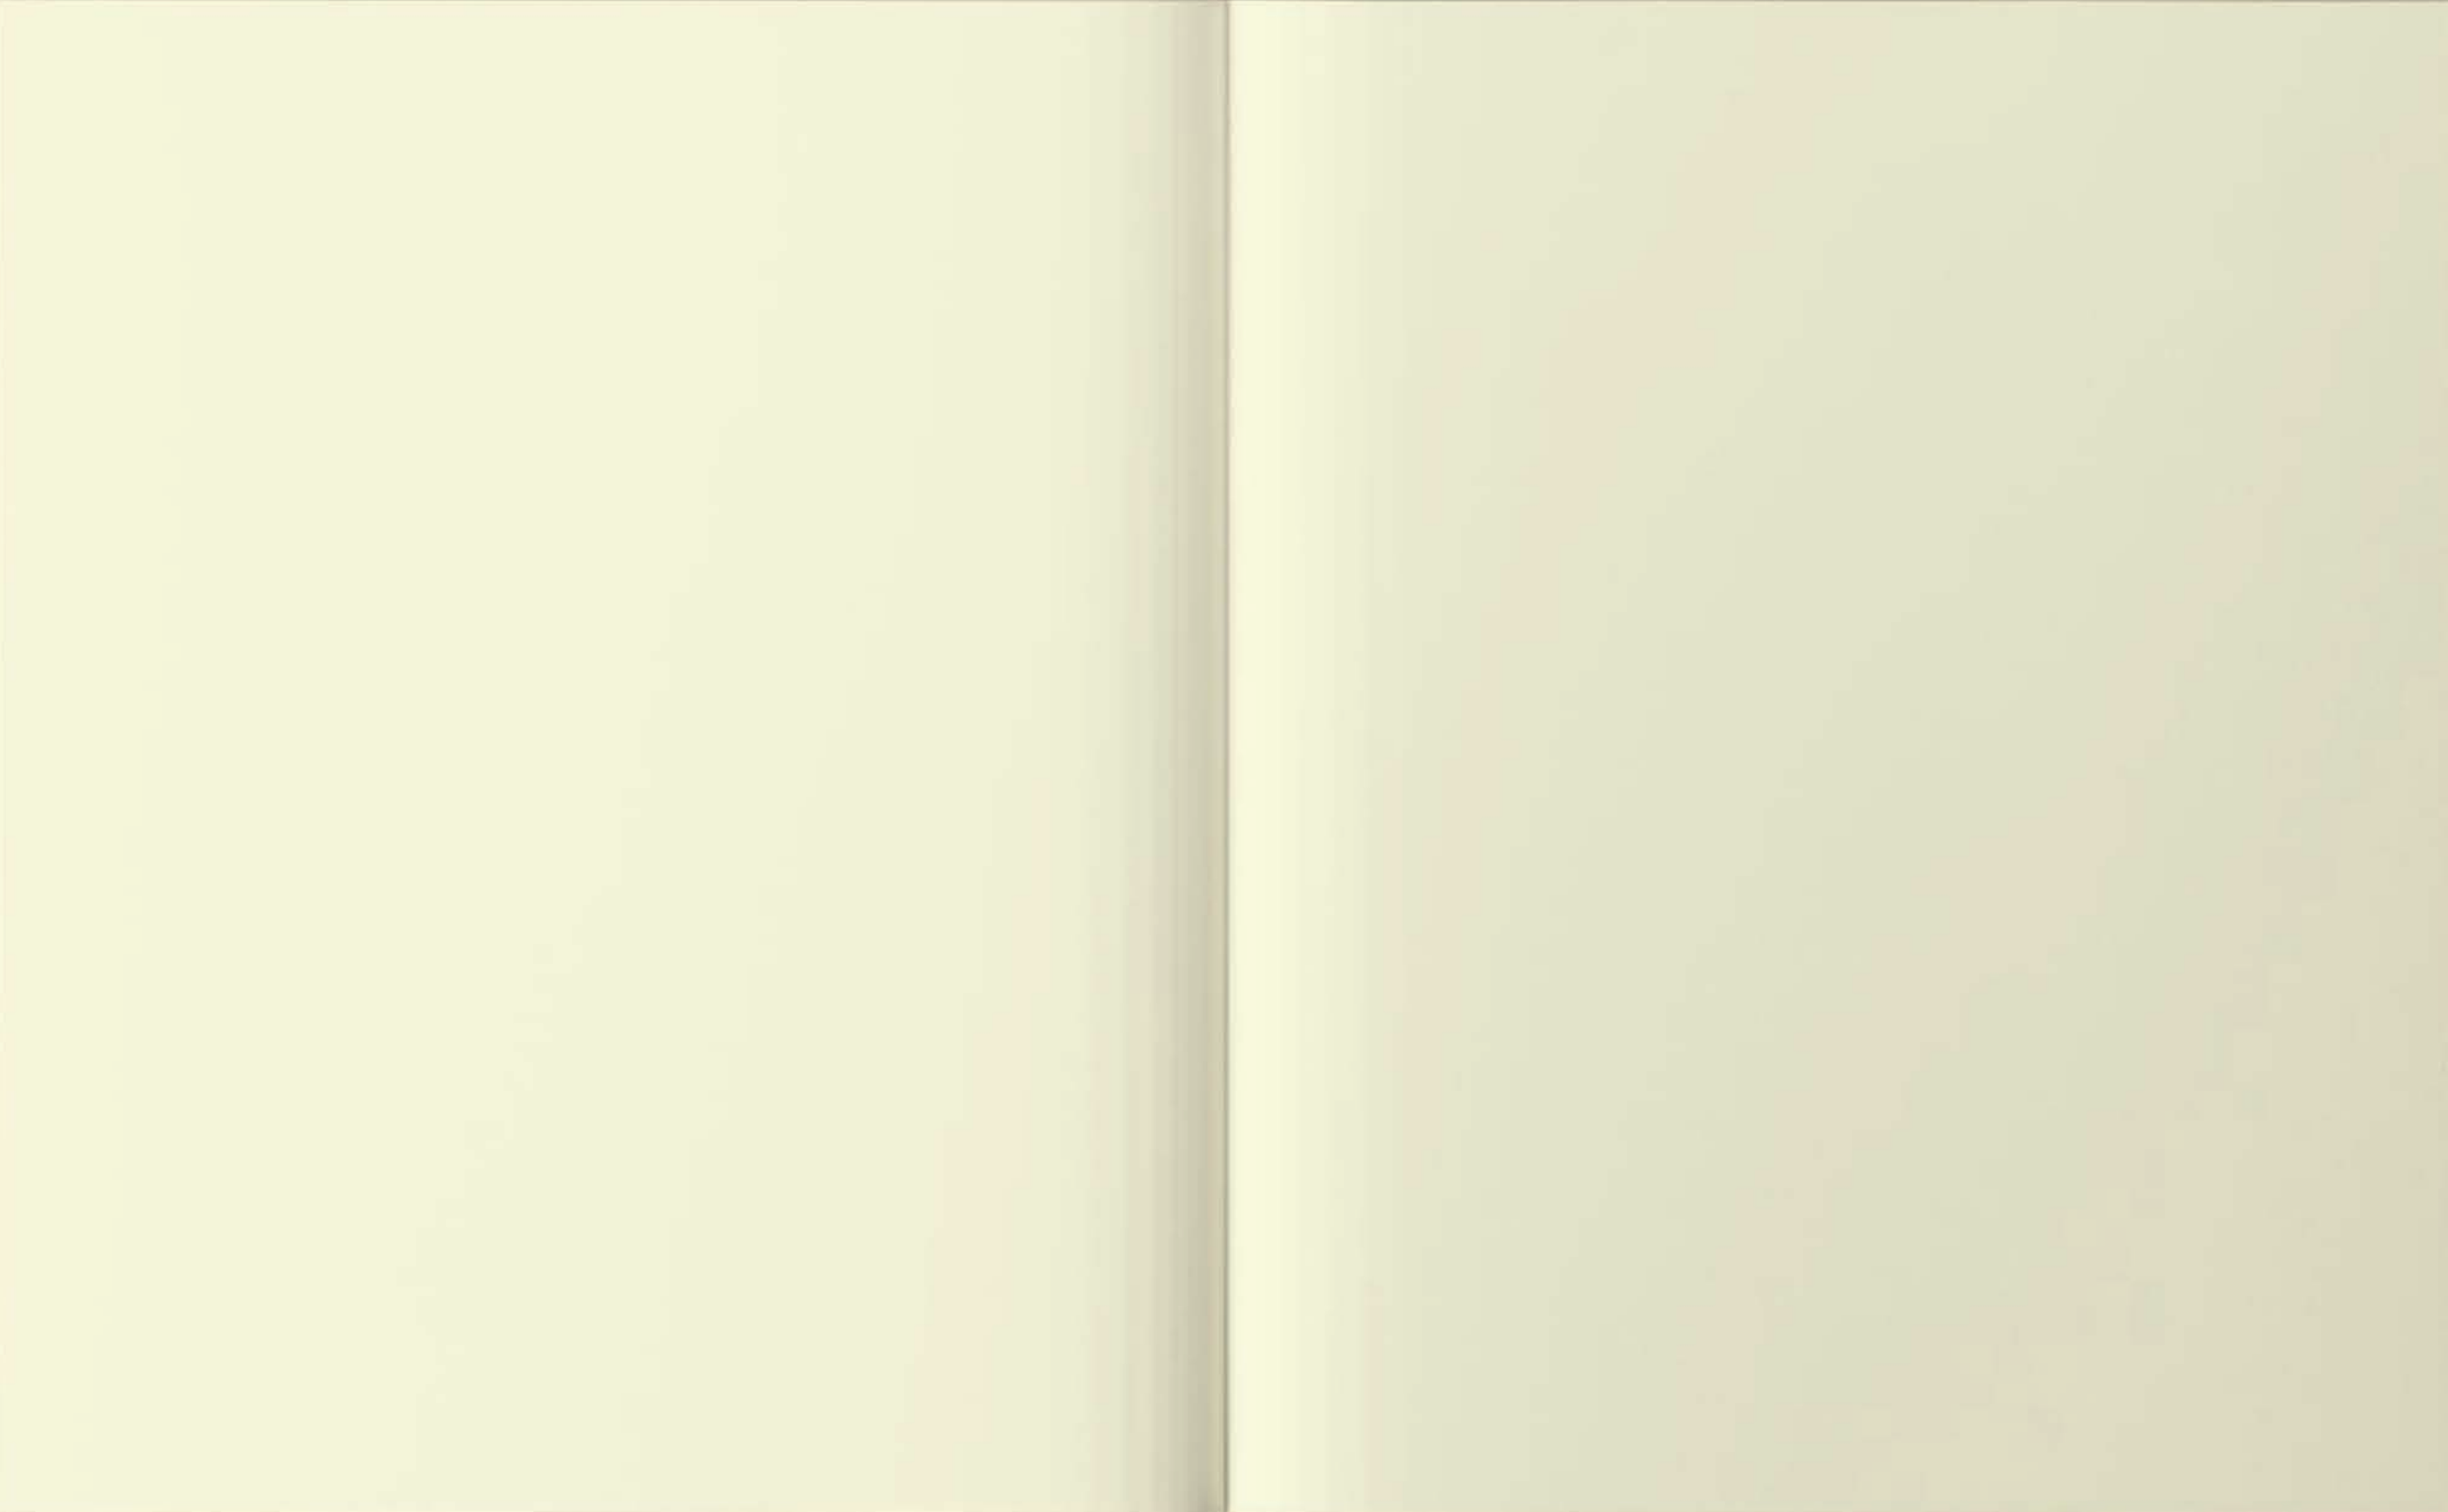

Spiritus, ubi vult, spirat.
(Vang. di S. Giovanni, cap. III, v. 8).

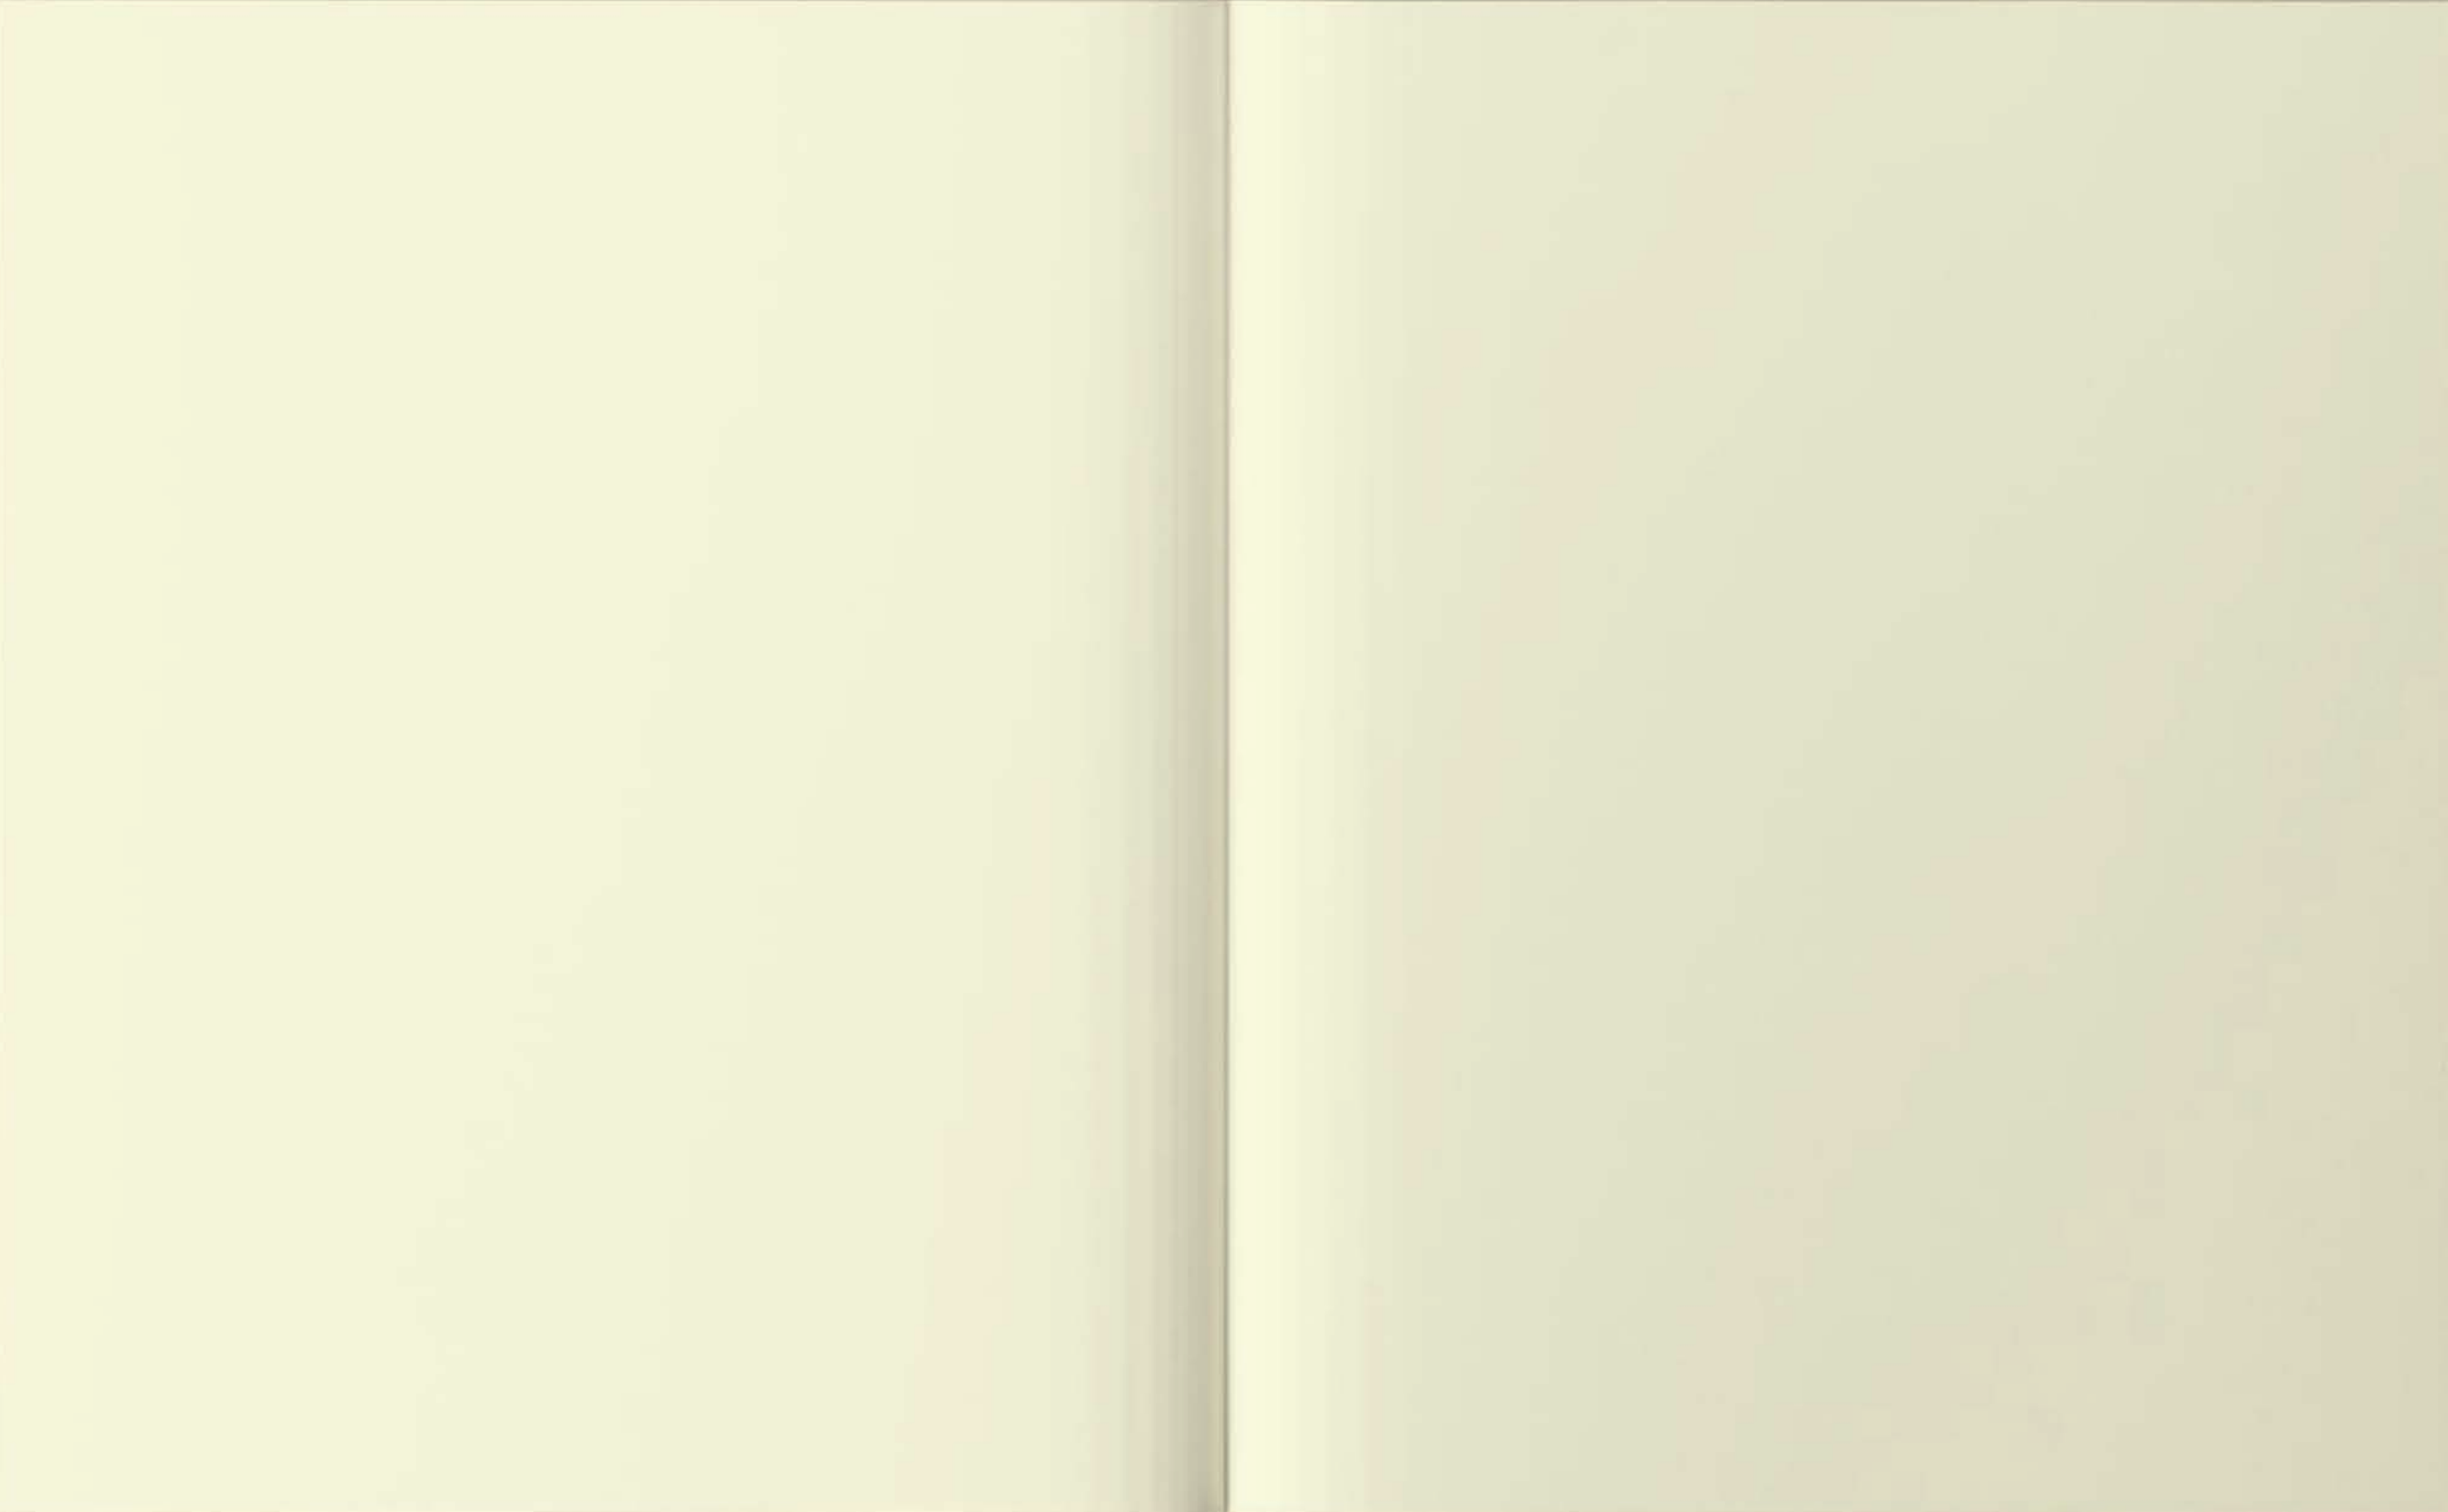

Rien ne trouble sa fin; c'est le soir d'un beau jour.
(J. de LA FONTAINE, *Philémon et Baucis*, poème, v.14).
